1 Chronicles 28:20

Friends in Christ,

When the events of 2020 created major disruption and shutdowns, United Methodists in Greater New Jersey stepped up and stepped out. We took our ministry online, and we took our mission outside. We learned new skills and engaged new people. We brought hope to communities left in despair from a pandemic, systematic racism, unemployment, and the economic downturn. In the face of crisis, we acted courageously to live into our mission to make disciples and grow vital congregations for the transformation of the world. We were hope for a hurting world. Thank you for stepping forward in a challenging time.

In 2020, together the United Methodists in Greater New Jersey

- Moved 95% of our worship services online
- Transformed traditional food pantries into feeding ministries that provide food for 20,000+ people a month
- Supported and launched additional Hope Centers, now numbering 27, that provide social services, food, and opportunities to people in the community
- Expanded our Miracles Everywhere Campaign to raise \$1 million for new ministry and mission that have developed out of the COVID-19 pandemic
- Launched the GNJ Leadership Academy that will integrate and grow our ability to equip new leaders
- Committed to end the sin of racism by passing A Journey of Hope to reorganize our church to be just and equitable while recommitting to our mission to make vital congregations.

We do these things because we are United Methodists. We believe that we can do more together than we can do alone, and when we face a hurting world, United Methodists help. Our ministry today builds on the courage of the disciples who came before us who have laid the path and have paved the way for what is next.

The pages of this journal contain the stories of those disciples. We celebrate their service, and we lift up those who will lead us in taking the next steps in our ministry together. It also details our commitments to God, our ministry together and the mission field as we live out our goal to make disciples of Christ for the transformation of the world.

In 2020, we had the courage to act in the face of what seemed impossible. I am blessed to be on this journey with you, knowing that you are strong and courageous. God is with you.

Keep the faith!

GREATER NEW JERSEY'S 2019-2023 STRATEGIC MINISTRY PLAN

Why does GNJ exist?

GNJ exists to recruit and develop transformational leaders so that people and communities experience healing, renewal, and wholeness from God. Transformational leaders grow vital congregations who shape passionate disciples of Jesus Christ and share faith, hope and justice in the community.

GNJ Adaptive Challenge

Increase the *motivation, urgency* and *ability* of disciples, leaders, and congregations to *connect* and *engage* with a diverse group of people in the community so that the people in the pews look more like all the people in the community.

Holy and Audacious Goal - Leadership 100

Cultivate and equip 100 clergy and 100 laity leaders *who make disciples who make disciples*.

Leadership 100 will change GNJ into a disciple-making and disciple-engaging force to transform the world. Leadership 100 will;

- develop more transformational and apostolic leaders for our congregations and the community, and
- grow a pool of talented leaders who can be deployed to increase disciple-making by:
 - *changing* the culture to nurture leaders who *multiply* passionate disciples
 - *growing* vibrant missional congregations and
 - *transforming* lives and communities

We will know we have achieved this God-sized goal when we have 100 congregations whose worship attendance has moved from one category to the next.

In GNJ we presently have four categories of average worship attendance:

- 299 congregations with average worship attendance of less than 50
- 149 congregations with average worship attendance of 50 – 99
- 28 congregations with average worship attendance of 100 – 124
- 76 congregations with average worship attendance of 125 or more, with:
 - 21 congregations with average worship attendance of 125-149
 - 23 congregations with average worship attendance of 150-199
 - 14 congregations with average worship attendance of 200-299
 - 9 congregations with average worship attendance of 300-499
 - 6 congregations with average worship attendance of 500-699
 - 1 congregation with average worship attendance of 700-999
 - 1 congregation with average worship attendance of 1,000-1,499
 - 1 congregation with average worship attendance of 1,500-1,749
 - 0 congregations with average worship attendance of 1,750+

GNJ Cultural Shifts by 2023

GNJ will shift;

1. FROM a church that mostly serves its members and clergy TO a mission that connects with the people in the community through relevant ministries
2. FROM congregations with a single cultural expression and privilege TO congregations with multicultural expression and intercultural competence
3. FROM concentrating ministry and thinking with current church members TO further extend ministry and thinking to make and engage younger and more diverse generations of disciples.
4. FROM sharing information through workshops to train leaders TO using workshops that interact with and experience the content to form leaders
5. FROM maintaining congregations and their buildings TO working with congregations to repurpose buildings for regenerative mission
6. FROM depending exclusively on Shared Ministries (apportionments) for mission and ministry TO cultivating new sources of income to grow mission and ministry

GREATER NEW JERSEY'S 2019-2023 STRATEGIC MINISTRY PLAN

GNJ Strategies for the Next Five Years

1. *New Faith Communities* – new expressions of congregations that gather diverse people in ways that are relevant to them.
2. *Intercultural Competency* - Develop leadership capacity for intercultural competence in GNJ so we can love across boundaries and differences and work towards inclusion of all people.
3. *NextGen Ministries* - Cultivate and mobilize new generations of enthusiastic disciples of Jesus Christ that connect, engage, and lead in their congregations and communities to transform the world through:
 - a. *IGNITE* - life-changing worship, relevant teachings, and authentic community for 6th through 12th grade
 - b. *Youth Groups* – local, community focused places for young people to be introduced to Christ and shaped as disciples generally for 3rd through 12th grade
 - c. *Camping* – outdoors experiences that connect with God, purpose, and promote meaningful relationships for elementary through high school students.
 - d. *Campus Ministries* - places for college students to be introduced to Christ, shaped as disciples, and developed as transformational leaders
4. *Community Development* – Leverage existing human, relational and capital resources to create opportunities for healing, renewal and transformation to communities and sustainable financial support streams for congregations
 - a. Repurpose church property into vibrant worship and mission centers
 - b. Repurpose church property into affordable housing, senior living, community space and mission centers
 - c. Create cooperative ministries within the community
5. *Hope Centers* – Develop church-based community ministry that meets the needs of the community and serves children and youth, families, seniors, and vulnerable populations

We will develop and resource these strategies partnering with the GNJ family of vital mission partners – A Future With Hope, Next Generation Ministries, Centenary Fund and Preacher's Aid Society and the United Methodist Stewardship Foundation of Greater New Jersey.

GNJ 2023 Objectives

1. Develop resources to equip congregations to assess and improve their pathways for disciples to know, grow in, live, and share the life of Jesus every day, *so that* we increase the number of new disciples and vital congregations.
2. Develop laity leadership resources to equip the local church with the knowledge and ability to effectively lead congregations and address challenges in their ministry, *so that* we grow more vital congregations.
3. Incorporate appropriate training, language and practices into resources, events, agency work, and conference life, *so that* we grow cultural competency within the life and ministry of GNJ.
4. Create methods to recruit, resource and support congregational youth leaders, *so that* they are equipped to lead and grow a youth program equal to 20% of their worshipping congregation and we grow youth engagement.
5. Clarify the process, resources, and support for Hope Centers, *so that* we develop 30 Hope Centers focused on community mission with students, the poor and the elderly, and increase missional impact in the community

GNJ Core Resourcing to Carry Out Our Mission and Achieve Our Goal

GNJ will resource congregations and leaders that are ready and desire to become vital and more like Christ primarily through:

- *Laity Leadership Academy* – coordinated teaching and skill development with application and funding opportunities for laity to grow vital ministries.
- *Coaching* – a resource to help clergy achieve ministry goals and action plans.
- *PaCE* - facilitated peer learning groups that help shape pastoral identity, imagination, and excellence.
- *Mosaic Ministries* – a new way of thinking about and doing local church ministry, mission and leadership with promising young clergy and seminarians discerning their vocational calling.
- *Clergy Leadership Development Initiative* – tools and applications for clergy to lead congregations to sustainable fruitful ministry
- *Team Vital* – congregational community and ministry assessment and strategic planning process for vital ministry.
- *Communities of Hope* –strategic planning and implementation for asset-based community development.
- *Lay Servant Ministries* - Certified Lay Servants, Lay Speakers and Lay Ministers, expand the ministry of the laity for training for pulpit supply as well as caring, leading, and communicating across the connection for transformational growth.

GREATER NEW JERSEY'S 2019-2023 STRATEGIC MINISTRY PLAN

What Will Be Different?

As GNJ shifts the culture, accomplishes its goals and objectives, implements its strategies and resources leaders and congregations, it will see more disciples and congregations with:

- Passionate Faith – Mature and fearless disciples that others want to emulate
- Boundless Hope – Positive vision of current and future ministry
- Courageous Spirit – Risk-taking relevant mercy and justice ministries
- Transformational Leadership – Difference-makers who transform people's lives, the congregation, and the community
- Congregational Vitality – Vibrant and life changing congregations
- Regenerative Resources – Extravagant generosity that inspires new giving and resources

GNJ Vision

We see leaders cultivating disciples of Jesus Christ in vital congregations and faith communities with:

- *Passionate Faith* – Shape mature and fearless disciples that others want to emulate
- *Boundless Hope* – Inspire a positive vision of current and future ministry
- *Courageous Spirit* – Connect with the community through risk-taking relevant mercy and justice ministries
- *Transformational Leadership* – Change people's lives, the congregation, and the community
- *Congregational Vitality* – Worship God, make and grow passionate disciples, serve the community, and give generously to mission
- *Regenerative Resources* – Develop innovative ways of supporting ministry

GNJ Mission

Transform the world by recruiting and developing transformational leaders who make passionate disciples of Jesus Christ and grow vital congregations. (Matthew 28:19)

GNJ Core Values

Our ministry will be shaped and guided by *being*:

- Christ-Centered – the *unbreakable and unifying source* of our faith and hope
- Compassionate and Just – a *shared expression* of our Wesleyan heritage
- Diverse – a *true reflection* of the all-welcoming nature of the reign of God
- Innovative and Risk-Taking – a *bridge* to what is next
- Excellent – a *gospel imperative* for greater impact in the world

A GNJ Disciple

A Holy Spirit-led *follower of Christ* whose passion every day is to *know, grow in, live, and share* the life of Jesus. (John 15:5)

A GNJ Vital Congregation

A Holy Spirit-led *community of passionate disciples who are working together* to grow new disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission. (Acts 2:42-47)

GNJ World Transformation

A community where lives are changed, hope abounds, diversity is embraced, and all have the opportunity, knowledge, and skills to live to their full God-given potential. (Micah 6:8, Luke 10:27)

A GNJ Leader

A Holy Spirit-led *servant-leader* that forges a path forward where others do not see the way. A GNJ leader reaches out beyond the walls of the church into the community to transform lives by spreading God's love, hope and justice and bearing witness to Jesus Christ. (Matthew 23:11, Philippians 4:13)

GREATER NEW JERSEY'S 2019-2023 STRATEGIC MINISTRY PLAN

GNJ leaders are fruitful by growing new disciples, worship, small groups, mission engagement and giving. GNJ will work with and grow leaders to be:

- *Fruitful* –grow new passionate disciples, inspiring worship, active small groups, risk taking community mission, and generous giving to mission.
- *Transformational* –lead congregations through missional, cultural and identity change.
- *Apostolic* –are on a clear mission to create something more than what is. Paul was an apostolic leader who went to places with few or no believers and his leadership transformed the community by generating congregations of passionate disciples.

Because of GNJ leadership, disciples will be even more *passionate*, congregations will be even more *vibrant and fruitful* and people and communities will *experience healing, renewal, and wholeness from God*.

How We Will Make Decisions?

We will invest our financial and human resources in decisions that:

1. Develop transformational leaders
2. Maximize new disciples, vital congregations, and world transformation
3. Reflect our core values
4. Encourage innovative, risk-taking regenerative ministry that effectively connects with and engage people in the community

Theological Grounding for GNJ 2019-23 Strategic Plan – *Miracles Everywhere*

“You are the God who performs miracles; you display your powers among the peoples.” Psalm 77:14

God is creating signs and wonders in GNJ and there is even more God wants to do. God wants to continue working through the United Methodists of Greater New Jersey so that miracles of healing and transformation occur across GNJ and around the world (Isaiah 43:19).

The Gospels tell of Jesus' miracle ministry using two Greek words *dunamis* and *simaios*. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word *dunamis* is used which means power - God's power to transform life. The Gospel of John primarily uses the word *simaios*, which means sign – a miracle that points to God's activity in the world. Miracles evoke wonder by demonstrating God's power and pointing to God's work in the world. In every age, God has been at work in the world healing and transforming lives.

Miracles happen everywhere. Through the power of the Holy Spirit, the congregation, the body of Christ, is the primary actor to release the power of God to transform lives and the community (1 Corinthians 12:27). The congregation is the mission outpost where passionate disciples are formed, shaped, and sent to love God and neighbors completely (Mathew 28:16-20).

Transformational leadership within congregations is crucial to fulfilling this mission (Ephesians 4:11-12) to release the Holy Spirit for miracles everywhere. Leaders who move the mission and turnaround forward are grounded theologically and biblically, possess competence and emotional intelligence, engage missionally and passionately, and are led spiritually.

As the church navigates through liminal times (a transitional time on the edge of what God has next for the church), the Spirit is calling GNJ to address our adaptive challenge and engage in new possibilities with courage (II Timothy 1:7). We are called to continue to imagine and discern innovative ways to effectively be in ministry in and with the community (Romans 12:2) so that we cultivate transformational leaders who make disciples and grow vital congregations to transform the world.

God is already working wonders in GNJ and is ready to perform miracles everywhere through passionate disciples, vital congregations, and transformational leaders!

DAILY PROCEEDINGS

DAILY PROCEEDINGS OF THE TWENTY-FIRST SESSION

OF THE GREATER NEW JERSEY ANNUAL CONFERENCE OF
UNITED METHODISTS

Friday, September 25, 2020, 1:00 p.m.

Monday, October 5, 2020, 8:30 a.m.

Tuesday, October 6, 2020, 8:30 a.m.

Courage

Be strong and courageous and act. Don't be afraid or discouraged.

God is with you and will not let you down. 1 Chronicles 28:20

Due to the COVID-19 pandemic, all sessions of the annual conference were held through a Zoom webinar.

FRIDAY, SEPTEMBER 25, 2020, 1:00 p.m.

Clergy Executive Session

Bishop John Schol opened the clergy executive session by greeting the clergy and lay members of the Board of Ordained Ministry and in a very challenging year, invited everyone to sing, *I Will Call Upon the Lord* led by Lan Wilson. The bishop then read from Psalm 27, and the opening prayer was given by William M. Williams, III.

Bishop Schol reviewed the rules and processes for voting and speaking using the tools of Zoom.

Rev. Shelley Smith, Conference Secretary, explained the bar of the session during a virtual annual conference and moved setting the bar for the voting members of the Conference.

Rev. Tom Korkuch, Chairperson of the Board of Ordained Ministry and Rev. Jessica Naulty, Vice Chair, Board of Ordained Ministry, and Conference Relations Committee Chair (2014-present), gave the report for the board.

Rev. Gina Hendrickson was called on to respond to the question, *are all clergy blameless in the conduct of ministry and their life*. Rev. Hendrickson reported for the cabinet that there were issues with a few clergy that the cabinet was following up on; overall the clergy continue to carry out their leadership and life faithfully.

Revs. Korkuch and Naulty continued by presenting the rest of the report section by section and Bishop Schol calling for votes as required. Each section and question were reviewed and voted on affirmatively.

Rev. Korkuch moved for the adoption of the entire report. It was approved.

Bishop Schol thanked the board for its leadership and work on behalf of the annual conference and thanked the clergy for their continued dedication, courageous leadership, and dedication.

The bishop celebrated the birthdays of two clergy with a cake and a rendition of happy birthday.

Bishop Schol closed the session with a prayer and blessing.

MONDAY, OCTOBER 5, 2020 8:30 a.m.

Full Session

GATHERING

Praise bands from GNJ offered praise music as people gathered for the session.

DAILY PROCEEDINGS

WELCOME

The session opened with a video, “Good Morning Church” in which people representing the great diversity welcomed everyone to the annual conference session and proclaimed that all are welcome.

The conference then sang “We’ve Come this Far by Faith.”

EPISCOPAL ADDRESS

In the episcopal address, Bishop Schol spoke about how quickly everything changed because of COVID-19. How we, as individual churches, learned new ways to continue to do church during a pandemic. We’ve come this far by faith. He reminded the conference of the two sides of the cross: one side representing sacrifice and the other side representing resurrection. In the midst of the pandemic, we are experiencing both sacrifice and resurrection.

The Bishop talked of how, when COVID-19 hit, GNJ deliberately and swiftly moved \$5 million to provide a four-month Shared Giving holiday for churches. He celebrated how churches and the conference have continued to be the hands of Christ during this pandemic through expanding feeding programs, giving \$1 million to congregations, launching Hope Centers for new ministries, and assisting congregations in applying for Paycheck Protection Program funding to help congregations receive grants. He thanked congregations and Hope Centers who are giving to people in their communities 69,000 meals a month.

Bishop Schol spoke of A Journey of Hope plan to end racism and how the conference has received a \$1 million grant from the Lilly Foundation to support work to address racial justice.

He spoke of how crisis deepens conviction and how we’ve made progress. He acknowledged that we have three challenges to face:

1. Grief and sadness. Doubly hard in this pandemic because we could not be with those who had died and could not celebrate their lives as we would have liked. He spoke of mourning the closing of 16 churches, which is higher than usual because of the pandemic. He mourned the loss of over 200,000 people in the U.S and many more around the world.
2. Ministry in a strange land. Online worship initially surged but now has leveled off or is declining. In person worship is difficult as well. He shared that if the pandemic continues to spread, there may not be a General Conference in 2021. Quoting Jeremiah, Bishop encouraged us to seek the Shalom of God as we realize that online worship will continue even after the pandemic ends.
3. Ending the sin of racism in GNJ. Bishop talked of how racism has continued, perpetuated by the lie that certain people, because of the color of their skin, don’t matter. He encouraged white people to remember a time when they felt that they didn’t matter and to imagine feeling this day after day. Ultimately, racism is a sin against God because God is the creator of all. We are all of sacred worth. He stated that we must acknowledge racism in order to begin to end it. This will be a challenge for GNJ, but we have never backed down from any challenge.

Bishop Schol ended by sharing GNJ clergy and congregational leaders have courageously led and that “God is with us! We’ve come this far by faith!”

Rev. Brian Roberts, superintendent of the Cape Atlantic District, led the conference in prayer.

Bishop Schol shared that there are 857 participating via Zoom and 186 via YouTube attending the Conference.

Setting the Bar of the Conference:

Rev. Shelley Smith, acting Conference Secretary, made a motion to set the bar of the Conference as all participants who have registered for this Annual Conference by Zoom webinar. She explained who has voice but not vote. Bishop reviewed instructions on how to vote by either Zoom or by conference call as previously sent to all participants by e-mail. The motion to set the bar of the conference was approved.

Bishop gave instructions on how to use ‘chat’ to request to speak during legislation.

DAILY PROCEEDINGS

Nominations Report:

Rosa Williams, chair of Nominations Committee, presented the report by the Nominations Committee and moved for its approval. The motion passed in a vote of 497-18 with no discussion.

Bishop thanked all those who are newly elected and those who have continued to serve in their positions. He thanked the team for putting the report together.

Trustees Enabling Legislation

Rev. Clifford Still presented the Trustees Enabling Legislation and moved for its approval.

Amendment: Creed Pogue made an amendment: to add on page 13, line 6: "Be it resolved that no sale of property in Belmar, NJ without vote of Annual Conference." Bishop informed conference that the property has already been sold, so an amendment is moot.

Amendment: Gyuchang Sim attempted to make an amendment, but he was having technical difficulties. Bishop stated we will go back to his amendment at a later time.

After no further discussion, The motion passed as presented.

Rev. Isabel Quezada presented the Conference Advanced Specials Report and made a motion for its approval. The motion passed.

The motion passed.

The motion to sell Camp Aldersgate passed.

DAILY PROCEEDINGS

Service of Remembrance

The service opened with Lan Wilson and the Conference praise band singing "What a Wonderful Name It Is."

Rev. William M. Williams, III led the Call to Worship and Opening Prayer. The scripture, Hebrews 12:1-2 and Joshua 1:9 was read by Rev. Eunice Vega-Perez who gave the message.

Rev. Vega-Perez began by comparing scripture to Channel 7 Eyewitness News, stating that we have eye-witness news through the scripture as well. The phrase, 'great cloud of witnesses,' in Biblical times referred to those who were in the high seats in a stadium – being up in the clouds. She went on to praise the great cloud of witnesses of those from our Conference and how they influenced us. For Rev. Vega-Perez, her mom witnessed to her the love of Jesus Christ for her clearly.

Rev. Vega-Perez reminded us that we are in a race, the race of life, and she reminded us that we do not run this race alone; we have a great cloud of witnesses with us. She spoke of a friend who ran an obstacle race and how he felt, facing the final obstacle and wanting to quit but, how seeing all the racers waiting at the finish line, cheering him on, he found what he needed within himself to finish the race. The saints who have gone before us are like those racers, cheering us on in this race called life.

DAILY PROCEEDINGS

Order of the Day

A Journey of Hope Plan

Rev. Kay Dubuisson presented A Journey of Hope Plan and its impact.

She led a panel discussion with members of A Journey of Hope team. The first question of “Why this mission is important?” was answered by Rev. Samuel Arroyo. He stated that when we consider what has happened to George Floyd and Breonna Taylor and to other People of Color, we must acknowledge that racism is in our country and also in our Conference. Rev. William M. Williams, III explained how A Journey of Hope is a document that shows the commitment that our Conference is taking against racism.

Ingris Simpson spoke of what she learned by being a part of this team. She spoke of how the model of listening, without interrupting, is an excellent model to help bring change.

Judy Colorado spoke of what leaders should do to help end racism. The first thing is to live courageously, then to have congregations hold conversations and have people listen to one another.

Joyce Williams encouraged congregations to include young people in these conversations, to get them included in the solution.

Vanessa Wilson encouraged church leaders to call racism a sin from the pulpit; to help their congregations understand what racism is and make suggestions to help the church end racism. She also encouraged congregations to go out in their community to teach people there.

Natalie Palacio spoke about how protests without programs are futile and won't get us anywhere. She talked of how we are at a time of transitions and should not put this off to the next generation.

Grant Karsner spoke of how important it is to live out the call to love everyone, accepting diversity as the blessing of God it is.

Rev. Dubuisson moved the legislation for A Journey of Hope.

Amendment: Heather Valosin move to amend page 25, line 36: “Engage with other faith communities and local organizations, meet with local law enforcement, elected leadership and justice departments to influence policies, practices and laws that are equitable, unbiased and work to end racism. Ongoing – assigned to lead pastors. The amendment was accepted by the motion's presenter.

Amendment: Gyuchang Sim moved to amend by inserting between lines 43 and 44 on page 24: “At least 50% of the GNJ staff are people of color by June 2022” and inserting a sentence between line 1 and 2 on page 25 as a letter head “A. Increase the number of Afro-American/Black, Hispanic to 25 by June of 2022.”

Bishop Schol explained the amendment was out of order because hiring staff follows human resource policies and includes using resources of outside employment firms. He assured the Conference that they take into consideration People of Color and gender very seriously when filling staff positions.

Amendment: Rev. Debra Whitman moved to amend by adding to page 24-25: “Make training materials used in the process of ending racism available to all clergy, so that those, who are not experiencing appointment change (p. 25: Section 2 Leadership Subsection Action item a), who are not in the 200 people trained (p. 25: Section 2 Leadership heading Measures item f), or who will not pastor one of the 150 congregations developing and engaging in A Journey of Hope training opportunities (p. 24: Section 1 Resources preamble), can have the same access to and be able to freely use the materials for self-transformation and in providing education in their respective charges.”

Rev. Dubuisson accepted the amendment and informed the conference that this is already planned, except for copyright material.

Amendment: Rev. Whitman moved to amend and state in the document: “Seek out and help congregations that have experienced harm in cross cultural appointments.” Rev. Dubuisson accepted the amendment.

DAILY PROCEEDINGS

Amendment: Rev. Whitman moved to amend by adding to page 25, add Line 33: “To address the issue of intersectionality for persons who experience discrimination because of their ethnicity as well as persons of other marginalized categories, such as women, physical ability, sexual orientation, age, etc.” The amendment was seconded. The amendment passed.

Amendment: Rev. Whitman move to amend by adding to page 26 C: “Review all current Conference training materials to ensure that ending racism is included and bias, explicit and implicit, are not present in the material.” Rev. Dubuisson accepted the amendment.

Amendment: Rev. Whitman moved to amend by adding to page 28, line 2: “Sharing about the roadblocks encountered in the work to accomplish A Journey of Hope’s goal of ending racism and when solutions have been found, sharing those solutions with the entire GNJ AC.” Rev. Dubuisson accepted the amendment.

Amendment: Rev. Drew Dyson moved to amend by inserting on page 24, following line 3, following the first “Therefore” clause: “Further be it resolved that the herein named Journey of Hope Team, with others named to the team by the bishop so long as a majority of the team remains comprised of black and African American persons and no less than 75% of the team is comprised of persons of color, shall oversee and have decision-making authority over all grants, consultancies, cultural competency trainings, curriculum development created by this legislation.” Also, insert on page 14, 2nd sentence under Accountability and Honoring Progress – following the words “Each year,”: “the Journey of Hope team in consultation with” the executive staff leadership.” The amendment was seconded. The conference voted in favor of the amendment.

Amendment: Rev. Tom Lank moved to amend page 26, line 23, to add “c. Shift conference funds into financial institutions owned by People of Color and privilege lenders of color in our borrowing.” The amendment was seconded.

Motion: Rev. Dubuisson moved to refer the amendment to CFA. The referral was seconded, and the conference voted to refer the amendment to CFA.

Amendment: Myung Sun Han moved to amend page 28, line 32 to add on Accountability and Honoring Process: “We recognize that the makeup of the Journey of Hope team and its legislation do not sufficiently reflect the racism that Asian-Americans, notably, Koreans and Korean-Americans, experience. In executing this plan, we pledge that we include the racism that Asian-Americans experience and strive to make a racial justice for all ethnic minority people.” The amendment was seconded. The amendment was voted on and passed.

Referral: Rev. Dennis Blackwell moved to refer the entire legislation back to the Connectional Table in consultation with experts and bring their findings back to the Conference. The referral was seconded by Creed Pogue. The motion was voted on and the conference voted not to refer the legislation.

Because the conference was at the time of adjournment, Bishop Schol requested a motion to continue Conference until 1:00. The conference approved the motion to continue to 1:00 p.m.

Motion: After further discussion, a motion was made for a call for the question of all that is before the body. The motion passed by the necessary two-thirds vote by the conference.

Rev. Dubuisson spoke in favor of A Journey of Hope legislation. Bishop called for a vote on the entire legislation. The legislation passed with the accepted and approved amendments in a vote of 408-88.

Bishop Schol explained that, due to COVID-19 guideline considerations, a representative from each class was present to accept the mantle. This year, the special mantle used was the stole worn by District Superintendent, Rev. Myrna Bethke. The representative for the retirees, Rev. Federico A. Quezada, passed the stole to Rev. Seunghyun Lee, representing the newly ordained. Rev. Lee in turn passed the mantle to Rev. Rachel Callender, a member of the newly commissioned class. Local pastors received the mantle by their representative, Rev. Teaira Parker. Rosa Williams represented the Certified Lay Ministers, Certified Lay Servants and Lay Servants in receiving the stole.

The Bishop ended this service with a thank you to all called to serve God and the local churches.

Bishop Schol began the Reading of Appointments by welcoming Rev. William M. Williams, III as the newly installed District Superintendent of the Gateway North District. The district superintendents read the new appointments in their districts. Bishop Schol fixed these appointments in the name of our Creator, Redeemer, and Sustainer.

LEGISLATION

Budget and Shared Ministries Plan

Bob Dietz presented the Budget and Shared Ministries Plan. He thanked the members of Council for Finance and Administration for their time and efforts. He celebrated the career of John Cardillo who retired on July 1, 2020 and welcomed Rob Zuckerman, as treasurer and chief financial officer. Mr. Zuckerman explained the new budget. Visanth Victor presented the budget in its new format, showing the GNJ income and expenses separately from the General Church apportionments. He explained that the Shared Ministry apportionment to congregations would remain at 15.2% for 2021. He also noted two new spending items: \$700,000 for the newly accepted legislation, A Journey of Hope, and \$400,000 to Drew University.

Rev. Nova Villa Vitug-Thomas offered a prayer as we began to discuss the budget.

2020 AC Journal, Daily Proceedings page 162

Bob Dietz further explained the budget and answered questions before moving the budget and shared ministries plan. Point of Order by Gyuchang Sim to add the following amendment:

A motion was made for an amendment to the budget by Gyuchang Sim to reduce the line item for Drew School of Theology to \$40,000. It was seconded. After discussion, there was a call for the question on all that was before the conference. The call for the question passed. The amendment was voted on by the conference and it did not pass.

Question of Law

Bishop Schol explained that Gyuchang Sim had submitted legislation, an amendment to the Trustees report and Questions of Law, and all were related to nepotism as referred to in the Pre-Conference Workbook, page 40.

The conference secretary read the following Question of Law from Mr. Sim:

“In reference to the resolutions “Trustees Enabling Resolutions” and “Church Closures”, what is the constitutionality, application, meaning, and effect of BOD paragraph 2506.1. and 2702.1.c. in the case of acquiring the property of closing church, the First UMC of Belmar, by the resident bishop who has to approve “to sell, transfer, lease or convey any real or personal property for such price and at such time” that is in violation of the federal, state, and local laws as conflicts of interest?

Further, what is the constitutionality, application, meaning, and effect of BOD paragraph 2506.1. and 2702.1.c. in the case of closing of the First UMC of Belmar with a scheme of acquiring the property by the resident bishop who has to approve “to sell, transfer, lease or convey any real or personal property for such price and such time” that is in violation of the federal, state, and local law as conflicts of interest?

Further, what is the constitutionality, application, meaning, and effect of BOD paragraph 2512.6 in the case of the procedure of any and all transaction of the residence of the resident bishop of the GNJUMC at the property of the Belmar UMC, that the board of trustees has not been disclosed to or approved by the GNJAC as mandated by the paragraph 2512.6?”

Discussion followed to ascertain if this was a Question of Law or a call for a declaratory decision. Following an explanation by GNJ Chancellor Lynn Caterson, which in part stated that the Book of Discipline says that one person cannot submit a request for declaratory decision and that declaratory decisions can only be presented on matters that have already been discussed, Bishop Schol stated that these were not questions of law but requests for declaratory decision which a bishop may not rule on and therefore ruled them out of order. But Bishop Schol shared his personal story surrounding the Belmar property and then provided the opportunity to vote on them as requests for declaratory decisions and send them to the judicial council. Bishop Schol gave Mr. Sim the opportunity to speak to the matter. The conference then voted and did not approve sending them to the judicial council in a vote of 129-400.

Board of Pension Report

Bill Wilson presented the Pension and Health Benefits report for approval. He informed the Conference of editorial corrections before the vote. The conference voted and approved the report.

Motion: A motion was made to extend Annual Conference time after the Ordination Service. The motion passed.

Video

A video thanking all involved in the organization and execution of the Conference was shown.

ORDINATION SERVICE WITH COMMISSIONING AND CONSECRATION

The Service of Ordination began with a hymn, “All Hail the Power of Jesus Name,” and the Praise Team led the conference in the song, “Jesus, We Love You.”

DAILY PROCEEDINGS

Commissioned:

Deaconess:

Kimberly Bruce

Candidate as a Missionary:

Sung Il Lee (Fiji)

Lan Wilson and the Conference Praise Band led the Conference in the song of preparation: "Worth Fighting For."

1 Chronicles 28:20 was read by three Conference youth: Once in English, once in Spanish and once in Korean.

Before Bishop Schol began his sermon, he recognized the challenging times we are in with hurricanes, wildfires, racism, and a pandemic. He reminded us that it is a time for grace. It is a time to honor both science and faith. When we wear masks, we honor science. We honor God by listening to the science. It is so important for us all to be a model – wearing a mask says, "I care about you!"

Bishop spoke about the Conference's theme, Courage, how David said to his son, "Have courage and do the work!" Bishop stated that there are 366 passages in the Bible that say: 'Fear Not.' We are to have courage. There can be no courage without fear. He talked about the courage of David. The one thing David wanted to add to his resume was to build a Temple, but since he was warrior, God didn't want a warrior to build the Temple. This was left to Solomon. This is when David said to Solomon – 'Have courage and do the work!' This is needed for today. He shared, we need to have courage to do the work, but with that, there must be fear. Fear is the recognition that we cannot do this alone. Those being commissioned and ordained today, embrace your fears! He shared how he had a fear of public speaking when he was young and how he had to face that fear and work at it. Fear helps us to see that we don't have all that we need, and we need to wait for God to act. Embrace your fears and see them as a gift from God. When you do this, you can step into the future with courage knowing God is with you in the midst of your greatest challenges.

Bishop Schol said, "The second thing we need is resiliency. Like a stress ball that gets squeezed but goes back to its original shape, this is how we need to be, especially during the pandemic. It's easy to give up, but when we get forced and squeezed, we live into resiliency to grow even more into who God created them to be." He stated that we are not back going back, we have to move forward because there are new people online worshipping with us and enjoying it.

Bishop shared four prayers he uses to grow in courage and resiliency:

1. Lord have mercy on me because I am a sinner.
2. Bless me God, so that I may be a blessing to others.
3. Let me do no harm.
4. Not my will but God's will.

He explained that by constantly praying these prayers, he knows his courage doesn't come from within but from God. He encouraged everyone to find what gives you courage and resiliency, especially during these challenging times.

The candidates for Commissioning were presented.

Bishop Schol asked the candidates the questions for serving faithfully in the church. He then led the prayer for Commissioning.

Moment of Privilege

Bishop Schol addresses the issue of racism in our country. He shared that racism is a sin, and we should all work together to end the sin of racism. Closed Churches – Unfunded Liabilities Priority of Monies from Closed Churches for Retiree Health Care Rev. Bob Costello spoke about the two resolutions he presented, 'Closed Churches – Unfunded Liabilities' and 'Priority of Monies from Closed Churches for Retiree Health Care' and why he feels retiree health insurance is important. He expressed his trust in CF&A and withdrew his legislation.

Question of Law

Gyuchang Sim submitted a Question of Law as it relates to the Nepotism Resolution.

The conference secretary read the following Question of Law form Mr. Sim:

"Question of Law on nepotism. In reference to the resolution of Nepotism in the preconference booklet, what is the application, meaning and effect of BOD paragraph 2702.1.c. in the case of the employment of the resident bishop's spouse at A Future with Hope, Nehemiah Properties, and the GNJ conference office where the bishop has a direct supervision to the positions of the organizations as a CEO of the GNJUMC and/or a trustee of the organizations such that is in violation of the federal, state, and local laws as conflicts of interest and/or nepotism?"

Further, what is the application meaning and effect of BOD paragraph 2702.1.c. in the case of appointing a son of the resident bishop, to the Christ Church Jersey City, which the GNJUMC has approved its redevelopment of the church property by the Nehemiah Properties, where the spouse of the resident bishop was hired and served as a director, and the resident bishop who supervises the business of such projects in the GNJUMC as a CEO.

Further, what is the application, meaning and effect of BOD paragraph 2702.1.c. in the case of employment of a daughter-in-law of the resident bishop as a director at the Drew School of Theology where the resident bishop of the GNJUMC is a trustee and has a privilege to recommend up to three trustees every year to the university board of trustees and the employment of trustee's family member is in violation of the bylaws of the university, the article II and section 4, as conflicts of interest and in violation of the federal, state, and local laws as conflicts of interest and/or nepotism?"

Bishop Schol said this will be processed according to the Book of Discipline.

Black Lives Matter Legislation

Bishop Schol realized we had not taken a final vote on the Black Lives Matter Legislation. The Conference voted, and it was passed in a vote of 372-34.

Motion to Extend the Session

A motion was made to extend the ending time of Conference to 2:30 p.m. to complete the work of Conference. It was seconded. The conference voted and the motion passed.

Nepotism Resolution

Gyuchang Sim presented his Nepotism Resolution and moved for its acceptance. It was seconded. The conference voted, and it did not pass.

CLOSING

Bishop Schol gave thanks for all who participated in Annual Conference. He thanked Rosa Williams, the Conference Lay Leader, for her years of service and Bob Dietz for his dedicated work to CFA as both had finished their terms.

Following up on the Question of Law submitted earlier by Mr. Sim, Bishop Schol said it was determined to be out of order as it was already resolved earlier in the session.

He adjourned the meeting saying, "Leave as friends in Christ with a renewed mission for what God has in mind for us." Bishop closed with prayer.

- 33) Tabling Related Motions** – No motion that adheres to another motion or has another motion adhering to it can be laid on the table by itself. If they are laid on the table, such motions carry with them the motions to which they respectively adhere or which adhere to them.
- 34) Motions After Speaking on a Pending Question**
- a) A member may make a motion after a speech, although strict parliamentary practice requires motion to be made and seconded before a speech is made so the Conference may determine if it wishes to hear the matter.

- 40) Amendments and Substitutions** –

When the main motion has been perfected, the Chair shall state the question on the substitute. If the substitute is adopted, it shall replace the original main motion and become the main motion. If the substitute does not carry, the Chair shall state the question on the original main motion as it has been perfected.
- 41) Order of Amendments** – When a main motion, report or resolution is under consideration, only one amendment and one amendment to that amendment are permissible. While there can be only one amendment of each degree pending at the same time, any number of amendments can be offered in succession. A substitute and one amendment to the substitute may be offered while amendments of the first and second degree are pending. The permissive order then is: 1) main motion, 2) amendment, 3) amendment to the amendment, 4) substitute, and 5) amendment to the substitute. The voting in this order is 3, 2, 5, 4, 1. If the substitute becomes the main motion, it shall be treated as such.

- 44) Method of Voting** – Voting shall be by voice vote and/or show of hands, or by standing count (provided that in such a count those who cannot stand may vote by raising hands), or by ballot, at the discretion of the Presiding Officer, unless otherwise ordered by the Conference. It shall be in order for any member to call for a vote by count on any question before the Conference, and, if the call be sustained by one-third (1/3) of the members present and voting, a vote shall be taken as called for.

If the committee fails to elect such a representative, the chairperson may designate a member to represent the committee.

RULES OF ORDER

reading. Upon adoption of a motion to close nominations, the Chairperson of the Committee on Nominations shall move the election of all nominees whose elections are uncontested.

- b) When the number of persons nominated exceeds the vacancies on an agency or when more than one person is nominated for a specific office, there shall be a secret ballot listing only those persons where a contest exists. The ballot will be taken at a time subsequent to the election in a) above. The ballot shall be distributed, collected, and tallied by tellers selected by the Conference Secretary, who shall report the results listing only those elected. Election shall be by a majority of those voting. Lacking a majority, there shall be another ballot listing only those receiving 25% or more of the votes.

59) Quadrennial Agencies -

- a) An elected member of a conference or district committee, board or agency shall be eligible for not more than two consecutive four year terms unless specified otherwise in the Book of Discipline. Service of two years or more in filling an unexpired or vacated position shall be counted as a full four-year term. For this purpose, annual conference to annual conference shall be considered one year, regardless of the actual dates of the conferences.
- b) Persons elected by the Annual Conference to serve in an affiliated organization* may serve in accord with the by-laws of the organization in which they are elected to serve, except that no term of office may exceed five years. All persons elected or reelected to serve in an affiliated organization shall be elected in accord with the Annual Conference rules on nomination and election.

*An affiliated organization is one that wishes to maintain a connectional relationship with the United Methodist Church through the Greater New Jersey Annual Conference.

- c) Members of the Annual Conference who are voting members of a general agency shall serve as ex-officio (with vote) members of the corresponding annual conference agency or its equivalent structure (§§610.6, 710.4 and 710.6).

60) Quorum – The members present and voting at any duly announced meeting of a Conference agency, board, commission, committee, council, or team shall constitute a quorum.

61) Limitations of Service – No person shall be elected to more than two conference agencies, boards, commissions, committees, councils, or teams, except for persons who are ex-officio members by virtue of an office or as a member of a general agency.

62) District Superintendent Voting – A District Superintendent regularly assigned to any Conference agency by the Cabinet shall have a vote in that agency and shall be the only District Superintendent who shall have the right to vote in such agency, except where the Discipline provides otherwise.

VII PETITIONS AND ELECTIONS TO GENERAL AND JURISDICTIONAL CONFERENCE

63) Petitions to General Conference – All petitions to General Conference shall be presented as prescribed in ¶ 507 of the Discipline. Petitions for endorsement by the Annual Conference to General Conference will only be considered in the year in which General Conference delegates will be elected.

64) Nominations – In a year in which elections to the General and Jurisdictional Conferences are to be held, the Conference Secretary shall open nominations for lay and clergy delegates on December 15 and nominations will be closed on February 15. An individual who desires to be a delegate shall download and complete a candidacy nominations form from the web page. On the bottom of nominations for Lay Delegates shall be the names of two Lay Members of the Annual Conference who endorse the nomination of the candidate. On the bottom of nominations for Clergy Delegates shall be the names of two Clergy Members who are eligible to vote for such delegates, and who endorse the nomination of the candidate.

- a) Nominees may address their respective sessions for no more than one minute each, provided that no more than forty five minutes shall be allotted for speeches. If more than 45 lay persons or clergy persons are nominated, the allowed times for individual speeches will be adjusted accordingly. No speeches regarding nominees will be in order after the original time allotted for such speeches.

65) Balloting – The Conference Secretary shall announce the number of clergy delegates to be elected. A like number of lay delegates will be elected.

- a) The time of initial balloting shall be set by the agenda committee.
- b) Balloting shall be by electronic or mechanical means.
- c) The Secretary shall announce a Chief Clergy Teller and a Chief Lay Teller, and two lists each of clergy and lay assistants.

RULES OF ORDER

- 66) Voting** – All members, lay and clergy, must be within the bar of the Conference to be eligible to vote.
- a) Before each ballot, the President shall announce the number of delegates each ballot shall elect. To be effective, a ballot must list the exact number of names of lay or clergy delegates to be elected.
 - b) The intent of the voter shall be allowed regardless of mistakes in spelling.
 - c) Where there is more than one member with the same family name, the Christian name or identifying initials shall precede the family name.
 - d) A majority of valid votes cast shall be necessary for election, except on the ballot to elect reserve delegates pursuant to Rule 68.
 - e) Only those nominated are eligible for election. If a ballot lists someone who has not been nominated, the ballot will be disqualified.
- 67) Counting and Reporting** –
- a) After a ballot has been counted, the chief teller, either clergy or lay, shall furnish a written report to the bishop, which shall contain (a) the number of ballots cast; (b) the number of ballots not valid; (c) the number of valid ballots counted; (d) the number of ballots necessary to elect; and (e) the list of names of persons voted for, including the number of votes received by each. The results will be disclosed or displayed before the next ballot is taken.
 - b) Minimum Votes. On the first ballot for both General Conference and the jurisdictional conference, the presiding officer shall read or distribute all names receiving 5 or more votes, together with the number of votes cast for each. Thereafter, the minimum number of votes received to be included in the next ballot shall be increased by five for each delegate elected (that is, on the first ballot a minimum of 5 votes to be included in the next ballot; after the election of the first delegate, a minimum of 10 votes to be included in the next ballot; after the election of the second delegate, a minimum of 15 votes, etc.). After the ballot in which the last delegate is elected to the General Conference, all the names that were originally nominated are available for election to Jurisdictional conference. Those elected to General Conference will not be listed.
 - c) If necessary, another ballot shall be taken in like manner, and so on, until the proper number of delegates has been chosen.
- 68) Qualifications** –
- a) Clergy Delegates – The Discipline, ¶ 35 (Article IV), permits any active or retired member of the Annual Conference in full connection to be eligible for election to the General or Jurisdictional Conferences.
 - b) Lay Delegates - The Discipline, ¶ 36 (Article V), asserts that lay delegates shall be elected “without regard to age, provided that such delegates shall have been professing members of the United Methodist Church for at least two years next preceding their election, and shall have been active participants in the United Methodist church for at least four years next preceding their election, and are members thereof within the Annual Conference electing them at the time of holding the General and Jurisdictional Conferences.”
- 69) Reserve Delegates** – After the authorized numbers of delegates have been elected, 3 clergy and 3 lay reserve delegates shall be elected on a single ballot, with the 3 persons receiving the greatest number of votes in each category being elected in the order of the number of votes received.

VIII CONCERNING FINANCIAL OPERATIONS

- 70) Budget** – The Annual Conference shall adopt at each Annual Session a budget for each of the following: Clergy Support, Administrative Costs of the Annual Conference, World Service, Conference Benevolences, and other Apportioned Funds. These budgets become effective for the fiscal year beginning on January 1st following the session. Apportionments of these budgets shall be sent to the several churches as soon after the session as is feasible.
- 71) Apportionments** – The Conference Shared Ministry Budget shall be apportioned annually among the churches of the Conference according to a formula recommended by the Conference Council on Finance and Administration and adopted by the Annual Conference. Following adoption, the formula will remain in effect until such time as changes are recommended by the CF&A and adopted by the Annual Conference. The formula shall be outlined on a Shared Ministry data sheet, which shall be distributed to the churches as soon as practical after the end of each year’s annual conference, but in no event later than the end of the fiscal year.
- 72) Prior Action by Council on Finance and Administration** – Every motion, recommendation, resolution, or other legislative act having to do with budgeting, apportionments, allotments, or expenditure of funds shall

RULES OF ORDER

first be submitted to the Council on Finance and Administration. After adequate time is allowed for investigation and study, the council shall report its recommendation to the Conference. This report shall be received before such legislation may be acted upon by the Annual Conference.

- a) No agency or member of the Conference shall commit the Conference financially for the support of programs within or beyond the Greater New Jersey Annual Conference without first obtaining the approval of the Annual Conference after study and recommendation of the Council on Finance and Administration, and not until funds are available or have been allocated to meet such commitments.
- b) Any person or agency requesting an emergency offering should contact one of the Team Coordinators, who will present the matter to the Cabinet and the Council on Finance and Administration. Any funds received as a result of such an offering will be held by the treasurer and administered by a task force established by the Cabinet for that particular appeal.

73) Time Limit on Submitting Budget Requests –

- a) Requests for inclusion of an item in the Clergy Support Budget and/or the Administrative Costs of the Annual Conference Budget to be acted on by an Annual Conference shall be submitted to the Treasurer's office by the third Monday of January preceding the date of the Annual Conference, except in cases of unavoidable emergency.
- b) Requests for inclusion of an item in the World Service Budget and/or the Conference Benevolences Budget to be acted on by an Annual Conference shall be submitted to the Connectional Table by January 15 preceding the date of the Annual Conference, except in cases of unavoidable emergency.

74) Amending Allotments – An agency shall not attempt to amend its allotment in a proposed budget submitted to an Annual Conference unless it has previously presented an appeal to the Council on Finance and Administration at a meeting held preceding the date of the Conference.

75) Increased Asking by Amendment – In amending a proposed budget on the floor of the Annual Conference, no item shall be increased above the amount originally requested by the responsible agency in its asking to the Council on Finance and Administration, except when the consent of both the agency and the Council on Finance and Administration has been obtained.

76) Proper Use of Budgeted Funds – No agency of the Conference shall spend budgeted funds for any purpose other than the general purpose for which the funds were originally requested, unless the consent of the Council on Finance and Administration and the Ministries Team has been obtained for such a reallocation. An expenditure item shall be budgeted for the year when it is expected to be spent, and it shall be spent only in the year for which it is budgeted. When uncontrollable circumstances warrant, an emergency request may be directed through the Ministries Team to the Council on Finance and Administration for a budget adjustment.

77) Financial Appeals to the Churches – Any agency planning to send a communication or appeal to the churches requesting contributions to any agency or fund shall first submit its proposed communication or appeal to the Council on Finance and Administration. The Council shall ascertain if the procedure is in accord with existing legislation and shall make certain that remitting instructions are correct. Any contribution received by the Conference Treasurer in response to a communication which has not been cleared as herein provided shall be credited automatically to World Service and Conference Benevolences through the remitting church.

78) Customary Draft – When presented and endorsed, the customary draft from the United Methodist Publishing House shall be turned over to the Conference Treasurer for pensions for clergy of the central conferences.

79) Bonding – All persons who hold or disburse conference funds shall be bonded in such amounts as may be deemed wise by the Council on Finance and Administration.

80) Fiscal Year – The fiscal year shall coincide with the calendar year unless another fiscal year is designated by the Conference Treasurer after approval by the Conference. All payments to be credited to a given fiscal year shall be in the hands of the Conference Treasurer not later than the following January 20th. All local church financial reports shall be forwarded to the Conference Treasurer by a deadline to be announced annually.

81) Audit – The Council on Finance and Administration shall be responsible for arranging that a Certified Public Accountant shall audit the accounts of the Annual Conference. The Council on Finance and Administration shall publish a statement of Certification of each audit in the Journal.

RULES OF ORDER

IX CONSENT CALENDAR

82) Consent Calendar –

- a) The Conference Agenda Committee may present to the Annual Conference a proposed consent calendar, including those items which the Annual Conference may approve with one vote of approval by the Conference membership.
- b) A written list of items on the consent calendar, including the name of the motion, name of the author, and page number in the Pre-Conference Workbook will be presented to all members of the Conference upon check-in at the Conference session.
- c) The consent calendar list will include a space where Conference members may check any item(s) which they would like to see removed from the consent calendar.
- d) To vote to remove an item from the consent calendar, Conference members must:
 - i. Check the item(s) they wish to see removed from the list, or
 - ii. Write in an item which has been added subsequently by Conference action.
 - iii. Print his or her name and church on the list and sign the list.
 - iv. Bring the list to the Conference Secretary's table and give the list to the Conference Secretary or one of the Assistant Secretaries.
- e) If any item on the consent calendar receives ten (10) or more such votes in favor of removing it from the consent calendar, that item will be removed and placed on the Conference agenda by the Agenda Committee.
- f) All requests for items to be removed from the consent calendar shall be delivered to the Conference Secretary as early as possible, but no requests will be received within the last twenty-four (24) hours before the stated time of adjournment of the Conference session. During this last twenty-four (24) hour period, items may only be removed from the consent calendar by a $\frac{3}{4}$ vote of the Conference.

X NOMINATION OF EPISCOPAL CANDIDATES

83) Nomination of Episcopal Candidates - The procedure for nomination of Episcopal Candidates to the Jurisdictional Conference as permitted by ¶405 of the Book of Discipline shall be as follows:

- a) In a year in which one or more Episcopal Candidates are to be nominated by the Annual Conference, the Conference Secretary shall provide for the receiving of nominations until the deadline for submission of proposed legislation for that year's annual conference. Each proposed nomination shall be submitted on one side of an 8 1/2 by 11 inch sheet of paper or by electronic means designated by the Conference Secretary. Only eligible persons may be nominated. The Bishop shall, before the ballot is taken, remind the Annual Conference of the eligibility requirements for election to the office of the episcopacy.
- b) The Jurisdictional Conference delegates (acting as a group) shall have the privilege to speak to the Annual Conference on behalf of the person(s) they have endorsed for nomination to the episcopacy (provided they have submitted such nomination in the manner described in Rule 82(a) above). If no other nominations have been submitted as indicated in Rule 82(a) above, the Bishop shall call for a vote of the body. A majority vote will be sufficient for this person (these persons) to be recognized as the episcopal nominee(s) of the Annual Conference.
- c) If there are additional nominations submitted in accordance with Rule 82(a) above, the Bishop shall call for a written or electronic ballot following this procedure.
 - i. Nominees may each give a three minute speech. There shall be no seconding speeches.
 - ii. If any ballot contains the name of an ineligible person, that name shall not be tallied, but other names on the ballot shall be tallied.
 - iii. Conference members may vote for one such nominated individual. An individual must receive 60% of those voting to be nominated by the Annual Conference. If an individual does not receive 60% of the vote by the fifth ballot there will be no nominee. If someone is nominated, the conference will take up to three ballots to see if a second person is nominated. If no one receives 60% of the vote by the third ballot there will not be a second nominee. Those who do not wish to see anyone nominated may so indicate that desire on their ballots (in the manner prescribed by the Conference Secretary) and the ballot shall be counted as cast.

RULES OF ORDER

- d) Only the persons selected in the foregoing manner shall be deemed Nominees of the Greater New Jersey Annual Conference.
- e) This procedure shall not foreclose efforts by individuals or groups in the Annual Conference to promote the candidacy for the episcopacy of other persons.

XI RULES OF ORDER RESOLUTIONS

84) Resolutions to Change the Rules of Order –

- a) Any resolution or proposed change, by addition or deletion to the Rules of Order, with the exception of *Concerning Financial Operations*, shall first be referred to the Committee on Rules of Order for its recommendation. The Committee shall submit its recommendation to the body prior to any action by the body. The initiator of any proposed change to be included in the Pre-conference mailing shall at the same time submit a copy of said proposed change to the chairperson of the Committee on Rules of Order. The Rules Committee may request a meeting with the initiator prior to the convening of the Annual Conference.
- b) If the change is proposed at the site of the Annual Conference, it shall be referred to the Committee on Rules of Order and a report to the body will be made no later than the next plenary session.

XII HOLY CONFERENCING PROCEDURE FOR CERTAIN GENERAL CONFERENCE PETITIONS

85) A procedure to facilitate holy conferencing shall be used, at the Bishop's discretion, to discuss petitions to General Conference regarding issues related to human sexuality or such other issues that would benefit from the same procedure.

A special order of the day will be established to provide for holy conferencing. The special order of the day shall proceed as follows:

- i. Representatives of the two primary positions selected by the Bishop will each make a twenty-minute presentation.
- ii. Upon conclusion of the opening presentations, the Bishop shall bring the Conference into silent prayer for two minutes.
- iii. Then ten minutes will be provided for delegates to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
- iv. The Bishop will then call the Conference to order. Delegates will then have the opportunity to share their thoughts with the Conference. The Bishop shall establish a total amount of time for discussion, not to exceed sixty minutes. No member may speak longer than two minutes. All speakers will be notified when ten seconds remain of their time. The speaker will be allowed to finish a sentence at the expiration of allotted time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until the total allotted minutes have elapsed or everyone who wished to be recognized had an opportunity to speak, whichever comes first. No subsidiary privileged or incidental motions will be in order during this time of discussion.
- v. The regular business of the Conference will then resume.

At a previously noted time during plenary session on the following session day, the petitions will be voted upon by secret written ballot. Thirty minutes will be allotted for this vote. No debate or motions will be in order at this time.

XII HOLY CONFERENCING PROCEDURE FOR PROPOSED CONSTITUTIONAL AMENDMENTS

86) A procedure to facilitate holy conferencing shall be used at the Bishop's discretion to discuss proposed Constitutional amendments coming from the General Conference.

A special order of the day may be established to provide for holy conferencing. The special order of the day shall proceed as follows:

- i. The co-chairs of the delegation to General Conference will present the proposed amendments to the Conference in a fifteen-minute presentation.
- ii. Upon conclusion of the opening presentation, the Bishop shall bring the Conference into silent prayer for two minutes.

RULES OF ORDER

- iii. Then up to ten minutes will be provided for members to share what they heard with their fellow Christians seated to their immediate left and right. This is not a time for debate, but rather to listen to what their neighbors heard.
- iv. The Bishop will then call the Conference to order. Members will then have the opportunity to share their thoughts with the Conference. Sixty minutes will be allotted for this. No member may speak longer than two minutes. Each speaker will be notified when ten seconds remains of their time. The speaker will be allowed to finish a sentence at the expiration of their time. Then, that microphone will be cut off and the next speaker will be recognized. This will continue until sixty minutes have elapsed or everyone who wishes to speak has been recognized whichever comes first. No changes are permitted to be made to Constitutional amendments.
- v. The regular business of the Conference will then resume.

At a previously noted time during a subsequent plenary session, the amendments will be voted upon by secret ballot. Members will be able to vote in favor of or against each individual amendment. If a member wishes to abstain, the member will leave the ballot blank for that particular amendment.

Should any of the foregoing Rules of the Greater New Jersey Annual Conference be in conflict with the provisions of the current Book of Discipline, then the provisions of the Discipline shall take precedence.

indebtedness and all other securities, corporate or otherwise, now or hereafter standing in the name or owned by this Corporation and to make, execute and deliver, any property to effectuate the authority hereby conferred; and

Be it further resolved that whenever there shall be annexed to any instrument of assignment and transfer, executed pursuant to and in accordance with the foregoing resolution, a certificate of Secretary or of an Assistant Secretary of this Corporation in the office at the date of such certificate shall set forth these resolutions and shall state that these resolutions are in full force and effect, then all persons to whom such instrument with the annexed certificate shall thereafter come, shall be entitled, without further inquiry or investigation and regardless of the date of such certificate, to assume and to act in reliance upon the assumptions that the shares of stock or other securities named in such instrument were therefore duly and properly transferred, endorsed, sold, assigned, set over and delivered by this Corporation, and that with respect to such securities the authority of these resolutions and of such officers is still in full force and effect; and

Conference Advance Specials

Be it resolved that the 2020 Session of the Greater New Jersey Conference designates the following ministries and institutions as Conference Advance Specials for the 2021 conference year (without restricting in anyway a local church's ability to support other mission work):

Be it further resolved that the Executive Committee of the Connectional Table be authorized to make any additions and deletions to the Conference Advance Specials list based upon recommendations of the Conference Board of Global Ministries.

C.A.M.P. YDP (Community Association with a Ministry to People Youth Development Program) provides pre-school, after-school and summer programs for children aged 5 - 14 and their families, mainly on the north side of Paterson. The program runs throughout the year. As an organization, we are committed to work as a "partner" within the community. A stimulating and nurturing environment is provided. Total care is available as well when schools are not in session with transportation available to pick up children from certain schools.

Centenary Fund/Preachers Aid Fund supports retired clergy and spouses.

Christian Outreach Project provides no-cost home repairs to persons in need in the northwest area of our Conference. Participants are made up of high school youth and adult volunteers. In addition to home repairs, participants engage in morning devotionals, singing, worship services and recreational activities.

CUMAC/ECHO works to alleviate hunger and its root causes for those in need in Paterson, Passaic County, and northern NJ. CUMAC has a Pantry feeding 3,000+ monthly. Our Depot warehouses over 2 million pounds of food annually for a network of about 40 partner feeding programs. This Community Food Coalition (CFC) distributes food while also screening clients for member pantries. We advocate at the local and state level on behalf of CFC clients. CUMAC also has a Community Closet that offers clothing & household items; Pathways to Work imparts job skills and hands-on experience; Place of Promise is a supportive housing program for chronically homeless individuals; and our seasonal projects for school supplies, holiday gifts and other items for area children in need. All our programs rely heavily on volunteer and financial support from the community.

RECOMMENDATIONS

C.U.M.I. Camden Urban Ministry Initiative, a cooperative After-School Program is a shared ministry amongst Camden churches. This partnering reaches families to ensure positive development of children. We provide a safe environment for youth activities, such as an after-school program, summer day camps, youth Bible study, choir, and a career training program. There are arts and cultural activities for all ages. The exchange of stories, wisdom, advice, and experience builds a shared understanding of family and community. This church-based intergenerational community surrounds our youth with caring Christian adults who encourage, support, and pray for our youth while also holding them accountable. We are dedicated to the spiritual, emotional, and social growth of Camden Youth.

First Friends of New Jersey and New York provides advocacy, research, and social services to detained and released detainees has increasingly grown with the expansion of detention centers in New Jersey. We provide a link to the outside world by providing toll free lines (English & Spanish) in five different detention facilities where more than 2000 individuals are detained, and through visiting individuals in detention. Our Pen-pal Program allows volunteers who cannot visit to write to detainees.

The Neighborhood Center has served the Camden community since 1913. Today, they are a community center that provides a healthy and nutritious lunch six days a week, day care, an after-school program, and an evening teen program. We focus on a two-generation approach to lift families out of poverty. Our commitment is to provide a safe space for Academic achievement, Athletic accomplishment, and a flourishing Arts program. Our hope and vision for the next century of service is to create a "community living room."

Pennington School is a college preparatory institution affiliated with the Methodist Church that reflects the principles espoused by John Wesley and core values of Honor, Virtue, and Humility. Students experience an environment where talents and values are forged for making a positive difference in the world. We provide half scholarships for students in grade 6 to 12.

Ranch Hope/Victory House provides ministry to troubled boys ages 9 to 16 ½ and Victory House provides services to troubled girls between the ages of 14–18 years. We are faith-based and provide learning environments for those whose needs can best be met through experiences outside their homes. They can obtain or regain their long-term academic, behavioral, and spiritual focus in our residential setting. Counseling, housing, and recreation is offered, as well as spiritual guidance, time to attend chapel services and Bible study. We are licensed by the New Jersey State Department of Children and Families.

The Maker's Place is a new initiative of the United Methodist Church of Greater New Jersey. The goal is to connect neighbors in Trenton with neighbors in central New Jersey and beyond, by opening a neighborhood resource center that empowers poor and marginalized people in our capital city. The Maker's Place is a site for local mission and ministry. Starting with initiatives centered around food and families, The Maker's Place will cultivate transformative relationships that help people build bridges out of poverty and create a multiethnic and economically diverse community hub where all people can experience the wide welcome of God.

Equitable Compensation Recommendation for 2021

Whereas the Commission on Equitable Compensation in seeking to support quality pastoral leadership to help United Methodists of Greater New Jersey to grow in all areas of vitality, and

Whereas our work includes balancing the current economic realities of the COVID 19 pandemic and its effects on our churches and clergy, recommend the following:

Be it resolved that the Greater New Jersey Annual Conference adopt the following recommendation for required minimum salary for persons under full-time appointment in the local church effective January 1, 2021.

- a. Elder and Deacon in Full Connection: \$46,887
- b. Provisional and Associate Members: \$43,605
- c. Full Time Local Pastor: \$41,261

Any changes in clergy ministry salaries related to a change in clergy status through ordination, commissioning, or licensing in 2020 will become effective as of January 1, 2021.

RECOMMENDATIONS

These salaries apply to clergy (elder and deacon in full connection, provisional elder and deacon, associate members, and local pastors) serving in full-time appointments in the local church. The years of service for each clergy can be found on the Clergy Service Record at Wespath (General Board of Pension and Health Benefits). In calculating years of service, time on leave of absence is not counted in accumulated years of service.

For purposes of pension credit and years of service calculations, the minimum equitable salary for ¼ time pastoral appointments shall be ¾ of the required minimum in the pastor’s cash salary. The minimum equitable salary for ½ time pastoral appointments shall be ½ of the required minimum. All appointments less than ½ shall be considered ¼ time appointments for pension purposes. The District Superintendent will consult with the local church S/PPRC to determine the appropriate percentage of appointment for setting compensation. Each pastor’s salary is determined by the local church or charge in consultation with the District Superintendent provided that the required minimum salary is met. In determining a recommendation for salary, each Staff/Pastor Parish Relations Committee takes into consideration the pastor’s years of experience, education, leadership ability, health and dental coverage, social security, and family needs.

All full-time pastors shall be provided with a parsonage or a housing/rental allowance as part of their total compensation package.

All full-time pastors shall have an accountable reimbursement expense line item in the church budget to cover mileage for pastoral work, continuing education, and other professional ministerial expenses as allowed by the IRS. The reimbursable amount shall be at least \$2,500. For churches receiving Equitable Compensation support, their accountable reimbursement should not exceed \$2,500.

Vacation Policy:

All pastors regardless of full or part time status shall be entitled to receive the following vacation per appointment year:

4 weeks (including 4 Sundays) of vacation consistent with the average work week; with 5 weeks (including 5 Sundays) after 10 years of full-time or equivalent part time service consistent with the Clergy Service Record.

Vacation time shall not be cumulative from year to year. Time spent in leadership responsibility in conference/district activities shall not be considered vacation time. This includes Course of Study, Local Pastors Licensing School, Camps, Annual Conference related Ministries, and other education and renewal as required by the Book of Discipline (§1350.2).

And further be it resolved, that given that the recommendation for 2021 holds the minimum compensation at the 2020 levels for just this coming year, and that the cost of living for this past year was 1.6%, the local church Staff/Pastor Parish Relations Committees may wish to consider an increase, if possible, of 2% in their pastoral compensation as shown in the 15-year chart listed below. Years of service are determined by the number of full-time years (or equivalent) fully completed prior to January 1, 2021.

Standards for Parsonages:

Revised February 2020

Be it resolved that the following recommendation be adopted as the standards for parsonages for GNJUMC effective July 1, 2020.

Standards For Parsonages

Responsible Group in the Church

The Book of Discipline does not mandate a parsonage committee; however, it is strongly recommended that each local church which has responsibility for a parsonage form a parsonage committee. The committee will follow-up to assure timely resolution of parsonage problems affecting the health and safety of the pastor and/or pastor's family (much like a landlord). The chairpersons of the S/PPRC, Board of Trustees and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance and up-keep. (§258.2 g(16) and §2532.4).

Standards for Existing Parsonages

All parsonages shall meet local requirements for a Certificate of Occupancy. It is the responsibility of the Board of Trustees to be familiar with these requirements.

For existing parsonages, each local charge shall provide and maintain the following furnishings, equipment and services:

1. Living room and family room furniture.
2. Dining room furniture.
3. Kitchen appliances including stove, refrigerator with separate freezer compartment, exhaust fan, and dishwasher.
4. Furnishings for special rooms such as sun porch, den, etc. that may be different from one charge to another.
5. Laundry equipment – automatic washer and dryer.
6. Standard television connection (providing at least 30 channels/basic cable package), high speed internet service fast enough to support streaming where available, and one telephone line (cell or land line). As churches/parsonages are located in a variety of geographical areas, we encourage discussion at the local church level to provide comparable communication services and cost saving measures such as bundling of services.
7. Floor coverings (solid surfaces are preferred).
8. Functioning window shades and blinds, or curtains/drapes.
9. One fire extinguisher in kitchen and one extinguisher outside of the furnace room. There shall be at least one extinguisher per floor level. All fire extinguishers, smoke detectors and Carbon Monoxide detectors are to be in compliance with local code requirements for rental properties and certificate of occupancy.
10. Closets or free standing storage units in each bedroom.
11. Drive and walkways should be hard surfaced.
12. Minimally acceptable outside light for safety to illuminate walkways and driveways.
13. Trash cans. In municipalities where garbage pickup is not part of the tax base and is billed to the parsonage, that local church is responsible to pay for this service.
14. Suitable equipment for lawn care and snow removal corresponding to the size and condition of lawns/driveways/walkways and/or appropriate lawn/plowing services.
15. A study for the pastor in either the parsonage or church building. Office furnishings shall include a desk, desk chair, minimally acceptable shelving for the pastor's library, additional chairs, and a locking filing cabinet.
16. Parsonage electrical service shall conform to the current National Electrical Code.
17. Parking space for a minimum of one (1) car shall be provided.
18. The septic or sewer system shall be fully functional and meet the needs of the parsonage family. Maintenance of septic systems is the responsibility of the church.
19. In parsonages where there is a well, testing of water on a periodic basis should be done consistent with local health codes for rental properties.

RECOMMENDATIONS

20. Radon testing is strongly recommended to be done periodically consistent with EPA standards and local requirements.

Additional Suggestions

1. Electrical service to be inspected every five (5) years by a licensed electrician
2. Roof inspection every five (5) years
3. Energy audit every five (5) years

Responsibility

1. Each pastor is responsible for:

- a. Furnishings for as many bedrooms as the family needs
- b. Personal items such as television, vacuum cleaner, small appliances, dishes, glassware, flatware, cleaning tools, wastebaskets, and decorative accessories
- c. The following regular maintenance
 - i. Routine cleaning
 - ii. Floor maintenance
 - iii. Trash disposal and recycling
- d. It is expected that the pastor shall provide tenant (renters) insurance to cover property loss and personal liability.
- e. Restitution for any damage beyond normal wear and tear.
- f. At the time of a move, the current pastor shall remove all personal items and furniture from the parsonage and property and shall leave the parsonage in a "broom clean" state.

2. Each charge shall provide:

- a. Utilities – heat, electric, gas/oil, sewage, cable, internet, and basic telephone
- b. Maintenance for all parsonage equipment
- c. Basic furniture for all rooms except the bedrooms (see above)
- d. Funds for the repair of the parsonage and its maintenance should be allocated and allowed to accumulate so that continuing care and major repairs can be made when needed.

3. Miscellaneous

- a. The parsonage is the pastor's home for his/her tenure in that church or charge. S/he has, therefore, the responsibility to care for the home and its furnishings from damage by pets or people and, if it is damaged, to return the home to a condition equal to that when s/he received it to use. If an item of furniture is damaged beyond repair, s/he is obligated to replace it.
- b. The right of the pastor to own furniture and equipment cannot be challenged. However, if s/he does own furniture and goods that s/he wishes to use in the parsonage, and parsonage furnishings have to be stored, s/he should make every effort to store it properly, so it is in good condition and does not suffer damage from being in storage. The site or method of storage for any church owned furniture shall be determined by mutual agreement between the pastor and the Board of Trustees. The pastor assumes financial responsibility for the storage of any unused furniture.
- c. We recommend that in addition to the required written reports filed annually with the Church Conference paperwork, there be a complete video/photo inventory of all church-owned furnishings in the parsonage. The inventory and all videos and photos should be updated annually as needed.
- d. It is the responsibility of the Parsonage Committee to be acquainted with the parsonage and, after a new pastoral appointment is made, meet with the incoming parsonage family to discuss the minimum acceptability of housing and furnishings, and to meet annually thereafter with the parsonage family.
- e. At the time of a new pastoral appointment, the chairs of the S/PPRC and the Board of Trustees, the current pastor and the incoming pastor will walk through the parsonage together for inspection and planning. It is recommended to utilize the Church Conference parsonage inspection report as a guide.
- f. In order to respect the privacy of clergy and families, the church has a responsibility to make an appointment and secure the approval of the pastor or an adult member of the household prior to visiting the parsonage at any time.

RECOMMENDATIONS

4. Multiple Church Appointments and Clergy Couples

- a. In appointments where a clergy person is appointed to more than one church and a parsonage is provided by one of the churches, the utility expenses (heat, water, and electric) will be divided equally between the churches. Any capital improvements and maintenance on the parsonage are the responsibility of the church that owns the parsonage.
- b. In cases of clergy couples when the couple resides in the parsonage of one of the appointments, the utility expenses will be divided equally between the appointments provided that housing is considered as a part of the compensation package for each of the clergy. In situations where both persons in a clergy couple are utilizing their respective parsonages, each church will provide utilities for their own pastor.

Standards for Parsonages (Purchasing or Building a New Parsonage)

1. All parsonages shall meet local requirements for a Certificate of Occupancy.
2. The District Committee on Church Location and Building must be consulted in developing plans for all purchases or construction of a new parsonage.
3. All newly constructed or newly purchased parsonages shall be in full compliance with the Book of Discipline. Consideration shall be made for those with handicapping conditions.

Provide on the ground-floor of a newly constructed parsonage: (1) one room that can be used as a bedroom by a person with a disability; (2) a fully accessible bathroom; and (3) fully accessible laundry facilities (§2544.4d)

Option 1

1. The use of maintenance-free materials in building and in finishing and furnishing, thus contributing towards keeping maintenance costs lower.
2. The following room requirements:
 - a. Living Room/Family Room
 - b. Dining Room
 - c. Kitchen
 - d. Study
 - e. Baths (2)
 - f. Bedrooms (3)
3. A minimal electrical service of 200 amperes
4. A garage of a size to accommodate 2 cars, plus room for storage of lawn mowers, bicycles, tools, garden equipment, ladders, paint supplies, etc.
5. Space to store large articles of furniture/equipment
6. The use of materials meeting the most energy efficient standards for insulation and windows
7. Careful consideration should be given in choosing the location of the parsonage. This consideration might include the distance from the church, accessibility from main streets of the community and the church, the neighborhood and its future, and the community itself and its future growth.

Option 2

1. The standards of Option One would apply with consideration by the church of purchasing, leasing, renting a townhouse or condominium. This option would be negotiated by the District Superintendent, the local charge and the pastor following consultation with the District committee on Church Location and Building
2. The purpose of this option is to provide an alternative to the “traditional” church parsonage for ministry in special situations. Allowing for the wide variety of townhouse/condo choices, it is difficult to recommend a single standard for such settings.

Appeals

Appeals by the churches or pastors on any of the above provisions should be made to the District Superintendent who has the final authority to interpret and implement the foregoing standards.

Rev. Dr. Steve Bechtold

RECOMMENDATIONS

Arrearage Policy for Clergy Salaries

Be it resolved that the Greater New Jersey Conference adopt the following Arrearage Policy for Clergy Salaries:

1. In the event that the local church treasurer becomes aware that the church will be unable to provide to the pastor full payment of a regularly scheduled salary, or housing allowance installment, or pension payment, or health insurance payment, the church treasurer shall immediately notify both verbally (within 24 hours) and in writing (within 3 days) the Pastor, the Lay Leader, and the Chairs of S/PPRC, Finance, Trustees, and the Church Council or equivalent of the impending arrearage. Upon receipt of such notice, the Chair of S/PPRC and/or the Pastor shall immediately notify the District Superintendent and congregation of the impending arrearage. It is the pastor's responsibility to keep copies of all such written notifications, and to provide additional written confirmation to the District Superintendent when an arrearage has taken place. Failure to document salary or benefit arrearages may result in a loss of compensation.
2. Upon receipt of notice of a pending arrearage, the Chair of S/PPRC shall meet with the Pastor, Lay Leader, and Chairs of Finance, Trustees, and the Church Council to discuss the financial situation and seek remedies to prevent an arrearage from occurring. Consistent with The Book of Discipline ¶1624, such remedies cannot include a reduction in the Pastor's compensation until the beginning of the next Conference year.
3. If after consultation among these leaders it becomes apparent that the church may be facing a long-term financial crisis, the Chair of S/PPRC shall notify in writing the Pastor, congregation and District Superintendent to consider potential solutions including but not limited to developing a payment plan so that the pastor receives full payment of compensation, full benefit payments are made by the end of the fiscal and/or appointment year. The District Superintendent may refer this to another appropriate resource person to work with the church towards resolution of the situation.
4. If the local church is already receiving a subsidy grant, the District Superintendent or designee will determine if all subsidy grant funds allocated to the church were used to pay the pastor's salary.
5. It is the responsibility of the pastor to provide evidence of an arrearage by providing documentation such as: Treasurer's Reports, Charge Conference reports, check stubs, etc.
6. The statute of limitations for any salary arrearage is one year from the date of the initial arrearage. However, once an appointment ends the Pastor no longer has claim on the local church for compensation funds (¶1342.4).

Next Generation Ministries Update and 3 Year Goals

- 70/100 youth and college students have been engaged in intentional leadership and/or leadership development through the churches and initiatives of GNJ.
- 175/150 GNJ congregations have had a youth ministry participate in Next Gen programming and connect to support and collaboration systems.

Campus

- Next Gen is supporting a network of seven campus ministries, the goal was three. Those campus ministries have between 15 and 75 students participating. The goal was 75.

Youth Ministry

- 200 youth and youth leaders in leadership and faith development opportunities
- 100 youth and youth leaders are serving in leadership through IGNITE Communities, internships and more.
- Move the IGNITE Conference to financial sustainability by aligning revenue and expenses so that Next Gen has the financial capacity to grow its mission beyond IGNITE.

RECOMMENDATIONS

Camping and Retreat Ministry

- Minister to 400 campers through Next Gen Summer Camps with excellent programming, passionate summer staff, and opportunities for campers to connect, grow, and lead so that campers go home with a heart on fire for Jesus and growing in faith and leadership.
- Minister to 200 campers through Next Gen Retreats during the school year with excellent programming that challenges campers to go deeper in their faith so that campers grow a mature faith and are prepared for leadership in ministry
- 60 Students serving on Camping & Retreat Leadership Teams by 2023

- 50 college students practice their faith through mission work, community service, or volunteering for Next Gen outside of their regular campus ministry.
- 40 participants graduate from Mosaic Ministries

We believe accomplishing these goals and objectives will bear fruitful outcomes that include new generations of radical Christ-like disciples and transformational leaders, younger and multi-generational vital congregations, changed lives and transformed communities.

Be it further resolved that the Greater New Jersey Annual Conference will continue reviewing grant requests from GNJ Next Generation Ministries. These grants will be for a one-year period, will be part of the budgeting process and will decrease over time as other funding opportunities outside of Shared Giving will be identified. For the 2021 budget, this includes:

- a. IGNITE – \$20,000
- b. Camping Ministry – \$161,000

This amount represents no net increase in investment in youth, campus, and camping ministries for the 2021 budget. Future funding will be contingent on a written report each year to Annual Conference that includes how the funds were expended and progress toward the goals.

Actions and Measures

- a. GNJ will permanently forbear collecting on billable debt (pension, health insurance, workers compensation and property insurance) for all African American/Black and Native American congregations and all other congregations that meet the criteria for the forbearance program. This will include unpaid amounts for all years prior to and including 2019, and also any unpaid amounts for the 2020 year if the congregation pays at least what it paid in 2019 on its billings from GNJ. If a congregation that is part of the forbearance program sells its property or discontinues to be a United Methodist congregation, the proceeds will be reviewed by the board of trustees and the cabinet to determine how the funds will be used.

The following is the criteria to participate in the forbearance program for all congregations other than African American/Black and Native American.

- i. The community's household income is below \$55,000.
- ii. The worshipers reflect the people living in the community.
- iii. The congregation does not have reserves/endowment that may be used to sufficiently fund the congregation's budget including billables.

RECOMMENDATIONS

- iv. The congregation does not have other income including rental income to sufficiently fund the congregation's budget including billables.
- v. The congregation does not have sufficient giving by members to fund the ministry including billables for a congregation of its size.

If any of the five criteria are in question, a congregation may request a further review by the cabinet and the council on finance and administration who will jointly make a final determination. **December 2020** -assigned to Council on Finance and Administration Chairperson and the Dean of the Cabinet

- b. Assist four ethnic congregations in paying building debt. Several congregations of color were approved by GNJ for building programs which could not be sustained by the congregation and GNJ did not provide adequate council or financial support for the building projects. In two of the congregations, the debt is not with GNJ and the CFO/Treasurer along with the district superintendent is to review each of these situations and make a recommendation to the next annual conference session. **June 2021** -assigned to the Board of Trustees Chairperson.
- c. Develop and financially support a clergy salary guide and system based on NJ public educators, congregational size, and clergy accomplishment to ensure community wealth is not the only determiner of clergy salaries, particularly in Congregations of Color. **December 2020** -assigned to the Cabinet in consultation with the Equitable Compensation Commission
- d. Start in **January 2021** and ensure by **January 2022** that all grants³ to congregations and GNJ supported Hope Centers and organizations have A Journey of Hope Plan that is appropriate to their context. An additional \$100,000 in grant funds will be set aside in the 2021 budget and based on giving, up to another \$100,000 a year will be added until the fund reaches \$500,000 to assist congregations to develop and implement their Journey of Hope Plan (See Appendix 1 in the Journey of Hope Report for a guide to developing A Journey of Hope Plan and guidelines for grants). **January 2022** -assigned to the Connectional Table Chairperson and the Cabinet
- e. Apportion shared ministries and billables to congregations in low income communities using the same criteria in 5.a.i-v as long as the congregation has and is making progress on A Journey of Hope Plan and gives 100% of their apportioned shared ministry and billables at the following rates.
 - i. Communities with median household income \$50,000 to 55,000 – apportion at 70%.
 - ii. Communities with median household income \$45,000 to 49,999 – apportion at 65%.
 - iii. Communities with median household income \$40,000 to 44,999 – apportion at 60%.
 - iv. Communities with median household income \$35,000 to 39,999 – apportion at 55%.
 - v. Communities with median household income below \$34,999 – apportion at 50%.

January 2022 -assigned to Council on Finance and Administration Chairperson

- f. Native American Land
 - k. 10% (a tithe) of the sale of all GNJ property and discontinued churches shall be invested through GNJ's Stewardship Foundation until the fund reaches \$1 million for the St. Johns United Methodist Church to ensure the perpetual care of the property. St. Johns is the only Native American Church in GNJ, it is the fifth oldest in the United States and it is a sacred site and burial ground for Native Americans. The funds will be administered through GNJ CONAM (Committee on Native American Ministry) and no more than 5% of the funds may be expended in any given year. **Ongoing** – assigned to the CFO/Treasurer
 - ii. All discontinued congregations in Cumberland County and the eastern portion of Salem County including church property along the Delaware River, shall first through CONAM be offered/returned to the Native American Nanticoke Lenni-Lenape Tribe. The land in this area was originally Native American land before Native Americans were removed from their land and forced to a reservation in the Pinelands. If the Tribe does not want to take ownership and care of the property, the property is to be sold and proceeds invested as directed by the GNJ Annual Conference session. **Ongoing** – assigned to the Property Manager and Board of Trustees
 - iii. In consultation with CONAM, Next Gen Ministries will identify and develop a means to recognize and honor Native American heritage at the Pinelands Center, remembering that Native Americans were forced to move from Cumberland and Salem Counties to the Pinelands. Funds may be used from unused Native American offerings to establish such a heritage. **Ongoing** – assigned to the Next Gen Executive Director and CONAM.
 - iv. Each year GNJ will strongly encourage all congregations to celebrate Native American Sunday, the third Sunday of April unless it is Easter Sunday, and then the fourth Sunday of April, by sharing

³ All grants include but not limited to Harvest Mission, Strategic Disciple Making, Equitable Salary, Strategic Salary, emergency need, Hope Centers and Peace with Justice.

RECOMMENDATIONS

information of the heritage of Native People and receive an offering for ministry with Native People.

Ongoing – assigned to the Director of Communication

- g. Congregations of Color Property – when a Congregation of Color is discontinued and the property sold, the proceeds shall be used to develop a new or existing Congregation of Color, first considering a Congregation of Color of the ethnicity of the congregation that was discontinued. **Ongoing** – assigned to the Cabinet and the Property Manager

ACCOUNTABILITY AND HONORING PROGRESS

The above measures and actions shall be for the next five years and modified each year to ensure the aim of creating a racially just, inclusive, and equitable church are accomplished. Each year, the Journey of Hope team in consultation with the executive staff leadership⁴ of GNJ, including the cabinet, will report to the annual conference session the progress and challenges to achieving A Journey of Hope Plan that includes but is not limited to the following:

1. The number of congregations with A Journey of Hope Plan and highlight three exemplary plans.
2. The number of African American clergy recruited and in process to be elders in GNJ. Presently there are 10 active African American/Black clergy elders in GNJ with only two under 58 years of age.
3. The number of African American churches that are part of a congregational development cohort and are being resourced to grow congregational vitality.
4. The percent of congregations that have A Journey of Hope Plan and the overall progress that is being made.
5. The number and amount of grants given to African American and other ethnic congregations.
6. Progress on equitable salary where there is income disparity in GNJ communities and what steps were taken to address income disparity.
7. The number of churches that are receiving half billable and half shared ministry.
8. The number of Hope Centers and the percentage in ethnic communities.
9. Progress on the lawsuit to desegregate New Jersey public schools.
10. A census of the percentage of African American/Black, Asian, Hispanic/Latino and Native American congregations' vitality, as compared to Anglo congregations.
11. Share about the roadblocks encountered in the work to accomplish A Journey of Hope's goal of ending racism and when solutions have been found, sharing those solutions with the entire GNJ Annual Conference.
12. We recognize that the make-up of the Journey of Hope team and its legislation do not sufficiently reflect the racism that Asian-Americans, notably, Koreans and Korean-Americans, experience. In executing this plan, we pledge that we include the racism that Asian-Americans experience and strive to make a racial justice for all ethnic minority people.

Each year, every congregation will be invited to identify an individual from their congregation or community who has demonstrated the aspirational nature of a disciple and/or leader who is leading and working for racial justice, inclusion, equity and ending racism. The individuals will be honored by listing their names in the preconference journal and a certificate from the bishop. Five of the individual's stories will be told at the annual conference session and through the Relay and posted on the website and the individuals will receive a \$1,000 grant to use for racial justice, inclusion, equity and ending racism ministries.

Shared Ministry Apportionment Formula 2021

Whereas in GNJ we remain focused on developing vital congregations and prayerfully do so through our financial stewardship; and therefore

Be it resolved that the Shared Ministry percentage be set at 15.2% of a congregation's Shared Ministry base for the 2021 budget and that each year the Annual Conference approve the Shared Ministry percentage. The Shared Ministry base be set at a congregation's total expense as follows:

1. Lines 41a-47 of Table II of The Local Church Statistical Report

- 41a – Pastor Wages
- 41b – Associate Pastor Wages
- 41c – Deacon Wages
- 42 – Parsonage Expenses
- 43 – Accountable Reimbursements
- 44 – Other Cash Allowances
- 45 – Staff Compensation
- 46 – Church Program Expenses
- 47 – Church Operating Expenses

2. Billed amounts for prior year Comprehensive Protection Plan (CPP), Clergy Retirement Security Program (CRSP), Health Insurance, Property Insurance and Workers Comp

Rationale: This existing formula uses the present Shared Ministry base calculation but prevents automatic percentage increases and requires GNJ to set budgets that are within a fixed percentage of the Shared Ministry base. In effect, will reduce each congregation's Shared Ministry percentage for 2021.

Sale Of Closed Church Property Designation

Be it resolved that all indebtedness (arrearages for pension, health insurance, property insurance or worker's compensation insurance and conference loans) shall be considered loans and shall be recorded as such on line 37 of Table 1 of the Annual Church Report; and

Be it further resolved that repayment of such indebtedness is not a current expense; and

Be it further resolved that upon the sale of any active or closed local church property, any unpaid conference billing (indebtedness to GNJAC) as of the closing date for sale will be the first items paid from the proceeds of the sale other than necessary closing costs, commissions and mortgages having prior claim. Payment will be made at closing to the Annual Conference and will be credited to the appropriate billing account.

Be it further resolved that the remaining funds from all church closures will be designated as follows upon the close of the 2020 Greater New Jersey Annual Conference:

- 50% to the Harvest Mission Fund
- 20% to the Strategic Disciple Making Fund
- 15% to the Property Redevelopment Fund
- 10% to the Native American Fund until it reaches \$1 million (in support of the Journey of Hope Plan)
- 5% to Retiree Health Reserves

Pension and Health Benefits

Be it resolved that the Past Service Annuity Rate for January 1, 2021, to December 31, 2021, be set at \$713 per approved service year prior to January 1, 1982.

Be it further resolved

2. That contributions for January 1, 2021, to December 31, 2021, for the Clergy Retirement Security Program for full-time and less-than-full-time (¾-time & ½-time) clergy and for Conference sponsored UMPIP Plan for ¼-time clergy, be set at 12.5% of plan compensation.
3. That contributions for January 1, 2021, to December 31, 2021, for the Comprehensive Protection Plan be set at 3% of plan compensation for full-time and ¾-time ordained clergy, and for Conference Sponsored UMLife Options for ½-time ordained clergy to be set 2% of plan compensation. 8. That the following clergy be grand-parented to five years "under appointment through the Conference immediately prior to retirement" to meet eligibility requirements for health benefits in retirement, rather than the seven years as approved at the 2011 Annual Conference meeting (Paragraph 3 under Eligibility, p. 365 of the 2011 Conference Journal). Specifically, the following persons, if, at the time of retirement, meet all other eligibility requirements for health insurance in retirement, shall be grand-parented under this provision: Rev. That the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled clergyperson's pension, severance, or disability plan benefit as part of his or her gross compensation.

These changes might include increased participant deductibles, co-payments, greater use of generic medications, and other avenues of cost saving and sharing. Such changes will be subject to prior review of CFA and the Cabinet.

A Resolution in Support of Black Lives Matter

“The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly.” John 10:10

The struggle to save Black lives is not new. This struggle began when the first African was kidnapped, sold into slavery, and transported through the long and treacherous journey of the Middle Passage to what was deemed as the New World. The world was new to European explorers and settlers, but it was not a new world to the millions of Indigenous people (Native Americans) who called the land home; they had their own diverse identities, cultures, and lifestyles. The conquering of Native people coupled with the proliferation of the forced migration of millions of Africans who were pressed into chattel slavery set the stage for legalized abuse, systemic racism, and structural oppression that is now woven into the fabric of America.

From 1619 until the painful 8 minutes and 46 seconds when George Floyd struggled to breathe with the knee of a police officer on his neck, Black and brown people have struggled to breathe in America. It was the horrific video of the murder of George Floyd that sent a clarion call to people of good will of all races, ethnicities, and social classes to raise their voices and echo the sentiment that Black lives matter. As people in the Wesleyan tradition we continue the trajectory set by John Wesley when he wrote these words to William Wilberforce in 1791: “O be not weary of well-doing! Go on, in the name of God and in the power of His might, till even American slavery (the vilest that ever saw the sun) shall vanish away before it.” Slavery has been abolished in America, but the badges and indicia of slavery impact every aspect of the lives of Black and brown people through systemic racism, law, policy, and practice.

Black and brown people are continually and structurally confronted with institutions that fail them. In 2020, this has become particularly stark.

- Health: The recent Coronavirus pandemic exposed long-standing health care disparities: “Latino and African-American residents of the United States have been three times as likely to become infected as their white neighbors, according to the new data, which provides detailed characteristics of 640,000 infections detected in nearly 1,000 U.S. counties. And Black and Latino people have been nearly twice as likely to die from the virus as white people, the data shows.”⁵ More recent reports disclose: “When the virus first swept across the country, it devastated Black communities, killing African Americans at a disproportionately high rate in nearly every jurisdiction that published race data. In recent weeks, Hispanics and Native Americans have made up an increasing proportion of COVID-19 deaths. The disease now accounts for nearly 20 percent of all deaths among those groups, higher than any other race or ethnicity in recent weeks, according to a Post analysis of the CDC data.”⁶

RECOMMENDATIONS

- Policing: “Though only 13% of the population, Black persons are 28% of those killed by police and Black persons are imprisoned at a rate of 1,047 persons per 100,000 whereas whites are imprisoned at 275 persons per 100,000.
- Education: Two-thirds of minority students still attend schools that are predominantly minority and which are funded well below those in neighboring suburban districts. Recent analyses of data prepared for school finance cases in Alabama, New Jersey, New York, Louisiana, and Texas have found that on every tangible measure—from qualified teachers to curriculum offerings—schools serving greater numbers of students of color had significantly fewer resources than schools serving mostly white students.”⁷ A disproportionate number of Black and brown children are incarcerated as a means of school discipline thereby feeding the school-to-prison pipeline.
- Incarceration: Black and brown people, youth and adults, are negatively impacted by every phase of the criminal justice system from being stopped by the police to detainment, arrest, and sentencing including disproportionately being placed in solitary confinement, and “disproportionately serving sentences of life, life without parole, or virtual life.” Moreover, “the juvenile justice system confines Black youth at over 4 times the rate of white youth.”⁸
- Immigration: The race-based policies and practices of the U.S. criminal justice system inform the Immigration system. In addition, regarding the separation of families at the borders, “statistics from the Department of Homeland Security demonstrate that at the intersection of immigration and race, immigrants of African descent are more likely to be detained and deported than other immigrants. The increase in detention of immigrants of African descent is, in part, a result of racial profiling.”⁹
- Food security: 21.8% of Black Americans are food insecure as compared to 8.8% of white Americans.¹⁰
- Environmental toxicity: Black persons are 1.5 times more exposed than white persons to particulate matter in the air. This particulate matter builds up toxicity in black bodies and that toxicity can pass from mother to child. “Black communities...shoulder a disproportionate burden of the nation’s pollution — from foul water in Flint, Mich., to dangerous chemicals that have poisoned a corridor of Louisiana known as Cancer Alley — which scientists and policymakers have known for decades...African-Americans are 75 percent more likely than other Americans to live in so-called fence-line communities, defined as areas situated near facilities that produce hazardous waste.”¹¹
- Housing: “Housing values in American cities still break sharply along racial lines, showing the lingering impact of federal ‘redlining’ in the 1930s, which devalued homes in African-American neighborhoods. The practice was outlawed decades ago, but its effects are still evident.”¹² Moreover, Black persons make up 40% of the homeless population whereas they are only 13% of the overall population.
- Wage gap: “Since 2000, by any way it’s measured, the wage gap between black and white workers has grown significantly.”¹³

These facts are alarming. On every level, the ability for Black and brown persons to have an abundant life is thwarted by institutional racism and injustices centered in race. Moreover, the intersections of gender, class, sexuality, disability, and nationality increase the threat to Black and brown lives. The disparities in race are even reflected in Greater New Jersey.

RECOMMENDATIONS

Although the Central Jurisdiction was abolished in 1968, Black and brown clergy and congregations do not reflect the demographics of New Jersey and parts of Pennsylvania and New York that comprise Greater New Jersey. Christian people are called to address these societal harms so that we can be the boundary breaking, justice seeking, healers of church and society that Christ is calling us to become.

The United Methodist Church has said many things about its desire to overcome racism in both church and society through its *Discipline* and *Book of Resolutions*. Article V of the Constitution of the UMC states:

The United Methodist Church proclaims the value of each person as a unique child of God and commits itself to the healing and wholeness of all persons. The United Methodist Church recognizes that the sin of racism has been destructive to its unity throughout its history. Racism continues to cause painful division and marginalization. The United Methodist Church shall confront and seek to eliminate racism, whether in organizations or in individuals, in every facet of its life and in society at large. The United Methodist Church shall work collaboratively with others to address concerns that threaten the cause of racial justice at all times and in all places.

We, as a Conference, and as local churches and leadership in the GNJAC, have resources that can be leveraged so that we can thrive together as we walk toward a more just future in both the USA and the UMC:

- We have financial resources.
- We have gifted, compassionate people.
- We have a Gospel message whose very beginnings determined that the Jews following Christ would build a community of love and forgiveness together with anyone who had ears to hear.

There was to be “No Jew nor Greek, no slave nor free, no male nor female” – all were to be One in Christ Jesus. This is a profoundly anti-racist vision. Racism has no place in the Christian message. And so, these resources must all begin to work together in a renewed way to overcome this clear historical injury and threat to our message. Our integrity is at stake. These resources must be put to work to transform our structures through a firm and powerful naming of the barriers to full participation by our Black and brown siblings in church and in society, which then educates us all to be anti-racist disciples of a God who wants all persons to know and experience their belovedness, act with love toward one another, and live an abundant life.

Resolution

We resolve and commit to the following:

- To commit personally and corporately to self-examination, self-reflection, and the corresponding actions to eliminate personal behaviors that are based in a socialization in racism.
- To learn about the history of racism and its impact on Black and brown people and to use this information to actively engage in the dismantling of racism.
- To say the names of, to tell and listen to the stories of George Floyd, Breonna Taylor, Maurice Gordon, Ahmaud Arbery, Layleen Polanco, Rayshard Brooks, Sandra Bland, Aiyana Stanley-Jones, Trayvon Martin, Sean Bell, Philando Castile, Tanisha Anderson, Atatiana Jefferson, Charleena Lyles, Eric Garner, Michael Brown Jr., Tamir Rice, Walter Scott, Tony McDade and countless others whose murders were grounded in racism.
- To engage in both acts of mercy and acts of justice to repair the breach in Black and brown neighborhoods environmentally, nutritionally, and educationally as well as in healthcare and criminal justice.
- To be people that answer the call of Jesus Christ, as enacted by the grace of God, and recorded in the Gospel to work for a world where the spiritual, social, emotional, physical, and psychological dimensions of all people can thrive and every person has the necessary opportunity to fully use their God-given gifts.
- To stand in solidarity to support the *Journey with Hope* plan as a critical tool to be used for the dismantling of racism in GNJ.

RECOMMENDATIONS

We must begin to be a church where anti-racist behavior work is absolutely necessary to the spiritual and Christian disciplines developed in a Christian disciple. It is the opening to the “whoever” (Matthew 11) that is necessary for our building of just and good and loving community where everyone can have life and have it more abundantly.

17. Are all the clergy members of the conference blameless in their life and official administration (¶¶604.4, 605.7)? Rev. Dr. Gina Hendrickson, Former DEAN OF THE CABINET

The answer is yes and no, most of our clergy are blameless in their life and official administration. We are grateful in the seriousness people take their calling. In some rare instances there have been questions of character and effectiveness, we are following the disciplinary process in each of these instances.

REPORTS TO GREATER NEW JERSEY

A Journey of Hope

A Just, Inclusive and Equitable Church
Working Together to End the Sin of Racism

The Executive Summary

The death of George Floyd, an African American suffocated by a White police officer, draws attention to present and past racism against African Americans in our nation and The United Methodist Church, including GNJ and its congregations.

Native Americans, were removed from their land, including in the GNJ Area, and forced onto a reservation in the Pinelands. African Americans and Native Americans and all other People of Color in the GNJ Area, including within The United Methodist Church have experienced racism in the past and racism continues today.

Today, God calls United Methodists to do better in ending racism, privilege and oppression in the church and world.

This report and its goals were developed in consultation with leaders and experts from across the country and guided by a group of 10 GNJ laity and clergy. Nine different GNJ groups, including ethnic caucuses, GNJ leadership and GNJ staff including the cabinet reviewed and provided input into the report and its goals and measures. More than 100 people assisted in the development of the report.

GNJ has been a leader in diversity, and yet GNJ still has more journey to travel. It is evident after talking with people who have experienced racism and harm that GNJ has the opportunity at this moment to go deeper in its work to end the sin of racism and take action to repair past harm.

A Journey of Hope report sets forth a bold plan for GNJ to work together to end the sin of racism as we build on our past progress and go deeper in our ministry to create a more just, inclusive, and equitable church. It calls us to **ACT** by creating compelling **A**spirations to end the sin of racism, deepening **C**omprehension, and understanding of racism and how to end racism, and **T**ransform the church into a vital and dynamic witness of God's grace through Jesus Christ and live out our baptismal vows.

The Plan's cornerstones include the following actions.

- Equity in how we apportion and use our resources.
- Acknowledge, repent, and address past harm.
- Build on our 10-year intercultural competency plan to deepen understanding of racism and how to work to end the sin of racism.
- Strongly encourage and support every congregation to develop A Journey of Hope **ACT** plan. This plan integrates ending the sin of racism and the mission of GNJ.
- Implement 5 keystone measures that are central to ending the sin of racism and implementing the other measures and actions in the report.

An Urgent Calling

*Honor the humanity, racial identity, uniqueness and
sacred worth of everyone as we live out our baptismal vow.*

As baptized Christians, we renounce the spiritual forces of wickedness, reject the evil powers of this world, and repent of our sin. We accept the freedom and power God gives us to resist evil, injustice, and oppression in whatever forms they present themselves. We confess Jesus Christ as our Savior, put our whole trust in his grace, and promise to serve him as our Lord, in union with the Church which Christ has opened to people of all ages, nations, and races.

REPORTS TO GREATER NEW JERSEY

Goal

End the sin of racism in GNJ

GNJ will dismantle systems and structures within the church that perpetuate racism.

5 Keystone Measures

1. 50 trained GNJ trainers and facilitators who are actively engaged with 150 congregations that are developing and engaging in A Journey of Hope Plan by **September 2022**. (150 congregations that self-identify, represent 25% of our congregations and a number that will become a tipping point for ending the sin of racism)
2. At least 50% of GNJ agency chairpersons are People of Color by **June 2023** and the number of African American/Black and Hispanic/Latino clergy elders are doubled, and the number of all Clergy of Color is increased by **June 2025**. (While the goal is to increase the number of all clergy of color, we have set a goal of doubling two groups because GNJ has less than 10 African American/Black Elders with more than 40 African American/Black congregations and only 8 Hispanic/Latino clergy elders with the Hispanic/Latino community being the fastest growing population in GNJ)
3. 25 new ethnic congregations (at least 10 African American) by using new technologies and innovative strategies, and strengthen the worship, ministry, and finances of 10 existing congregations of color by **December 2025**. (This goal requires us to think differently and creatively about congregations and new faith communities and will impact our future development of all congregations)
4. A handbook of all existing GNJ policies and procedures that have been reviewed and updated to ensure GNJ's policies and procedures create a culture of racial justice, inclusion, and equity by **February of 2022**. (Presently the policies and procedures of GNJ are not contained in one place and they have never been reviewed for any bias on injustice to a group of people)
5. \$4.1 million investment in the health and vitality of GNJ through debt forgiveness, equitable salary, and shared ministry apportionment and billables in low income communities by **December 2023**. (For all African American and Native American congregations and all other congregations in low income communities, this investment equals \$2.8 million in debt forgiveness for past billables and loans, \$700,000 in reducing shared ministry and billables in low income communities and \$600,000 in grants for ministry and clergy salary in low income communities)

The Report

The Urgency of Our Time

The death of George Floyd, an African American suffocated by a White police officer, draws attention to present and past racism against African Americans in our nation and The United Methodist Church, including GNJ and its congregations. For centuries GNJ has participated in institutional racism. Our actions and activities that support racism include (but are not limited to) to segregating African Americans, under valuing the gifts of African Americans in leadership, passively and ineffectively addressing racism in the church and society, and allowing social and church systems to suppress and oppress African Americans.

New Jersey was originally Native American land before Native Americans were removed from their land and forced to a reservation in the Pinelands. Native Americans, particularly the Nanticoke Lenni-Lenape Tribe, experienced oppression, discrimination, and disregard for their sacred land. United Methodists while witnessing and discipling Native Americans, did not honor their culture and heritage. Today there is one Native American United Methodist congregation in GNJ, St. Johns in Cumberland County, the fifth oldest Native American Church. Our congregations in Cumberland and Salam County are built on Native American land.

History portrays that in GNJ, attitudes and behavior allowed racism to go unchecked at times and diminished our witness of the grace and justice of God through Jesus Christ.

We thank God that there have been times when United Methodists in GNJ engaged in addressing and making progress to end segregation and racism. We can point to 1964 when GNJ became one of the first conferences to merge African American/Black and primarily Anglo conferences and became one of the first primarily Anglo conferences in the denomination to be led by an African American Bishop, Prince Taylor. Today, GNJ has one of the highest percentages of multi-racial congregations and cross racial appointments in the denomination.

REPORTS TO GREATER NEW JERSEY

Today, God calls United Methodists to do better in ending racism, privilege and oppression in the church and world.

A Journey of Hope calls us to an urgent and spiritual journey and our destination is the transformation of minds, hearts, actions, and systems so that we eliminate the sin of racism in GNJ. We move with a sense of purpose and urgency because people are being harmed, discriminated against, and even killed because of their skin color.

What Is Racism

Racism is a belief or value that an individual or a group of individuals feel superior to people of another race and then use those beliefs and values to create practices, systems, structures, and organizational policies to create supremacy, privilege, power, and economic standing over another race. In the United States, when White people arrived in this land, they used their beliefs and values of superiority to conquer, enslave, marginalize, oppress, and victimize People of Color using them as objects. White people used their beliefs and values to teach and create systems and structures that reinforce the belief that one race is better than another. While many of these immoral practices have been ruled against the law, they cast a deep divide among people and have disadvantaged People of Color that continues to this day as evidenced in income, education, housing inequities and church inequities in appointments, shared ministry, salaries, and other ministries. Ending the sin of racism is not merely ending racist belief and values. It is not merely making friendships or cross racial appointments or depicting more People of Color in church literature. Ending the sin of racism is working together to dismantle employment, education, housing, economic and, yes, church systems that disadvantage People of Color.

Examples of systemic racism include school and housing segregation and hiring policies and school admission practices that favor people of the majority race. Systemic racism is not always overt. It is embedded into the culture, values, and beliefs of an organization. Racist beliefs and values built into policing has led to the deaths of many African Americans. Racism is the participation in such behaviors and systems. Not actively working to end racist behaviors and systems is also a form of racism.

Three Ways People Have Engaged

1. Segregation and Oppression – from the beginning of our nation, African Americans and Native Americans were segregated, oppressed, marched off their land and enslaved because of their skin color. Racism is a sin as it treats people differently because of their skin color.
2. Assimilation – the belief that People of Color are inferior or are a lessor culture to White culture and by assimilating People of Color with White culture will help People of Color to become better people. Any view that a group of people are inferior to another group of people is a sin. While we seek inclusion and integration, it is because we are all children of God. God does not see any group as inferior.
3. Anti-Racism – the recognition that racism is a sin and we must all work together to end the sin of racism within the church, society, and individuals. As believers of Jesus Christ we are called to do the ministry and work of anti-racism. As we work to end the sin of racism, we seek change in four areas.
 - a. *Individual racism* is personal beliefs, values, stereotypes, prejudices, and attitudes, consciously or unconsciously, that devalue and/or hurt the humanity and God's giftedness of People of Color. This is the first step of racism and leads to the others.
 - b. *Interpersonal racism* builds on individual racism and is when people use slurs, biases, hateful and hurtful words, or actions against People of Color. *Interpersonal racism* effects the relationships or lack of relationships we have with people of a race different than one's own.
 - c. *Institutional racism* occurs when an organization, like the church, has discriminatory policies or is biased in treatment and practices based on race that results in inequitable outcomes for African Americans, indigenous people, or people of color. For example, when the White people of The United Methodist Church organized separate conferences for African Americans in 1939 through 1968, this church policy was solely based on race and eliminated African Americans rights to resources and opportunities within the larger church.
 - d. *Structural racism* is a system of racial bias that stretches across cultures, organizations, and institutions. The system establishes the biases implicitly and explicitly and society accepts these biases. For example, when an African American is killed by a police officer, many White people think it is because the person did something wrong and deserved to be killed. Similarly, courts sentence African Americans to longer prison sentences than White people because society has been conditioned to believe African Americans are more dangerous than White people. Society has established biases against communities of color over the years

through housing policies, hiring practices and income disparities particularly between African American and White people. For instance, communities of color have been created over the years through housing policies and hiring and income disparities particularly between African American and White people through a practice known as redlining. Redlining increased fees and rates for African American home purchasers that limited wealth by restricting access to higher valued properties based solely on the color of one's skin.

A Spiritual Discipline

Ending the sin of racism is a spiritual discipline that is practiced and engaged individually and together. As we work together and work toward ending the sin of racism, our faith is deepened, and we grow spiritually – *closer to God and closer to one another*. Significant to the ministry and work are the tools of spiritual disciplines: praying, reading, and understanding scripture, lamenting, confessing, repenting, worshipping, fasting, encountering, and sharing the grace of God through Jesus Christ, engaging in small groups, and serving in mission and acts of justice. The Journey of Hope is a spiritual discipline that ultimately changes and shapes beliefs, values, systems, and actions.

Those Who Have Been Harmed

Our nation has a more than 400-year history of racism with African Americans and Native Americans who are Children of God who were forced off their land and in the case of African Americans forced to come to the US against their will. African Americans and Native Americans were tortured, enslaved, beaten, oppressed, segregated, and seen as less than human. Others, of Latino/Hispanic, Asian, Middle Eastern and Mixed-Race heritage and Blacks who came following slavery, also experienced the sin of racism. The color of one's skin became a standard for how we viewed, differentiated, and treated people in the United States. The sin of racism has been embedded in our nation and in The United Methodist Church since its founding more than 250 years ago through sins of commission and omission. The White people of the United Methodist Church have a responsibility to continue to repent, repair the harm and make right our relationship with God and those who have experienced racism, particularly addressing our long history of racism and oppression with African Americans and Native Americans. Ultimately, our progress to end the sin of racism is a change of heart involving repenting and turning toward God, and the transformation of systems, structures, and organization so that GNJ is more just, inclusive, and equitable.

Referring to People

Over the years a variety of terms have been used to identify people, races, nationalities, and cultures. The terminology and names continue to evolve and change. In this document, we use terms as imperfect as they are to identify the people of different races, ethnicities, nationalities, and cultures. It is recognized that any term used has limitations and imperfections and will continue to evolve and change.

African American/Black – people including but not limited to having origins in Sub-Saharan Africa, and other nations such as Haiti, Jamaica, Dominican Republic. African Americans/Blacks are sometimes referred to as the African Diaspora and Afro Caribbean.

Asian – people having origins in any of the original peoples of the Far East, Southeast Asia and Indian subcontinent including but not limited to Filipinos, Indians, South and North Koreans, Japanese and Chinese.

Hispanic/Latino – people having their origins primarily in Spanish speaking nations and includes but is not limited to portions or all of Latin America, Central America, South America, the Caribbean including but not limited to Cuba, Puerto Rico, and Dominican Republic.

Middle Eastern – people having origins in the Middle East and parts of North Africa.

Mixed Race – people whose heritage is two or more races.

Native Americans and Native People – the original people of North America that include but are not limited to the American Indian, Eskimos and Pacific Islanders.

People of Color – people of the races, culture, and nationalities of African American/Black, Asian, Hispanic/Latino, Middle Eastern, Mixed Race and Native American.

White - people having origins in Europe who are often called Anglos.

The terms have their limitations, and in the family of God we are all part of the same humanity being one and unique at the same time. We honor others by listening and understanding and using terms that people want to be called.

How will A Journey of Hope End the Sin of Racism

A Journey of Hope is based on **ACT**: **A**spiring to something different, **C**omprehending and understanding that we are called to live and act differently, and **T**ransforming our beliefs, values, policies, actions to be a more racially just, inclusive, and equitable church.

ASPIRE – Through the Holy Spirit, imagining what the community of God looks like, a vision for a racially just and inclusive church.

- Envision the type of disciples, leaders, congregations, and organizations our church needs to be racially just, inclusive and reconciling.
- Develop and pursue actions and accountability to achieve the vision.

GNJ has four aspirations, new disciples, transformational leaders, fruitful vital congregations, and a transformed world all of which are working to spread the Good News of Jesus Christ and do justice including ending racism.

Who are disciples of Jesus Christ working to end racism?

Disciples are life-long learners and followers of Jesus Christ who passionately serve God in the church and in the world with competence to engage cross culturally/racially and are actively working to end racism.

Who is a transformational leader?

A transformational leader, through the guidance and power of the Holy Spirit, casts a compelling vision and challenging goals, and whose leadership inspires change and growth and is actively leading others to end racism.

What is a fruitful vital congregation?

A fruitful Wesleyan vital congregation is a Holy Spirit-led community of passionate disciples who are connectional and Wesleyan in their beliefs and practices that work together to 1) extend radical hospitality and make new and grow all disciples, 2) create inspiring worship, 3) intentionally grow faith through small groups and children and youth ministries, 4) engage in risk taking community witness, mercy and justice mission, and 5) increase generosity and giving to mission. (Acts 2:42-47), and in all of its ministry is actively developing cultural competence in its members and a congregation engaged in ending racism within the congregation, its community and GNJ.

What is world transformation?

A community where lives are changed, hope abounds, diversity is embraced, the spark of the Gospel is ignited, justice is for all and all have the opportunity, knowledge and skills to live to their full God-given potential and is ending racism in its community and structures and welcoming all people (Micah 6:8, Luke 10:27)

COMPREHEND: LISTEN TO LEARN AND UNDERSTAND - listening with the heart of God and being culturally competent.¹⁴ This work will build on and incorporate GNJ's 10 year intercultural competency plan.

- Learn and understand about racism and recognize biases, privileges, and fragilities - where they came from and how to live differently.
- Listen to people of color share their story and validate the feelings and experiences of African Americans and people of color.

GNJ will use existing and/or develop materials to assess an individual's and a congregation's understanding of and progress toward ending racism and teach for understanding and change that will at a minimum include the following content:

1. The history of race and racism within society and the church.
2. First-hand stories and experiences of people who have been affected by racism.
3. Material and illustrations of how the Bible and Christian theology have been used to continue racist practices, privilege, implicit bias, internalized oppression, the systemic nature of racism, white supremacy, the difference between equality and equity, genuine repentance, intercultural competence, how to have an outward mindset and the four types and uses of racism – individual, interpersonal, institutional and structural racism.

¹⁴ Cultural competence is 1) being aware of one's own world view, 2) developing positive attitudes towards cultural differences, 3) gaining knowledge of different cultural practices and world views, 4) developing skills for communication and interaction across cultures, and 5) addressing prejudice and racism in yourself, in others, in the church and in societal values, beliefs, actions and systems. Cultural competence requires more than becoming culturally aware or practicing tolerance. Rather, it is the ability to identify and challenge one's own cultural assumptions, values, and beliefs when they inhibit or dishonor other's cultural experience.

REPORTS TO GREATER NEW JERSEY

4. Specific strategies for ending racism, including how to engage in the work of ending racism.

TRANSFORM - the change God is expecting of us.

- Work together to end racism by challenging and changing behaviors and discriminatory systems and begin to repair the damage racism has done to African Americans and Native Americans, Hispanics/Latinos, Asians, and Pacific Islanders.
- Develop and demonstrate individual, congregational, and organizational values, beliefs, priorities, and actions that are just, inclusive, and equitable.

While a Journey of Hope invites individuals, congregations, and organizations to aspire to a new way of living and being the church, it is also a call to repentance, a complete turnaround. The hope of ending racism begins by repenting from the sin of racism. The sin of racism is engaging in racist behavior and systems and not addressing racist behavior and working to end racism. True repentance is embracing God's vision for racial justice, inclusion and equity and working relentlessly to end racism.

The Legislation

Whereas African Americans and Native Americans were oppressed, forced from their homes, and enslaved in the Greater New Jersey Area; and

Whereas African Americans and Native Americans were segregated and experienced racism by The Methodist Church since its founding and racism continues today toward all People of Color by United Methodists and our organizations and structures; and

Whereas GNJ has committed to be a multi-racial and intercultural competent church and recent events in our nation call the church to be an example and do better by working together to end the sin of racism in GNJ;

Therefore, we courageously support and commit to boldly work together to end the sin of racism in GNJ and create a more racially just, inclusive, and equitable church and carry out A Journey of Hope calling, measure and actions.

Actions and Measures

- a. GNJ will permanently forbear collecting on billable debt (pension, health insurance, workers compensation and property insurance) for all African American/Black and Native American congregations and all other congregations that meet the criteria for the forbearance program. This will include unpaid amounts for all years prior to and including 2019, and also any unpaid amounts for the 2020 year if the congregation pays at least what it paid in 2019 on its billings from GNJ. If a congregation that is part of the forbearance program sells its property or discontinues to be a United Methodist congregation, the proceeds will be reviewed by the board of trustees and the cabinet to determine how the funds will be used.

The following is the criteria to participate in the forbearance program for all congregations other than African American/Black and Native American.

- vi. The community's household income is below \$55,000.
- vii. The worshipers reflect the people living in the community.
- viii. The congregation does not have reserves/endowment that may be used to sufficiently fund the congregation's budget including billables.

- x. The congregation does not have sufficient giving by members to fund the ministry including billables for a congregation of its size.

A Future With Hope

A Future With Hope (AFWH) is a vital mission partner of the United Methodists of Greater New Jersey and serves to connect congregations to their communities. Founded in the aftermath of Superstorm Sandy in 2012, AFWH has the vision that "hope emerges where residents, businesses, organizations, institutions, and governments work together to heal communities. The title, A Future With Hope, arises from Jeremiah 29:11: For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11

During the relief phase, AFWH:

- Provided more than 50,000 meals.
- Provided day and night shelter for more than 5,000 people
- Distributed more than 11,000 cleaning buckets. More than 3,000 health kits, tons of clothing and other material supplies such as non-perishable food, heaters, blankets, etc.
- Assessed community needs and "mucked out" nearly 2,000 homes.

During the recovery phase, AFWH:

- Rebuilt or repaired 273 homes.
- Provided case management for 461 families.
- Hosted more than 12,000 volunteers from 48 states and two countries for a labor value of more than \$8 million.
- Received an estimated \$17 million in funding.

Today AFWH is focused on connecting churches and related not-for-profit organizations to their communities, focusing in three areas:

REPORTS TO GREATER NEW JERSEY

Real-estate repurposing. We have begun to evaluate properties among the 530-plus churches (worth more than \$1.4 billion) that comprise GNJ, to address them in systematic fashion. Some have great repurposing potential, others less so. We are delighted that the United Methodists of Greater New Jersey have formed Nehemiah Properties, a separate vital mission partner, which we intend to activate if and when we need a development corporation to implement

Hope Centers. Our Hope Center developers have designated 23 Hope Centers in counties throughout the state. Today we are seeking to designate five more and reinvigorate the missions of five current Hope Centers. We also want to set up a training network for Hope Center board and staff members.

Disaster response. We are pursuing a post-Sandy model, to make ourselves a reliable partner of state and county Voluntary Organizations Active in Disaster.

After seven years of processing plentiful disaster-relief and disaster-recovery grants and contracts, we are seeking creative sources of operating and capital funding.

We are pleased that the United Methodists of Greater New Jersey have formed Nehemiah Properties, a separate vital mission partner; we intend to suggest that Nehemiah be activated if and only if a real-estate repurposing project requires a community development corporation.

AFWH has a Board of Trustees of 13 members. Rev. Chris Heckert, pastor of Haddonfield United Methodist Church is chair, Niurca Louis, Assistant Commissioner of the New Jersey Department of Children and Families is vice chair.

These young people are equipped to be ethical, responsible, and responsive leaders who can discern their calling and determine how best to serve the needs of their communities.

Institutional Update:

- Africa University has an annual student population of more than 2,800. There are 25-30 African nations represented in the student body each year.
- The university's three colleges operate as centers for teaching, research, innovation, community engagement and enterprise development. Africa University is still the only university in Zimbabwe accredited to offer online degree programs.
- Students, faculty, and alumni contribute effective solutions to Africa's current challenges. Their interventions include graduate programs in migrant and refugee protection, articulated by refugee students, as well as doctoral level training for military chaplains in Africa. Why military chaplains? They are among the first responders in crisis situations in Africa who address immediate needs such as rescue, shelter, food, and comfort for the bereaved as well as the longer-term challenge of healing shattered dreams.
- Africa University is transitioning to solar energy provision on its main campus. With the support of the General Board of Global Ministries of The United Methodist Church, a residence hall for women and a new wing of the student union building. The buildings—constructed with a gift to the university from the Dallas, Texas-based Highland Park United Methodist Church—will be the first solar-powered facilities on the campus.
- Africa University affirms its commitment to The United Methodist Church, its Cross and Flame, and the denomination's global mission to make disciples of Jesus Christ for the transformation of the world, in every season and despite a shifting social landscape.

Archives and History, Commission on

I have been privileged to serve as chairperson of the Greater New Jersey Conference (GNJC) Commission on Archives and History (CAH) throughout this quadrennium and wish to thank all of the current and former commission members for their dedicated and faithful efforts to advance the ministry of memory within GNJC. We do extensive outreach and provide consistent support for GNJC, at a minimal impact on the shared ministry budget, thanks to the tremendous dedication and exceptional stewardship of our team. As a result, 2019 has been another productive year for the commission.

As the keepers of our missional memory, we supported vital congregations by resourcing clergy, lay leaders, and church historians with the tools to strengthen our Wesleyan identity. As the keepers of our institutional memory, we fulfilled our Disciplinary mandate to identify, preserve and make available the historic record of ministry within GNJ. Our extensive physical archival and digital collections serve as resources within which local churches can research their "Methodist DNA," and also function as repositories where churches can safely and securely and maintain their historical records and artifacts.

Additionally, we post guidelines for Church Historians, suggestions for writing church histories, records retention schedules, and a list of significant local church anniversaries, and provide other valuable historical resources online through the CAH webpage on the GNJC website.

2019 CAH HIGHLIGHTS INCLUDE:

ARCHIVAL COLLECTION: We preserve the historical records of closed churches within the bounds of GNJC and its antecedents and provide for the retention of the corporate records of GNJC boards, agencies, and committees. We manage a 1,100+ cubic foot archival collection located in the fire-safe, climate controlled, archival depository in the vault of the General Commission on Archives and History (GCAH) of the UMC, in the Archives and History Center at Drew University in Madison, NJ. Our archival space is secured through a unique and cost-effective rental agreement with GCAH. Our materials are available to local churches through the services of the Archival librarian.

ANCESTRY.COM: Our GNJCAH page on Ancestry.com received a total of 521,262 page-views, 260,370 image views and 260,892 text views during 2019. As a result, our closed church vital statistics (births, baptisms, deaths, and marriage records) are easily accessible, highly utilized, and extend our CAH influence far beyond GNJ! On Ancestry.com, our GNJC records are identified as: New Jersey, United Methodist Church Records, 1800-1970.

INTERNET ARCHIVE: We support an extensive digital library of historical journals and resources on Internet Archive (IA) and maintain a link to this resource from the GNJC website. IA is a free portal that allows us to post an unlimited amount of historical material online without impacting GNJC data rates. Digital copies of The Historical Trail and The Circuit Writer, the respective historical journals of the former SNJ & NNJ Annual Conferences, are available on Internet Archive. Since 2016, GNJC materials on IA have generated 3,194 page-views.

CHURCH HISTORY AWARDS: We inspire the celebration of our Wesleyan heritage and the preservation of local church history by hosting three annual church history awards; The Robert B. Steelman Church History Award, the Morris L. Smith Ethnic Church History Award, and the John C. Goodwin Multi-Media History Award. The Steelman Award is given annually to the local church that submits a history which best exemplifies an inclusive narrative on the life and ministry of the congregation from its beginnings to the present day. We awarded the 2019 Steelman Award to First UMC in Dover, NJ. In 2020, we have the honor of awarding the first-ever John C. Goodwin Multi-Media Award to Haddonfield UMC. for their video, "The Heritage Project (190th Anniversary)."

CONFERENCE HISTORIC SITES: Nominating churches as conference historic sites creates excitement about our historic heritage at annual conference and has proven to be an effective way that CAH can inspire our congregations to celebrate their place in

the mission and ministry of GNJC. In 2019, we nominated Centenary University in Hackettstown, NJ as a Conference Historic Site, which was approved by the 2019 GNJ Annual Conference Session (See United Methodists of Greater New Jersey 2019 Journal + Yearbook, Rooted, Annual Conference 2019, pp. 165-166).

We have been honored to be selected and look forward to hosting the NEJCAH 2021 Annual Meeting and Program here in GNJC.

WORK OF THE ARCHIVIST: Our commission assisted local churches efforts to document their past ministry with the help of our volunteer archivist, Walt Jones. Walt and Mark Shenise also assist the Conference Trustees with clarification of issues of boundaries and deeds, etc.

CONSULTATION AND SPEAKING: We also stand ready to provide consultation on historical issues and assistance in planning and celebrating significant anniversaries and events, including providing speakers to lift up the historical significance of the church or explore other topics related to our Wesleyan tradition, American Methodism and GNJ history. In 2019, I provided on-site consultation on historic records preservation for the church historian at Turning Point UMC in Trenton, NJ and preached at the 240th Anniversary Service for Bethesda UMC in Adelphia, NJ. Likewise, Mark Shenise preached for the Heritage Sunday Anniversary Service at Flanders UMC in Flanders, NJ.

Candler School of Theology

Since our founding in 1914, **Candler School of Theology at Emory University** has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders who are dedicated to transforming the world in the name of Jesus Christ.

This is especially important to note amid the current shifts in our denomination. It is an honor and a privilege for Candler to be one of 13 official seminaries of The United Methodist Church. Yet true to the Methodist tradition of ecumenical openness, Candler has enthusiastically welcomed the entire Wesleyan family to our community for generations. Faculty, staff, and students from the AME Church, the AMEZ Church, the CME Church, Free Methodists, Nazarenes, and others have worked, worshiped, learned, and prayed alongside United Methodists, and have been a vital part of shaping Candler and our mission. This diversity has been a wonderful gift and a rich blessing. As we move forward, we will continue to invite and welcome those from all expressions of the Wesleyan tradition. Indeed, we will continue to welcome all those who follow Jesus Christ.

This year, Candler has continued to strengthen our deep commitment to alleviating student debt and promoting financial literacy. In 2018-2019, we awarded \$6.3 million in financial aid, with 100 percent of Master of Divinity (MDiv) students receiving support and financial coaching. In fall 2019, we announced a major expansion of our financial aid program to include full-tuition scholarships for all MDiv students who are certified candidates for ordained ministry in The United Methodist Church, and new merit scholarships covering 75% of tuition for qualifying MDiv students who identify as pan-Wesleyan, and those pursuing chaplaincy through Candler’s new chaplaincy concentration. In addition, all incoming students in the Master of Divinity, Master of Theological Studies, and Master of Religious Leadership programs will receive awards covering at least 50% of tuition.

This year also saw the launch of two pilot “formation communities,” off-campus student housing that focuses on intentional living and spiritual formation. Students from multiple degree programs applied to take part in these pilot groups. At the start of the year, the housemates created a “rule of life” to guide their days together, emphasizing prayer, fellowship, and celebration. A house chaplain—a Candler faculty member or church leader—supports them and shares in the journey. The ten students who took part this year describe feeling a richer sense of community and deeper connections to God and one another in the midst

REPORTS TO GREATER NEW JERSEY

of their busy lives. It is clear that this fulfills a need for our seminarians, and we eagerly anticipate the program's growth in the coming years.

Candler's student body continues to reflect the diversity and breadth of the Christian faithful, with an enrollment of 470 from 12 countries and 38 states, with 40 percent people of color (U.S.) and a median age of 27 among MDivs. Students represent 42 denominations, with 45% of all students and 50% of MDivs coming from the Methodist family.

We offer six single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, and social work. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees.

Candler draws strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us in person or online at candler.emory.edu.

Centenary Fund and Preachers' Aid Society (CPAS)

The roots of what we now call The Centenary Fund and Preachers' Aid Society reach back to 1839 and the centenary of John Wesley's heart-warming experience of 1739—the year in which Wesley also established the first Methodist Chapel—which marked the beginning of what came to be known as Methodism. Our current Centenary Fund and preacher's Aid Society was established by charter granted in 1857, and in 2000 the charter was amended to rename the corporation The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church. The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the Greater New Jersey Annual Conference.

The fund continues this work by providing grants to retired pastors and their families with special needs who have requested aid, including help with such extraordinary as medical expenses, transportation needs, and loans to assist retired pastors obtain housing in Methodist (and other) Homes, among other ways. The Fund also contributes towards the cost of retiree healthcare insurance. In 2019 the amount contributed was close to \$700,000, and since 2004 the Fund has contributed nearly \$8 million for this purpose.

Only income from the fund is available for distribution, and income will only grow if the corpus grows. Fortunately, the Fund has received generous support over the years from faithful clergy, laity, and churches, by means of annual contributions and periodic donations as well as through bequests. Since inception the Fund has received more than \$6 million in donations, with a balance at the end of 2019 of nearly \$11,000,000.

This is my final report as chair of the CFPAS, as I stepped down as a member at the end of 2019. I have enjoyed my term on this Board and want to say a word of thanks to the members of the committee who have faithfully overseen the fund and have compassionately responded to requests for aid.

Finally, I need to say a special word of thanks to the Reverend Douglas Miller who served as the Centenary Fund's Outreach Director for a number of years and who also stepped down at the end of 2019. He brought wisdom, spirit, and humor to his work. We will miss the dedication and love he brought to his ministry among us.

Centenary Fund and Preachers' Aid Society (CPAS)

The Centenary Fund and Preachers' Aid Society was established by charter granted in 1857. In 2000 the charter was amended to rename the corporation "The Centenary Fund and Preachers' Aid Society of the Greater New Jersey Annual Conference of the United Methodist Church." The purpose of the Fund is to provide maximum income, consistent with the preservation of principal, for the support of retired clergy and surviving spouses and dependent children of deceased clergy who have served in the GNJ Annual Conference.

A primary way the Fund meets that purpose today is by contributing towards the cost of providing retiree healthcare. In 2019 the amount contributed was \$635,000 and since 2004 the Fund has contributed approximately \$7.5 million for this purpose.

REPORTS TO GREATER NEW JERSEY

The Fund also provides grants to pastors and their families with special needs who have requested aid, including help with extraordinary medical expenses, transportation needs and loans to assist retired pastors obtain housing in Methodist (and other) Homes, among other ways. Several such grants totaling just over \$9,000 in all were made in 2019.

The Fund has only been able to do this through the generous support of clergy, laity, and churches, by means of annual contributions and periodic donations as well as bequests. Since inception the Fund has received more than \$6.4 million in donations and in 2019 over \$40,000 was donated. The Fund Balance as of the end of 2019 was excess of \$11.8M.

To continue support for retired clergy and their families in the future, increased donations will be needed. Reverend Douglas Miller, the Centenary Fund's Outreach Director, has retired after serving faithfully for several years and the Fund is currently looking for a new Outreach Director. Please send resumes to Jack Scharf at JackScharf7@gmail.com.

We hope you will help us build up the Centenary Fund with your tax-free donations so that The Centenary Fund and Preachers Aid Society will be able to continue the substantial contributions needed in the future to fund retiree healthcare and to provide aid to retired clergy and their dependents.

Thank you so much for your support to date.

Christian Unity and Inter-Religious Concerns, Commission On

Greater New Jersey United Methodist Church has been functioning to recognize and sensitize the United Methodists to the Christian unity that its members received from their Savior Jesus Christ and continues to support the ecumenical unity and inter-faith relations. We as the members of this conference prayerfully support all the ecumenical bodies such as World Council of Churches, World Methodist Conference and attend the ecumenical meetings in the State of New Jersey as well as in United States of America.

We helped the New Jersey Council of Churches through our funds and sharing our concerns on ecumenical activities of the church as a whole.

We have also recognized the presence of people of other faiths in our midst in gratitude and have enabled United Methodist to see our ecumenical vision through the participation in the ecumenical conferences and meetings. We believe that our ecumenical vision will receive new vitality and energy and grow into meeting the challenges today.

The Ecumenical Institute was founded by The World Council of Churches in Switzerland in 1946 as an "ecumenical laboratory," bringing together students of ecumenism from across the Christian community. The Council of Bishops (COB) has offered an annual scholarship to one student to participate in the "Complementary Certificate in Ecumenical Studies" (CC) through Bossey in conjunction with the University of Geneva. A total amount of \$10,000 US was sent to Bossey on behalf of the chosen student. Ms. Rachel Callender's name was recommended by CUIR and she could avail the same. She attended the Mission Center in Bossey, Switzerland representing our Greater New Jersey Annual Conference.

United Methodist Ecumenical and Interreligious Training (UMEIT) is a ministry of The United Methodist Council of Bishops Office of Christian Unity and Interreligious Relationships. This had offered workshops with various lectures on "Ecumenical and Interreligious Concerns in Houston Texas between 23- 26 April 2020. On the resolution of the CUIR of the Conference two people attended these workshops and benefitted from it.

The Chairperson represented the Conference in 'The 146th Convention of the Episcopal Diocese of Newark and brought greetings. It is important to report that many of the members of this committee involved in interreligious programs and activities in various parts of the state.

We continue to support of both the National Council of Churches and the New Jersey Council of Churches. We continue to work with the Interfaith Dialogue with and in sponsoring smaller, regional lunch-on meetings on specific topics.

We continue to recognize persons and congregations who are active in ecumenical relations through the Bishop's Award for Christian Unity.

REPORTS TO GREATER NEW JERSEY

Conference who are not eligible to enroll in the Clergy Retirement Security Program (CRSP) will be credited, solely for the years appointed to that Advance Special, with actual years of appointment and service to the Conference, for the purpose of calculation of service year credits to determine allocation of pro-rated premium payment responsibility upon retirement.

1. The salary paying unit shall also be responsible for remitting premium for its lay employees who are enrolled in the Plan.

E. Sabbatical Leave (¶351) Clergy placed on sabbatical leave may continue in the Plan for a period of twelve months, provided they pay the premiums. Discipleship, Board of

Evangelism is a word that brings mixed feelings. However, evangelism is simply sharing your story and the activity of God in your life with others. The Board of Discipleship for the Greater New Jersey Annual Conference honors people every year who are living, breathing sermons who by virtue of the way they live their lives and minister are evangelizing to the world around them.

The Board of Discipleship (BOD) felt that the purpose of the Harry Denman Award for Evangelism had become either unknown or unclear over recent years. The board thus decided we needed to focus some efforts to promote this award and its meaning as we also sought nominations for this year. To this end we worked with Heather Mistretta to write a Relay article that not only explained the Harry Denman award, but also highlighted past recipients. We are honored to announce that Scott Bilquist from the First UMC of Tom's River in the Northern Shore District was a winner for the Laity Award. Scott Bilquist is on fire for Jesus. People of all ages are comfortable seeking him out when they need to talk to someone and Scott is not shy about responding to the question, "Why Jesus?". He is very active with his church's youth and maintains contact as they mature in their Christian journey.

Also receiving the award for Laity are Debra and David Chapman of the Cape May UMC in the Cape Atlantic District. The Chapmans have become involved in mission trips to Kenya through a family member who is a pastor in another denomination. When David returns, he passionately shares his experience and invites others to join in future trips. Debra is unable to travel but is very supportive on the home front. Together they sponsor children in Kenya and Guatemala as so several church members as a result of David's witness.

Our youth award goes to Grace Brameyer of Trinity UMC in Hackettstown in the Skylands District. Grace is described as a mature, deeply reflective, inspiring high school freshman. She stands firm in her belief of Jesus as her Lord and Savior and is sure of her identity in Christ. She easily proclaims this and is not easily influenced by her peers. She doesn't focus on the typical issues of girls her age, but rather she shares Jesus and her savior and the type of forgiveness that comes with that. She is at ease serving those experiencing homelessness and talking to them about Jesus. She is fearless in sharing her faith with others of all ages.

In addition to the raising awareness of the Harry Denman Award for Evangelism, the Board of Discipleship has also improved its page on the GNJ webpage. Included there now are links to a variety of resources to aid churches and individuals in their discipleship journey. These include the Walk to Emmaus communities within GNJ, the Upper Room's offerings of the Two-Year and Five Year Academies, Junius Dotson's Soul Reset, the Be A Disciple webpage, Search, Tres Dias, and the Order of St. Luke. All of these are resources for discipleship.

The Board of Discipleship also has a voice on the GNJAC full Connectional Table and on the Connectional Table Executive Committee. This year that included participating in the GNJ Way Forward.

REPORTS TO GREATER NEW JERSEY

The BOD desires to structure its future work so as to continue to resource and support lay and clergy spiritual leaders to make and mature disciples that grow vital congregations and transform lives as well as their communities. We continue to explore how the BOD can best serve in this way.

Dean L. Gregory Jones, Dean of the Divinity School and Ruth W. and A. Morris Williams Jr. Distinguished Professor of Theology and Christian Ministry, had his term as dean extended for a full five years through 2023.

The Duke Endowment awarded Duke Divinity School (DDS) a \$12 million grant in support of DDS's three core priorities and traditions: Thriving communities enlivened by healthy congregations and gifted pastors, embodied wisdom through rigorous intellectual vitality, and creative institutions that inspire imaginative and transformative leadership including the Thriving Communities Fellowship program, which will provide 52 new full-tuition scholarships over the next four years.

Duke Divinity School launched the Duke Divinity: Black Pastoral Leadership Collaboration which will draw on original research in Black church traditions and historical examples of effective Black church leadership to train and build networks of effective leaders for the Black church of today and the future. The collaboration will be led by the Rev. David Emmanuel Goatley, research professor of theology and Black church studies and director of the Office of Black Church Studies at Duke Divinity School.

In 2019, Duke Divinity School welcomed 215 new students from 33 different states and seven other countries, including Canada, Malaysia, Singapore, South Korea, Taiwan, Thailand, and Zimbabwe. The Master of Theological Studies (M.T.S.) and Master of Arts in Christian Practice (M.A.C.P.) degree programs received record enrollments of 35 students and 22 students respectively. The Master of Theology (Th.M., 14 students), Doctor of Ministry (D.Min., 20 students), and Doctor of Theology (Th.D., 4 students) all had strong enrollment. The D.Min. program was named the top online program by TheBestSchools.org. Duke Divinity's new Certificate in Theology and Health Care will enroll 8 students, all of whom are fellows with the Theology, Medicine, and Culture (T.M.C.) Initiative at the school. The M.T.S. program also includes 8 students who are T.M.C. fellows, for a record year of 16 total fellows. The M.Div. degree program gained 110 new students, with minority students comprising more than 32 percent of the incoming M.Div. class, and Black students comprising 18 percent of the incoming M.Div. class. Female students made up 44 percent of incoming M.Div. students, while males were 56 percent. There were 24 denominations represented in the M.Div. entering class, with 42 percent affiliated with The United Methodist Church.

Two new faculty members, Brent Strawn, and Brett McCarty, joined the DDS faculty in July 2019. Strawn, Professor of Old Testament, is an ordained elder in the North Georgia Conference of the United Methodist Church. Strawn has a secondary appointment as a Professor of Law at Duke University School of Law. Prior to joining the Duke faculty, Strawn taught at Candler School of Theology at Emory University for eighteen years.

McCarty, Assistant Research Professor of Theological Ethics, is a theological ethicist whose work centers on questions of faithful action within health care. He is associate director of the Theology, Medicine, and Culture Initiative at Duke Divinity School, and he holds a joint appointment in the School of Medicine's Department of Population Health Sciences.

Randy Maddox, William Kellon Quick Professor of Wesleyan and Methodist Studies, general editor of the Wesley Works Editorial Project, and elder in the Dakotas Conference, retires at the end of the 2019-2020 academic year.

United Methodist faculty member Brittany Wilson received tenure and promotion to the rank of Associate Professor. Tito Madraza joined the administrative leadership of the Divinity School as Senior Strategist for the Hispanic House of Studies. He will also serve as a consulting faculty member.

The Hispanic-Latino/a Preaching Initiative is currently in its fifth year of providing high quality theological education to current and aspiring Hispanic-Latino/a ministers. 21 students from multiple denominations are taking courses with us this year.

The Duke Endowment has also awarded Duke Divinity School a grant of \$5.5 million over five years to cultivate meaning and purpose across diverse professional schools at Duke. The Lilly Endowment has also awarded grants to Duke Divinity School to coordinate initiatives on "Thriving in Ministry" and "Thriving Congregations" across the United States.

Educational Society

The Educational Society is an agency of the Greater NJ Annual Conference of the United Methodist Church whose goal is to assist with the education of clergy for the edification of the church. We are composed of clergy and laity from across the conference and have been assisting men and women of New Jersey called by God to full-time Christian service by providing scholarships and loans for more than one hundred and fifty years. We are supported by the repayment of loans, interest earned from long-standing endowments, grants from the Annual Conference, and by local churches and individuals through the Conference Advance #622. The Conference Advance #622 is an opportunity for local churches to subsidize and affirm the ministry and education of New Jersey United Methodist pastors who have reaped the benefits of the Society's ministry by supporting the Educational Society in its historic mission.

In 2019 the Educational Society was delighted to award \$9,600 in scholarships and loans to 3 recipients in order to further their seminary and leadership development education. Applications for GNJ Educational Society scholarships and loans can be downloaded from the conference website at <https://www.gnjumc.org/resource/2016-educational-society-application/>

If you would like more information about the Educational Society and its ongoing ministry of underwriting seminary education, please stop by our display at Annual Conference or email Rev. Donald Stevens (revdon64@hotmail.com) or Mrs. Jo D. Malessa (ma_malessa@comcast.net).

Episcopacy Committee

The Episcopacy Committee met quarterly with Bishop Schol during the past year for the purpose of support, encouragement, communication of Conference priorities and to provide feedback when solicited. We have participated in an evaluation of the Bishop, discussed matters related to the Jurisdictional Committee on Episcopacy and assured that the Episcopal residence is in excellent condition.

At each meeting the Bishop reported on his work and goals for himself and for the Conference. He kept us informed on the work of The GNJ Way Forward Team and proposals presented at the Special Session of the GNJ Annual Conference in response to the position adopted on LGBTQ concerns at the Special Session of the General Conference in February 2019.

Episcopacy Committee members have been open in expressing their opinions. The Bishop welcomed and responded candidly to questions. We have been especially touched by the Bishop's love and concern for his staff throughout the year.

Equitable Compensation, Commission on

The responsibilities for the Commission on Equitable Compensation as outlined in ¶1625.2 of the 2016 Book of Discipline are four-fold: 1) To recommend conference standards for pastoral support; 2) To administer funds used in base compensation supplementation; 3) To provide counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations; and 4) submit an arrearage policy to be adopted by the annual conference. The commission has been actively working in each of these areas through a resource to help SPRC committees in setting salaries, developing salary and benefit recommendations for adoption at the Greater New Jersey Conference session, and developing a new arrearage policy for GNJ.

The work of the commission requires balancing the compensation needs for clergy with the realities of shrinking resources within our congregations. Each year, we continue to lose full time appointments, yet the spiritual needs of our congregations and the communities that surround them have not diminished. We are acutely aware that increases in compensation move some congregations closer to part time status with the resulting reduction in benefits. That, however, must be balanced with

REPORTS TO GREATER NEW JERSEY

the economic realities for clergy living in one of the most expensive areas in the nation, some carrying burdensome student loans, others facing the costs of growing families, and still others facing future retirement in an uncertain economy.

Pastor's compensation is often compared to that paid to local public school teachers. In many communities this compensation is analogous. However, in public education, a teacher with 15 years' experience in most districts will earn 50% more than a first-year teacher with increases for additional education and other levels of responsibility. Pastors in churches strictly utilizing the guidance from the 15-year chart in our journal will see only a 10% increase over those same 15 years, with no differential for education, size of church, or types of responsibilities. This points to the need for congregations to begin conversations and planning to strengthen clergy support equitably that considers years of service, educational levels, effectiveness, differing responsibilities and expectations, and the cost of living in that specific community. Not everything can or should be legislated by the annual conference, and one of the goals of the commission for the coming year is to create resources that can be used by local churches to begin increasing pastoral compensation that surpasses a minimum approved by the annual conference, to transform the mind-set from scarcity to abundance, from "what's the minimum we have to pay" to "how does our compensation reflect our commitment to excellence in ministry." GNJ trails other conferences in compensation, making it challenging for our pastors and difficult for recruitment of promising new pastors to meet our future ministries. We need a different approach.

The commission is recommending several changes in policy for the coming year concerning part-time service of clergy, contained in our recommendation to the conference. In the continual need to update parsonage standards, our recommendations have not changed substantially, but ask that pastors and local churches be in conversation about how certain services such as cable/phone/internet and local health and safety standards will be met as the diversity of GNJ makes it difficult to make a one-size-fits-all approach.

In closing, my thanks to the Rev. Christine Day for her service as chair of the Equitable Compensation Commission for the past several years and to the members of the commission for the seriousness with which they approach our work together.

Global Ministries, Board of

The Conference Board of Global Ministries works with Missionaries, our Advance Specials, Agencies, Conference staff and it also aligns with the strategic goals of GNJAC.

Advance Specials: Advance Specials are required to submit a reapplication each year and provide supporting documentation. The list of Advance specials may be found in the Board's resolution.

The conference Board of Global Ministries is diligently working on finding ways to encourage churches to support the Advance Specials. This committee is dedicating time to visit Advances Specials and help share their stories in the conference. The committee is also working on ways to share stories of transformation and impact, share why hosting missionaries is important, and give updates in other mission areas (including ways the church can increase their involvement in mission).

Global missions, Conference Secretary (CSGM): In the Greater New Jersey Annual Conference, the position of CSGM is held by the Chair of the Board of Global Ministries as well. The CSGM works with the General Board of Global Ministries with the responsibilities outlined by the Book of Discipline which includes accommodating missionary's itineration at our conference.

The Conference Board of Global Ministries has met several times including conference calls to discuss activities for 2020. There is a unanimous interest from committee members to be more involved in communicating mission opportunities to youths and young adults in our Conference.

Higher Education and Ministries, Board of

The Board of Higher Education and Ministries (BHEM) has mandates and responsibilities listed under ¶1634 in The Book of Discipline of The United Methodist Church and is the leadership development agency of The United Methodist Church. “Its mission is preparing global leaders for a global church and the world. Every elder, deacon and licensed local pastor benefits from our training and candidacy programs. Many young adults find help in clarifying their vocation and God’s call on their lives through our leadership and discernment programs.” (gbhem.org)

“UM Collegiate Ministries are the missional presence of The United Methodist Church on college and university campuses around the world. Through a network of chaplaincies, Wesley Foundations, ecumenical ministries and church-based ministries, The United Methodist Church reaches more than 1,300 campuses around the world!

“We are called to share with our campuses the transformational nature of Christ in a way that raises up a new generation of thoughtful, articulate Christians who care about making the world a better place. While this calling looks and feels very different across our campuses, it is central to our identity and it compels us to provide intentional, student-led ministries that reach this emerging generation of leaders.” (gbhem.org)

This past year The Board of Higher Education and Ministries of Greater New Jersey has continued its work and conversations with Next Gen Ministries and Eric Drew, Executive Director of Next Gen. In our meetings we have been exploring ways in which we could partner to better provide our campus ministers and teams with resources that will allow each campus to be creative, resourceful, and innovative in the campuses and contexts in which they lead. This includes funding through grants from BHEM that will provide resources, directly and indirectly, for retreats, coaching, trainings, and other events sponsored and hosted by the General Board of Higher Ed for GNJ campuses and ministers.

As a GNJ Agency, the Board of Higher Ed will continue to promote and award scholarships to GNJ students aspiring to attend Methodist colleges and universities and other schools while growing into their call to mission and ministry in the areas of youth ministry, outreach, mission, service, and a call to pastoral leadership and ministry. This past year during the month of April of 2019 BHEM received over 65 electronic scholarship applications and we were able to award eighteen (18) scholarships to GNJ students (amounting to \$23,930), who submitted complete applications by the deadline. All applicants have great vision and passion for ministry, participate in their local church in mission and ministry and community service opportunities which makes our selection that much more difficult due to the limited funds available. We are grateful for all the clergy, church leaders, and mentors who take the time to guide the youth through their faith life and academic journeys and for encouraging them to continue to seek God in their spiritual and academic endeavors.

Every year BHEM encourages the participation of clergy and laity in the search for a recipient of the Francis Asbury Award (non-monetary award). This award recognizes those who encourage and support higher education and campus ministries within the United Methodist Church. It is for all clergy or lay, employed or volunteer, who are active in supporting, strengthening, and promoting higher education ministries. Last year’s recipient of the Francis Asbury Award was Rev. Dr. Drew Dyson for his passion, leadership, and belief in the younger generation. Rev. Dr. Drew Dyson was one of the key supportive leaders in recruiting Rutgers University, East Brunswick Campus, as one of our newest campus ministries.

Our current campuses are:

- Rockland County Community College, Rev. John Kwon
- Centenary University, Rev. Timothy Nicinski
- Wesley Foundation/Princeton University, Pastor Erik “Skitch” Matson
- Kingston University/Feed Truck, Jessica Winderweedle,
- Rutgers University, Pastor Joseph Jueng
- Campus Ministries initiated through Next Gen Ministries
- The College of New Jersey
- Drew University

We will continue to build and encourage relationships between college campuses and nearby congregations through the leadership and witness of youth attending campuses where there is potential for campus ministry opportunities. Your continued prayers and support for our campuses, ministers, and chaplains; our board members, and our conference youth and leaders will be greatly appreciated!

Laity, Board of

The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ. Ephesians 4.11-13

The mission of the Conference Board of Laity is to enable laity to have full and equal partnerships with clergy and within the Conference, work with the Conference to grow lay leadership and provide lay opportunities for growth. The Board helps develop principled spiritual leaders for the Church and works as the Catalyst for Laity Leadership Education, Lay Servant Ministries, Laity Session at Annual Conference, Laity Leadership Academy, Lay Ministry Recognition, United Methodist Women, United Methodist Men Youth and Young Adult Ministries and the work of the District Lay Leaders. As a board we continually look at ways to grow the laity of GNJAC in the understanding and interpretation of God's word to be equipped as effective leaders in sharing the gospel with other people. The Laity board is in partnership with our local churches and all of our activities are directed towards improving the ministry together. Encouraging the lay leadership to grow and make time for education so that we become more equipped to do the work of ministry in a complementary role with our clergy leaders. We are seeing a major move of the Holy Spirit within the Church right now as we identify, equip, encourage, and fulfill God's purposes and call for each of us in the local church. We have witness in our yearly Lay Ministry Recognition Program growth each year, as numbers of applications and attendance increases this year to 35 applications. Lay recognition program provides an opportunity for our laity to witness how God is embracing and working in the ministry of the local church.

Re-structuring of the Laity Education Curriculum is developing as changes have occurred in the Certified Lay Ministry and Lay Servant Education programs as the Laity Board works with Rev. Juel Nelson to improve and align Laity Education. The goal: To launch a congregational leadership development ministry that is seamless, builds on applied learning, shapes, and supports congregational leaders to lead with excellence and achieve growth in the five markers of vitality.

Provide educational opportunities for Five Competencies of Congregational Leadership:

1. Spiritual Servant Leadership
2. Cultural Competency
3. Leadership through Change and Conflict
4. Emotional Intelligence
5. Narrative Leadership through Storytelling

Providing a Biblical foundation for raising up disciples who serve as leaders, managers, lay ministers, prayer warriors, and storytellers is the base of the processes of aligning Laity Education with the Strategic plan. All persons in the conference will have equal opportunity to be equipped, whether for lifelong learning or certification, resources will be available to the laity. The Laity Board continue the mission of advocacy, equipping and effectively deploying and supporting the local church leaders for ministry.

2019-2020 Board of Laity Leadership Goals (Revised) 9-15-18

The Laity Board Will review and ensure that lay representation at Annual Conference 2021-2024 is equal in membership in accordance with the GNJAC Rules of Order/ Book of Discipline. New Quadrennial "At Large Members" will apply online and agree to be faithful to process as well as Commit to attend Annual Conference and report back to local congregation.

1. The Laity Leadership Academy (Leadership Academy) will continue to work to create a culture of learning in which laity throughout the Annual Conference will have an opportunity to become engaged, equipped and empowered to be effective partners with each other and their clergy partners to lead the church and reach the community as disciples of Jesus Christ.
2. The Laity Board will continue to celebrate the ministry of faithful laity with a format called "Lay Ministry Recognition." This program recognizes a person or group that has been creative and innovative in transforming lives and making disciples of Jesus Christ. This is for the purpose of resource sharing and encouraging congregations in their ministries. The Laity Board will choose ministries from each district to be highlighted in April each year, at GNJUMC Mission and Resource Center. This program will be reviewed on a yearly basis.
3. The Laity Board will work with the Connectional Ministry Team and District Superintendents to ensure Christian leaders are offered vital and vibrant educational programs that develop:
 - a. fruitful and transformational leaders
 - b. communication and interpersonal skills

Native American Ministries, Committee on (CONAM)

CONAM has been trying to grow our youth to assume leadership roles with especially vigorous effort this past year. One youth is serving on the committee membership. Thirteen youth from St. John UMC and Haven UMC, both churches where the largest numbers of Native Americans worship, attended IGNITE together. Their tuition and housing were supported by CONAM. In October, six youth from St. John UMC were sponsored by CONAM to attend the Peg Leg Flamingo Retreat in Hocking Hills State Park in Ohio. The retreat was under the guidance of the Native American International Caucus. CONAM is also hosting the Northeast Jurisdictional CONAM Annual Meeting in October 8-10, 2020 in Vineland, NJ.

Preparations are under way for this important gathering. Our presence continues at the Greater New Jersey Annual Conference with an exhibit table.

Nehemiah Properties

Nehemiah Properties (Nehemiah) is a vital mission partner of the United Methodists of Greater New Jersey and serves to act as a community development corporation in cases where GNJ needs a partner to serve directly in real-estate transactions. Nehemiah Properties comes from the Book of Nehemiah, in which Nehemiah was selected to rebuild the walls of Jerusalem.

A Future With Hope serves to evaluate properties and advise GNJ and individual churches on their real estate. Most often a repurposing project will be handled by GNJ or church trustees in consultation with their District Boards of Church Location and Building and/or in partnership with private-sector or nonprofit developers.

From time to time, a repurposing project may require a partner of GNJ to serve as a community development corporation, in which case Nehemiah will be considered as that partner.

Nehemiah has a Board of Trustees of six members, half coming from the GNJ Board of Trustees and half from the AFWH Board.

Next Generation Ministries

God is doing a new thing, bringing disciples to life, and transforming their lives through the power of the Holy Spirit! The mission of Next Generation Ministries is to cultivate and catalyze new generations of enthusiastic disciples of Jesus Christ who connect, grow, and lead their congregations and communities for the transformation of the world. This is happening and we're seeing a new wave of youth, faithful leaders!

In May 2017 GNJ approved the Next Gen Strategic Plan, empowering Next Gen to pursue 3- and 10-year goals in youth, campus, and camping ministries. Please review our progress on the 3-year goals, as well as our proposed goals for the next 3 years, in the legislation we submitted.

REPORTS TO GREATER NEW JERSEY

Here are a few things we are learning:

- The next generation of disciples thrives as leaders. Cultivate internships, providing high school and college students paid internships in local churches, have been transformational for students, mentors, and churches.
- Student participants are looking for and taking next steps to grow in faith and discern leadership in ministry. Churches are being revitalized through new, younger leaders.
- Faith formation happens over time. While IGNITE creates a catalytic moment for students to encounter God, one mountaintop moment each year isn't enough. After IGNITE 2019 we created a Discipleship Calendar, including the IGNITE Conference, IGNITE Communities (regional youth worship nights) and culminating in IGNITE Summer Camps. This regular programming for youth is thriving, supporting local churches to grow faith and leadership with youth and start new youth groups.

I love the stories of Daleishka, Braedon, David, Amirah, Rolando, and more young people who have engaged through Cultivate, IGNITE or Summer Camp. After participation, each of these young people stepped into deeper leadership in their local church or ministry setting. They're leading youth groups, college ministries and elementary programs; they're discerning and preparing for seminary. A new generation of leaders is rising now.

Our greatest challenge is financial sustainability. While we are seeing great fruit, continued operation of camps and IGNITE relies on an increase in program attendance. Growth in campus ministries will require additional investment for campus ministers and program resources. To thrive amidst these challenges and opportunities, we remain committed to growing connections with local churches, supporting churches to increase their number of young people, aligning programs and budgets for sustainability, and raising money to provide scholarships and additional opportunities for young people and local churches.

This is a difficult time for our denomination, but we believe that the next generation of disciples are the leaders that the church needs today. It is already happening here!

- Through the IGNITE Conference, Communities and Camps, over 7,000 youth have connected with God.
- Through learning groups, leadership teams and internships, over 200 young people have been mobilized into leadership.
- We have ministries on 7 college campuses with the potential to reach thousands of college students.

God is not done with us yet. God is moving in a new and exciting way. God is raising up new generations of disciples of Jesus to lead the church! Through anxious and unsure times, Next Generation Ministries will be a voice that leads us to focus on our mission: making disciples of Jesus Christ for the transformation of the world.

We're grateful for your support and partnership in ministry. We're excited to see what God continues to do. We will lead on, together.

Pension and Health Benefits, Board of

The Greater New Jersey Conference Board of Pension and Health Benefits (the Board) is authorized by The Book of Discipline of the United Methodist Church to contribute to the support, relief, assistance and pensioning of clergy and their families, as well as other church workers and lay employees of the United Methodist Church.

Working with the Wespath Benefits and Investments, the Board endeavors to implement and interpret national and conference policy.

Pension

Pre-1982 Pension Plan

The 2020 Past Service Annuity Rate for pre-1982 annuitant payment is \$699 per year of pre-1982 service. The 2021 Past Service Annuity Rate for pre-1982 annuitant payment will be \$713. The pre-1982 pension program continues to be fully funded and in a strong position.

CRSP/MPP and CPP

The General Conference's pension plan, Clergy Retirement Security Program (CRSP) is a hybrid of defined benefit and defined contribution approaches which took effect in 2007. For 2020 churches pay CRSP at 12.5% of clergy plan compensation and for

REPORTS TO GREATER NEW JERSEY

the Comprehensive Protection Plan (CPP) at 3% of clergy's plan compensation, and UMLife Options at 2% of plan compensation for ½ time clergy.

The 2012 General Conference enacted changes to the Clergy Retirement Security Program. Effective 1/1/2014 for all contributions going forward, the CRSP Defined Benefit component was reduced from 1.25% of DAC to 1.0% of DAC.

Under the CRSP Defined Contribution component, contributions were reduced from 3% to 2% of clergy plan compensation and, in addition, match up to 1% of compensation if clergy contributes 1% to UMPIP. Contributions previously made will not be affected by this change and benefits paid upon retirement will be based on the previous formula for all benefits accrued prior to 1/1/2014. Any benefits accrued from that date forward is based on the new formula.

Additionally, the General Conference changed the participation requirements from all clergy under appointment to only clergy under full time appointment. Clergy appointed to less-than-full-time (3/4 and 1/2-time) are eligible based on the decision of the Annual Conference after approval of the Conference Board of Pension and Health Benefits. The Board has voted to include those clergy appointed to less-than-full-time (3/4 and 1/2 time) appointments in CRSP. For clergy appointed to 1/4-time appointments, a vote of the Board has made UMPIP available as a pension option for those clergy. Please contact Alexa Taylor, Insurance and Benefits Services Manager, for more information on this option. These changes require Annual Conference approval.

The rates of remittance for the Clergy Retirement Security Program/Ministerial Pension Plan (CRSP/MPP) and Comprehensive Protection Plan (CPP) decreased from last year's rates to 88.84% and 87.91% respectively. Eighteen percent of churches were unable to pay these bills on time. Below is a summary of 2019 remittances:

Type	Remittances Rate	2019 Shortfall	# of Churches Paying < 100%	% of Churches Paying < 100%
CRSP	88.84%	\$291,684	101	18.36
CPP	87.91%	\$67,962		

To maintain clergypersons' participation in CRSP/UMPIP and CPP/UMLife Options, the Greater New Jersey Conference fully pays delinquent church accounts using funds from the Reserve Account at Wespeth Benefits and Investments. We are concerned that some churches are not fully meeting their obligations with the resulting decrease in the Reserve Account.

By 2019 year-end the cumulative delinquent amount for years prior to 2019 was \$2,279,000 for CRSP/MPP and \$477,000 for CPP - a total of \$2,756,000, a decrease of \$5,000.

We thank those churches that maintained faithful stewardship, paying 100% of their obligation. We also appreciate the continuing efforts of our district superintendents, Alexa Taylor, Insurance and Benefits Services Manager, to collect the past due balances. More than \$98,000 of the 2002-2018 shortfalls was collected in 2019.

Pre-Retirement and Financial Seminars

The Board sponsored two sessions, financial and retirement education which were held at the Mission and Resource Center of Greater NJ on March 4 and March 5, 2020. The pre-retirement seminar focuses on those anticipating retirement within five years and the Financial Seminar focuses on financial wellness. Presentations by Robert Christophel of Wespeth Benefits and Investments and Ernst & Young provided valuable guidance to assist participants. Special thanks go to Jennifer Cho for organizing this event. Thanks also to Alexa Taylor, Insurance and Benefits Services Manager, for assisting and providing support.

Health Insurance

For 2020, the Board continued Active health insurance under HealthFlex, the health insurance plan sponsored by the Wespeth Benefits and Investments. The medical provider network is Blue Cross/Blue Shield PPO; the pharmacy benefits are provided through OptumRx. Beginning in 2015, Wespeth no longer offers retiree health insurance. The Board implemented United HealthCare's National Medicare Advantage PPO Plan which combines the participants' Medicare A & B, supplemental coverage, and Part D prescription plan.

REPORTS TO GREATER NEW JERSEY

The Board has again provided a contribution to participants' Health Reimbursement Accounts for 2020 of \$1,750 for single and \$3,500 for all other plan types which can be used for qualifying medical expenses (such as co-pays and deductibles). These funds do not expire and are accessed through a MasterCard branded debit card, or via a reimbursement form.

Premiums and Remittances

The following chart shows church premium rates in effect for 2020. These rates reflect a Cabinet- requested blended rate for all categories, which the Board has been moving toward for several years, so that health insurance premiums are not a factor in determining clergy appointments.

Health Insurance Premiums for 2020	
Employee	\$15,000
Employee & Child(ren)	\$15,000
Employee & Spouse	\$15,000
Employee & Family	\$15,000

The Board thanks all churches that fully paid their health insurance premiums in 2019. Overall, churches paid 94% of the total \$4,171,642 health insurance billings, a decrease from the 2018 remittance rate of 98%. The 2019 shortfall was approximately \$244,000. By 2019-year end, the amount owed from years prior to 2019 had been reduced by \$148,597 and the cumulative unpaid health insurance bills had increased to \$3,493,795 owed for years prior to 2019.

Churches failing to fully pay their premiums burden all churches and result in higher health insurance premiums for all. Thanks go to the Conference/BOPHB Treasurer John Cardillo, Benefits Assistant Veronika Varga, and the Cabinet for their continued efforts to collect health insurance arrearages.

The Board and the Conference staff have continued their efforts to ease the continued transitions in healthcare. The Health Insurance Guidelines included in these 2020 Conference Reports and Recommendations have been updated.
Annuitant Health Care Liability

As of the end of 2018 the Financial Accounting Standards Board FAS 158 liability for annuitant healthcare costs in the amount of \$61 million was posted to the Conference balance sheet. This liability is the estimated present value of the future costs of annuitant healthcare. The Annuitant Health Insurance Contingency Fund described below has been set up to address this large liability over time.

Annuitant Health Insurance Contingency Fund

In 2002-2003 the Board, recognizing the growing magnitude of annuitant healthcare costs, together with the Centenary Fund, representatives of CFA, the Cabinet and the Association of Retired Ministers and Spouses (ARMS), developed a plan for a long-term Annuitant Health Insurance Contingency Fund that begins to offset the liability and ensure that retirees continue to enjoy conference-paid health insurance. The Fund was initiated by the 2003 GNJ Annual Conference and earmarked exclusively for healthcare costs for annuitants to cover higher premium costs expected in future years.

The plan for the Fund involves a multi-year period during which excess pre-1982 retirement funds would be used to pay CRSP defined-benefit requirements and comparable funds from churches would be used to create a permanent retiree health fund. This is a critical initiative since it is clear that the Conference cannot continue to fund retiree health insurance on a cash basis out of the Conference Budget.

As of December 31, 2019, the Annuitant Health Insurance Contingency Fund held a balance of \$4,085,225 after transferring \$1,097,333 to the Annuitant Health Insurance Account to avoid a negative balance in that account at year-end. In 2019 approximately \$2,040,000 came into the Contingency Fund (representing the 2% clergy and staff salary contributions toward the cost of health insurance) plus the Centenary Fund's annual contribution (in excess of \$500,000, separate from their \$100,000 contribution directly to the Annuitant Health Insurance Account).

Religion and Race, Commission on (CORR)

He has told you, human one, what is good and what the Lord requires from you: to do justice, embrace faithful love, and walk humbly with your God. Micah 6:8

The GNJ Commission on Religion and Race (GNJ CORR) advances the mandate of the General Commission on Religion and Race (GCORR). "GCORR is the core agency within the United Methodist Church tasked with empowering the Church to pursue racial equity and cultural competency to build a stronger, more vibrant UMC." NJ CORR is charged with this same task in the Greater New Jersey Conference (GNJ) by promoting full and equal participation of the racial and ethnic constituency in the total life and mission of the church GNJ CORR seeks to empower clergy and laity to develop transformational leaders and vital congregations.

I have served as the Chairperson GNJ CORR for two quadrennium; this is my final year to serve Greater New Jersey in this capacity. During the last eight years, many people serving as members, monitors, supporters, and volunteers have worked with GNJ CORR to bring about racial justice, access, and equity. They are too numerous to name in this report; however, I would like to highlight some, who with Christ-like humility have been committed and consistent in labor and love: Bonnie Harley, Laura Lin, Rev. Kathleen Stone, Rev. Danny Thomas, Rev. Terisita Matos-Post, Rev. Brian Joyce, Charles "Chuck" Parrot, my sons, Anson and Aaron Wilson Watson, and the people of Magnolia Road UMC who are always working with me behind the scenes.

Over the last eight years the function of GNJ CORR has transitioned from monitoring and reporting to developing models for conversation and learning experiences to facilitate diversity, cultural competency, and intercultural conversations. GNJ CORR have also been active in justice ministries.

Some of the key activities include:

The Conversation About Race- The Conversation About Race was initiated in 2013 by GNJ CORR as a safe forum for clergy and laity to discuss issues of race, ethnicity and culture, as well as gain tools to build bridges for full and equal participation of racial and ethnic people in the total life of the United Methodist Church.

The initial Conversation About Race, "The Gift of Difference," was the initiation of a series of conversations facilitated by Visions, Inc.

In 2014, GNJ CORR developed the Just-in-Time Conversation About Race as a response to the continuing violence in our nation directed towards African Americans, which at that time was evidenced by the death of Michael Brown. A variety of speakers presented. Using technology Rev. F. Willis Johnson was able to provide information from Ferguson, Mo.

Over the years the Conversation About Race and the Just-In-Time Conversation About Race have broached many topics including: "Cultural Competency", "Communications", "Prayer and Reflection" and "Leading with Love and Not Fear". Presenters included Dr. Leah Gunning Francis and Tammy Bormann.

In addition, GNJ CORR has formed a Wisdom Circle to hear the voices of those who served in Cross-Racial Cross-Cultural sites. GNJ CORR supports and remains committed to 10 Year Intercultural Competence Plan that Bishop Schol initially announced at the 2015 Conversation on Race.

Annual Conference Dinner Collaboration - Firmly believing there is strength in unity, GNJ CORR has collaborated with other committees and commissions such as The Board of Church and Society, the Commission on Christian Unity and Interfaith Relationships, Committee on Ethnic Local Church Concerns and the Committee on Native American Ministries, Black Methodists for Church Renewal, and the United Methodist Women for Conversations About Race, as well as, the Annual Conference Dinner.

REPORTS TO GREATER NEW JERSEY

At the Annual Conference Dinner GNJ CORR has explored a range of topics including “50 Years after the Abolishment of the Central Jurisdiction: Looking at Race in the United Methodist Church” presented by Dr. Morris Davis and “How to Communicate Effectively in a Polarized World” presented by Dr. Kenzoe Brian Selassie.

In 2019, GNJ CORR collaborated with The GNJ Commission on Religion and Race, the Conference Board of Church and Society and Christian Unity and Interreligious Concerns to host guest speaker, Rev. Dr. Althea Spencer Miller, whose topic was “Pentecosting Biblical Interpretation.” The presentation was insightful and captivating.

Training - Members of GNJ CORR have been trained by Rev. Giovanni Arroyo of GCORR, and GNJ CORR has presented training on Cultural Competency, the New Jim Crow, Healing Communities and Healing Communities Train-the Trainer. “Healing Communities is a framework for a distinct form of ministry for men and women returning from or at risk of incarceration, their families and the larger community. Healing Communities challenges congregations to become Stations of Hope for those persons affected by the criminal justice system.”

Healing Communities training and/or PaCE Group was hosted in North, Central and South Jersey. The Training in North Jersey was done in collaboration with Rutgers Law School. Representatives from many congregations were trained; three people elected to continue as trainers: Rev. Lourdes Magalhaes, Rev. Delores Wooten Troutman, and myself. Rev. Magalhaes used this training to enhance her work in the area of immigration.

Justice Reform - GNJ CORR’s justice projects have included: support of Bail Reform Legislation, Ban the Box Legislation, and support for the school desegregation case.

Conference Resolutions and Legislation - In 2019, GNJ CORR also supported the work of the Way Forward Committee and the Way Forward legislation. GNJ CORR also supported the Breaking the School to Prison Pipeline [SPP] Resolution presented by the United Methodist Women and remains firmly committed to destroying the SPP.

I also had the opportunity to work with the United Methodist Women to write the Leaders’ Guide for Pushout: The Criminalization of Black Girls in Schools, the Issue Study for Mission U 2020. This study addresses issues that are critical to the GNJ CORR such as the intersection of race, gender, education, and criminal justice.

It has been an honor to serve as the chairperson of GNJ CORR for the last eight years. I trust that my contributions have advanced the work of GNJ CORR and the ministry of the Great New Jersey Methodist.

Young Adult Ministries, Council on

The Council on Young Adult Ministries champions young adult ministries at the local church, district, and annual conference levels. We strategically partner with other conference agencies and NextGen Ministries to benefit the young adults of the Greater New Jersey Conference by encouraging their spiritual development and developing their leadership skills.

The YA Council remains connected with the IGNITE Movement and partnering with the GNJ Youth Council in 2019 we once again assembled a team of over 30 Young Adults from GNJ to form the IGNITE Squad for the annual event in Wildwood, NJ.

The YA Council, together with the Youth Council and the Board of Higher Education and Campus Ministry continues to work with NextGen Ministries to increase opportunities for young adults across the Conference to engage, grow, and develop leadership skills in youth, campus, and camping ministries.

In GNJ over the last year we have witnessed:

- Young adult voices speaking up on the Way Forward Team
- Young adult delegates fully participating at Annual Conference
- Young adult leaders leading youth at IGNITE and other NextGen ministries
- Young adult workers engaging in missions
- Young adult candidates answering the call into ministry
- In the coming year we aim to:
 - Further grow young adult participation in IGNITE
 - Continue working with NextGen to identify and develop young adult leaders
 - Equip additional young adults to serve as delegates to Annual Conference
 - Formally recognize specific young adults for their work in ministry

Youth Ministry, Council on

The Council on Youth Ministry (CYM) has made strides in supporting NextGen, IGNITE, camps, and helping youth grow in leadership. We have two young people serving as Jurisdictional Youth and planning on attending Jurisdictional Conference in July. Finding ways to incorporate youth in different meeting settings continues to be difficult due to various other involvement they have with school, sports, and other activities. The Council continues to seek avenues we can connect, support, resource and deepen relationships with local churches, youth, and leaders. CYM is looking into various ways we can better serve on Jurisdictional Youth and attend educational events. Thank you for your prayers and support.

United Methodist Men (UMM)

The Greater New Jersey Conference UMM during 2019 is in a restructuring phase. During the past few years UMM in Greater New Jersey has been silent and inactive. We plan with the help of NEJ and UMM suggestions from Rick in Nashville to flush out our District and Conference positions during 2020. Our goal is to provide a structure that will allow men to have an intimate relationship with Jesus and share this with other men.

REPORTS TO GREATER NEW JERSEY

We have six important goals for 2020:

1. Concentrate on strengthening local church units and helping them develop ministries and initiate spiritual growth opportunities for all men of the church. Far too many churches in Greater New Jersey do not see UMM as important. We want to provide programs and messages that are functional in encouraging men to know Christ.
2. Increase the number of men that attend church and participate in the life of our churches. David Murrow, in his book, *Why Men Hate Going to Church* provides some suggestions. GNJUMM suggests that all men read this book, and help their churches armor up their men to spread the Good News of Jesus Christ.
3. Encourage men and churches to encourage the growth of all Scouting activities in our churches. Not just Boys Scouts, but all of Scouting to both boys and girls. My church, The Church of the Master, in Howell NJ, had one man lead both Boy and Girl Scouts for he wanted his daughter to have equal benefits and experiences.
4. Encourage men to participate in Conference Committees and activities to show that men do care about their church.
5. Encourage Conference officers, especially to take time, in time of turmoil in our church, to have a say in the future of the Methodist Church. Lew Weil, our President, served on GNJ's Connectional Table and Way Forward Group.
6. Work with NEJ to grow UMM in all activities of our church.

United Methodist Women (UMW)

This year saw the enthusiastic celebration of the 150th anniversary of the founding of United Methodist Women. Millie Grey, Holly Cyrus and I travelled to Boston, MA to attend the birthday party of UMW at Boston University on March 23, 2019. The NE Jurisdiction of UMW outdid themselves in terms of dramatization of the original meeting of 8 women who raised funds to send two women missionaries to India. These women missionaries were Isabella Thoburn, a teacher whose purpose was to found a school for girls, and Dr. Clara Swain, a doctor who ministered to the Indian women because they were not allowed to be treated by a male doctor. We were able to once again see Bishop Devadhar and his lovely wife, Prema, and sit at tables with other United Methodist Women from all over the US and the world! There was also agency representation from the General Board of Global Ministries and the United Methodist Women National Staff. The stained-glass windows commemorating the founding of the original organization called Methodist Woman's Foreign Missionary Society (WFMS) were fascinating, and we all came home inspired to continue the work in the trenches on behalf of women, children, and youth!

The spring meeting of GNJUMW was held April 6, 2019 at St. Andrew's UMC, Tom's River, NJ. Our focus again was the celebration of the 150th Anniversary of the founding of the United Methodist Women. We called the program "Telling Our Story." Harriet Jane Olson opened the worship with a short talk called "Celebration of Our 150 Years." Choong-Hee Lee showed power points of her trip to South Korea, which highlighted the work of Methodist missionaries there.

Finally, the worship was wrapped up by Rev. Michael Reed who spoke on the "Birthing of a New Mission" called Maker's Place, in Trenton, NJ. An offering was taken to support the Legacy Fund to fund mission throughout the world for the next generation! The program that followed was a presentation of each district UMW in Greater New Jersey telling their story of their United Methodist Women. Linda Scott and Nancy Shervanick gave an excellent talk on "Archiving Your History." In the reports that followed, Kendra Roberts, the Legacy Development Officer of National United Methodist Women, gave a presentation on "Planned Giving" through one's will to the Legacy Fund.

During the GNJUM Conference, May 19-21, we submitted a recommendation entitled "Resolution to Break the School to Prison Pipeline". This "Restorative Justice" resolution advocated the establishment of the "Freedom School" model program in churches throughout the GNJUM Conference and the abolition of "zero tolerance" policies in schools, by working on school boards and with school administrators in order to retain and educate the youth, especially those in high school. The resolution was submitted by Kathleen Schulz and Esther Canty-Barnes, Esq., representing the GNJUMW Leadership Team.

During July, the GNJUMW joined forces with GNJUM Conference to present the annual Mission u program held July 12-14 at Georgian Court University, Lakewood, and July 20 at Calvary Korean UMC, East Brunswick. In addition to offering "Women United for Change: 150 Years in Mission," as the featured UMW new course, the GNJUMC sponsored "Just Mercy" by Bryon Stevenson. Not only were many persons educated on mission topics, but also, lay servants were able to get recertified by taking a 3 day course.

The Neighborhood Center, our United Methodist National Mission in Camden, NJ, sponsored a fundraising Gala at the Travistock Country Club on October 12, 2019. A GNUMW table was peopled by Millie Grey, Don Schulz, Rev., and Mrs. Colon McWilliam, Marilyn Powell, Grace Rapp, and Jean Salmon. They attended the dinner party and auction event. This is the main

way the Neighborhood Center raises money for its teen program. It is always inspiring to see many of the staff and participants in the Neighborhood Center's programs give personal witness to the positive difference that the Neighborhood Center is making in their lives! This year, Dorothy Scott, Assistant Director of the Center, was honored and recognized as a valuable and compassionate member of the staff.

Our GNJUMW fall program held October 19 at the Mission Resource Center, Neptune, NJ. It focused on the Hope Centers around our GNJ Conference. The worship was led by Andrea Wren-Hardin speaking on "A Future with Hope." The program included workshops on "Hope Center Formation," led by Andrea Wren-Hardin; "Housing: a Basic Need," led by Deaconess Helen McCahill; "Maternal and Child Health: Sharing Stories," led by Susan Zahorbenski, Corinne Arthur, and Marilyn Powell; "Interrupting the School to Prison Pipeline," led by Esther Canty-Barnes, Esq.; and "Restorative Justice, a Christian Response to the School to Prison Pipeline," led by Rev. Brenda Ehlers.

It has been a challenging and rewarding year for all our members. I thank them all for the privilege of serving as their conference president.

United Theological Seminary, Dayton, OH

For nearly 150 years, United Theological Seminary in Dayton, OH, has been preparing faithful, fruitful leaders to make disciples of Jesus Christ.

Students

In the Fall 2019 semester, United equipped 459 women and men for leadership in the Church, including 272 master's students and 187 doctoral students. An ecumenical community of many denominations, races and nationalities, United welcomed students from 11 countries, 42 states and 37 denominations, with the student body comprised of 49% African American, 42% Caucasian, and 10% ethnic/racial minorities. Altogether, approximately 660 students followed God's call through United Theological Seminary.

Alumni

United graduates are making an impact in their communities as they spread the Good News.

- 88% of alumni are currently employed in or retired from ministry
- 70% serve in local parishes
- Rev. Dr. Brad Kalajainen (DMin '99) received the 2019 Effective Ministry Award for his transformative leadership of Cornerstone UMC in Grand Rapids, MI.

- Rev. Dr. Sandra Coley (DMin '14) received the Outstanding Doctor of Ministry Award for her advocacy of organ donation among African American communities.

United introduced a 36-hour Master of Arts (MA) degree, designed for those who wish to earn a degree while completing the requirements for Advanced Course of Study in pursuit of ordination in The United Methodist Church. The MA program is available fully online, on-campus or as a hybrid.

Introduced in 2018. In the first year, 59 students participated in LIVE courses, connecting with classmates on campus in Dayton, OH, and across the country by attending classes in real-time via simultaneous webcast.

Becoming Debt-Free

United remains committed to becoming debt-free by the seminary's 150th anniversary on October 11, 2021. Thanks to the support of generous donors, United has received more than \$2.5 million toward its goal of raising \$4 million to "burn the mortgage." Becoming debt-free as an institution will enable United to focus on generating income for scholarships that lighten the load of student debt for seminarians.

Wesley Theological Seminary

In his book, *A New Church and a New Seminary*, President David McAllister-Wilson writes, “Leadership requires a seminary to foster both wisdom and courage.” For 138 years, that stance has been a hallmark of Wesley Theological Seminary. Now, during this challenging and divisive time in the church and society, Wesley remains committed to fostering wisdom and courage, preparing graduates to lead innovative ministries while remaining grounded in our biblical and theological traditions for the sake of God’s inbreaking kingdom. We are grateful for so many partners in this mission, and we look forward to what God will do in and through us as we seek to faithfully minister to the world in the future.

Working toward God’s vision for the church

Wesley is pleased to announce new opportunities for UMC congregations to explore, clarify, and pursue thriving in their communities. Through the Thriving Congregations Initiative, Wesley will work with three cohorts of regional congregations in a two-year process of prayer, community engagement, congregational visioning, and coaching, with the goal of following Jesus in mission and ministry. Interested congregations can contact innovation@wesleyseminary.edu for more information. This work, funded by a \$1 million Lilly Endowment, Inc, grant, raises Wesley’s role as a leading research and development seminary for the whole church and complements Wesley’s other Lilly Endowment-funded projects focused on congregational vitality.

The Religious Workforce Project is an expansive study of the current and future nature of religious work, particularly in local congregations, so as to understand what opportunities and constraints may exist in the future and to adapt resources and training accordingly. Through the Wesley Innovation Hub, Wesley has worked with 18 congregations in the greater Washington area to experiment with ministries with young adults outside the church. Together, these projects forge insight into future ministry and local church development, influencing the way students are trained in master’s, doctoral, and course of study education, but also informing workshops, podcasts, articles, and training for church leaders working in their communities across the country.

Is God calling you – or someone you know?

Research shows that the primary way people learn about and begin to consider seminary options is through their pastor or an alumnus. Whether you feel called or you know someone who does, Wesley is ready to work with you as we make theological education more accessible and relevant to the realities of ministry today—for laity and clergy, for those seeking a degree or certification or continuing education, and for ministry from within or beyond the church.

Wesley offers an 81-hour Master of Divinity, a 36-hour Master of Arts, and a 60-hour Master of Theological Studies, any of which can be focused around specializations in public theology, urban ministry, arts and theology, missional church, or African American church leadership.

For full time students, we offer modern and affordable on-campus housing and food service in the nation’s capital. Our Community Engagement Fellows program prepares students to engage in entrepreneurial, community-based ministry. Generous stipends are available for each Fellow while they complete their MDiv degree. Our 3+3 Fast Track BA/MDiv program with Shenandoah University allows students to complete both degrees in six years, entering ministry more quickly and with less debt.

For people with work, ministry, and family commitments, Wesley’s Master of Divinity degree can now be completed via online, weekend, short-term intensive, and weeknight courses in 5 years. Check out upcoming flexible course offerings for Summer and Fall 2020 at www.wesleyseminary.edu/admissions/try-a-class-3.

Wesley works with each student to make seminary affordable. Thanks to the consistent support of graduates, congregations, and friends, Wesley provides more than \$2 million annually in scholarships. In addition to our regular merit awards, ranging from 50% to 100% tuition with stipends, Wesley has released special additional scholarships. Inspired by the Young People’s Address at both the 2019 and 2020 General Conferences, Rising Generation awards are full-tuition scholarships for people recommended by Wesley alumni, campus ministers, or Christian camping or service ministries who feel called to leadership in the church as it is becoming. Recognizing that many people experience God’s call mid-career, Wesley is excited to offer its new Next Call in Ministry scholarship for students who have worked in a non-ministry setting for at least 10 years. In addition, the

Generación Latinx Scholarships are full-tuition awards for emerging Latinx/Hispanic leaders for ministries both within and beyond the church.

Take your ministry to the next level

In addition to full master's degrees, Wesley offers graduate certificates for those preparing for specialized ministry! The new Certificate for Children and Youth Ministry and Advocacy (CYMA) is designed for people who work with and advocate for children and young people, whether in churches, schools, or non-profit organizations. The non-residential certificate can be completed in 12 to 15 months through online coursework and up to two residential sessions. For more information, visit www.wesleyseminary.edu/admissions/cyma-3. The Certificate in Faith and Public Life explores the foundations of public theology, religious freedom, and civil discourse through graduate courses. Subsequent appointments were to Calvary UMC in Atlantic City for five years before being selected for an Ecumenical Ministry that became TEAM in Trenton for five years. He is predeceased by brother, William Taylor.

Rev. Raul Terrero 3/10/20 | Raul, of Pennsauken, died on March 10, 2020 at the age of 77. He was the spouse of Rev. Delta Terrero, the devoted father of Raul E. Terrero of Pennsauken, and Keila (Modesto) Vargas of Wyncote, PA. and the loving grandfather of Cielo and Isaias. Raul was also survived by three brothers and three sisters. A viewing service was held at St. Andrew's UMC in Cherry Hill.

Hewett Williams 1938 – 1/9/2020 | Known by his friends and family as "Buddy," Hewitt was the spouse of Rosa Williams, GNJ's former Conference Lay Leader. He served six years in the U.S. Army where he specialized in electronics and received awards as a marksman before being honorably discharged as Specialist Fourth Class. He relocated to Teaneck, NJ, to join family and continued his education in Electronics at the RCA Institute of Technology in New York City. Hewett worked for U.S. Postal Service, helping with the automation of systems, until his retirement in 1992 as a postal supervisor. He was an avid reader, who often shared with family about a mystery talking book. While their children were in school, he often volunteered to help in the school cafeteria and travel with children to Boy Scout Camp every year. He also played football and worked with the Family Promise Group at Galilee UMC by assisting with the distribution of food.

Carol White – 4/28/1952 - 4/13/2020 | Carol, surviving spouse of Pastor Johnnie R. White, was a lifelong resident of Atlantic City. She will be remembered as a kind and loving soul who was always there to give a helping hand. Carol worked as an LPN at Atlantic City Medical Center for more than 25 years before moving into the private sector. She continued to give care for those in need until her retirement. Carol, the mother of three with her husband, took her role as an involved parent so seriously that she never missed any of her children's home sports games and was even present for most of the away ones as well. The churches she served, including Hamilton Memorial UMC, were also blessed by her spirit of giving that often involved feeding others. If she wasn't inside the building, she was outside tending to the community garden. Carol is survived by her children, Reuben White (Megan), Alethia White-Burroughs (James) and Jonn White (Torri), grandchildren, Kaila, Stanley, Journey, Jaden, Jada, Zane, and Levi. CLERGY/LAITY SEXUAL MISCONDUCT, ABUSE AND HARASSMENT POLICY FOR THE GREATER NEW JERSEY ANNUAL CONFERENCE (Approved at the 2009 Annual Conference)

All references to the Book of Discipline are in the 2008 edition. Paragraph numbers are for easy reference and may change with future editions of The Book of Discipline. Unless there are substantive changes to the content of the Book of Discipline, the Policy will be updated to reflect the current Book of Discipline as editorial changes without the need to re-approve the Policy. Future name changes of Greater NJ Annual Conference will also be updated as editorial changes.

I. Context

For the purpose of this policy, we will use “clergy” or “clergyperson” to refer to all ordained, commissioned, consecrated, licensed local pastor, supply pastor and Certified Lay Minister.

II. Purpose

Clergy are in a position of great trust, power, and responsibility. This provides the opportunity for unique relationships of grace and caring. While most clergy remain faithful to their vows and their covenant with God and the church, there are clergy who sometimes violate the trust given them. Sexual misconduct is one grave violation of this trust. We also acknowledge that laypersons can engage in acts of sexual misconduct, abuse and /or harassment. This policy seeks to address the abuse of power by all clergy and laity who engage in sexual misconduct, abuse, and/or sexual harassment. (See Section IV for definitions)

Incidents of sexual misconduct, abuse, and/or harassment have been reported in United Methodist Churches, agencies, and institutions. It is both the ethical and legal responsibility of the Annual Conference to ensure that there are mechanisms for addressing grievances in these matters. The intent of this document is to provide guidance to both laity and clergy of the Annual Conference, and to the local churches contained therein regarding clergy/lay sexual misconduct, abuse, and/or harassment.

It is our hope, as the people of Christ that this policy will help serve to guard against inappropriate behavior and be a guide for our community of faith as we seek to handle grievances should sexual misconduct, abuse, and/or harassment occur.

III. Theological Foundation

All persons are created by God. In the Genesis stories, as in the life, death, and resurrection of Jesus, it is affirmed that we are created in the image and likeness of God. God values human life, intending all women, men, and children to have worth and dignity in all relationships with God and others. God calls us into covenant with each other as children of God and as the body of Christ. The scriptures remind us that Jesus was sent into this world that we might experience whole relationships with each other and God. “There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus.” (Galatians 3: 28 RSV)

We affirm that our human bodies are good gifts from God and our sexuality is an integral part of our humanity. Healthy sexuality, and appropriate expressions of it, are derived from the goodness of the gift. As children of God, we are holy in Christ and created equal. Where one is injured, physically, emotionally, or spiritually, all are rendered less than God’s intended wholeness. Sexual misconduct, abuse, and/or harassment is an exploitation of power and

MISCELLANEOUS

abuse of position that uses sexuality as an excuse and distorts the relationships and blessedness of relationships and the up building which God desires for humanity. It is sinful behavior.

One who repents for sinful behavior is promised forgiveness. However, discipline should be distinguished from forgiveness. A clergyperson guilty of sexual misconduct needs and may receive forgiveness and be offered avenues for redemption and change. Forgiveness, however, does not excuse one from responsibility to the community and accountability for the brokenness caused by one's behavior. The church must still take steps to protect the people of God.

IV. **Definitions**

Sexual Misconduct

It is sexual misconduct when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader or other position of leadership) engages in sexual contact or sexualized behavior with a congregant, client, employee, student, staff member, co-worker, or volunteer within the ministerial relationship. (1996 *Book of Resolutions*, pp. 128-132, 2008 *Book of Resolutions* p.134)

Examples of ministerial relationships:

- Pastor/member of church
- Supervisor/church employee
- Youth pastor/youth
- Sunday School teacher/student
- Pastor/student intern
- Pastoral counselor/counseled

Examples of sexualized behavior or sexual contact:

- Displaying sexually suggestive visuals
- Making sexual comments or innuendos about one's own or another person's body
- Touching another person's body, hair, or clothing
- Touching or rubbing oneself sexually in the presence of another person
- Kissing; fondling; sexual intercourse

This understanding is equally applicable in the context of ministries in which there are no "parishioners" but there is a community which acknowledges the authority of the clergyperson or lay worker as a spiritual leader or other ministries in which the ministering person serves a community much wider than the membership of the local congregation.

At the core of this definition of sexual misconduct is the abuse of power and trust that occurs when a ministering person initiates or allows sexual behavior with someone who is in a relationship of trust and/or dependence. Sexual misconduct breaks a sacred trust. Any such sexual misconduct is a violation by the ministering person who then bears the responsibility for his/her behavior.

Sexual Harassment

Sexual harassment is any unwanted sexual advance or demand, either verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender. (1996 *Book of Discipline* ¶161.1, p.101, 2008 *Book of Discipline* ¶161.1, p.104)

Suggested guidelines for determining hostile environment:

- Is the behavior sexual in nature or gender specific?
- Is the behavior unwelcome?
- Is the behavior severe or pervasive enough so that it creates an environment which interferes with one's ability to work, get an education, or participate in ministry?

MISCELLANEOUS

Sexual harassment also includes the development or attempted development of a sexual or romantic relationship between a clergy person or lay worker and a person with whom he/she has a ministerial relationship when that is an unwanted or inappropriate relationship.

Sexual Abuse

Sexual abuse is a sexual invasion of the body by force. Sexual abuse may be: rape, sexual assault, incest, indecent exposure, statutory rape, indecent assault, and aggravated indecent assault. Sexual abuse is also an internal assault, a deliberate violation of emotional integrity, and a hostile and degrading act of violence.

Domestic Violence

Domestic Violence Policy

It is not enemies who taunt me—I could bear that: It is not adversaries who deal insolently with me—I could hide from them. But it is you, my equal, my companion, my familiar friend, with whom I keep pleasant company. Psalm 55: 12-14a NRSV.

The Psalmist captures the feeling of many victims of domestic violence: the pain of being betrayed and injured by a loved one.

What is Domestic Violence?

Any abusive, violent, coercive, forceful, or threatening act or word inflicted by one member of a family or household on another can constitute domestic violence.

The United Methodist Church affirms the sacredness of all persons and their right to safety, nurture, and care. It names domestic violence and sexual abuse as sin and pledges to work for their eradication. *2008 Book of Resolution*, p.59. Thus, we recognize domestic violence as an immoral act and a chargeable offense for both clergy and laity. *2008 Book of Discipline*, ¶ 2702.1 and ¶ 2702.3

We celebrate God's gift of intimacy, the image of God in each person, the inherent right of each person to health, wholeness, and safety, and we commit ourselves to working toward the elimination of domestic violence.

V. Standards for Clergy Conduct

- A. Clergy related to the Annual Conference are always accountable for the ways they respond to persons who ask their ministerial assistance and over whom they have authority. Any breach of this ministerial relationship, ministerial responsibility, and ministerial authority is abusive and unethical.
- B. Clergy often relate to persons who are fragile and vulnerable, and therefore must exercise special care:
 1. That clergy are psychologically, emotionally, and spiritually healthy.
 2. That there has been proper and adequate preparation and education as well as adequate continuing education for providing appropriate help for those under their care.
 3. That they seek counsel, advice, and supervision.
- C. Clergy sexual misconduct, abuse, and/or harassment places an unfair and unavoidable burden on the victim of such conduct. It is in the best interest of the entire church to inform the laity concerning appropriate standards of ministerial conduct.
- D. Clergy self-discipline requires self-awareness and takes for a standard of ethics those implied and described in the vows of ordination and consecration. (1996, *Book of Discipline*, ¶301-¶365) Personal integrity and mature professional conduct are a part of every ministerial relationship. This prohibits any sexual behavior with a parishioner, colleague, staff, or client entrusted to his or her sacred care.
- E. All clergy have the responsibility for developing healthy and ethical relationships with other persons. Married clergy have covenanted to nurture and maintain a faithful marital relationship. The covenant also reminds single clergy that dating relationships must maintain full attention to sexual conduct as understood in Christian teaching and the Book of Discipline of the United Methodist Church. (1996 *Book of Discipline*, ¶165)

MISCELLANEOUS

- F. When clergy are providing professional pastoral counseling to persons in their church or community, it is understood that they shall keep appropriate standards of professional behavior and boundaries in that relationship. It is also recommended that clergy seek supervision for their counseling by a certified counselor supervisor to ensure that proper counseling relationships are maintained.

VI. **Standards for the Conduct of Laity**

Within the United Methodist connection, lay persons are also called to a standard of conduct which stands against sexual misconduct, abuse and/or harassment as outlined in 2008 *Book of Discipline* ¶2702.3. Laity have the responsibility for not creating hostile environments as a result of sexual harassment, abuse and/or sexual misconduct against clergypersons or other laity. (*Book of Discipline* ¶ 605.8)

VII. **Honoring Perceptions of Reality**

We understand that intentions and perceptions are not always the same. It is our policy to treat seriously a person's perception of the truth of their experience if/when sexual harassment, abuse, and/or misconduct are reported.

VIII. **Confidentiality**

The primary purpose of this policy is to encourage and support victims of sexual harassment, abuse, and/or misconduct to report such incidents, by providing a process that protects them from intimidation and preserves their dignity. We recognize that there also may be occasions when persons are falsely charged with sexual harassment, abuse and/or misconduct. In either case, it is of the utmost importance that confidentiality be assured for both the victim and the accused, and that advocates, church officials and others who may be involved in the process take every reasonable and legal precaution to honor the issue of confidentiality.

Some instances of sexual harassment can be resolved easily and informally between parties. In all other instances, misconduct of a sexual nature or abuse within the local church should be reported to a Contact Person for sexual harassment and abuse. If the conduct involves a clergy person, the complainant may consider filing a written complaint and/or speaking with a District Superintendent.

IX. **Compassionate Advocates**

The Greater New Jersey Annual Conference of the United Methodist Church provides the following support system to assist any individual who has a concern about an issue of sexual misconduct, harassment, or abuse with the church.

Listed at the end of this document are Compassionate Advocates trained by the Annual Conference and who will provide immediate support and direction for persons who feel that they have been sexually abused or harassed. Compassionate Advocates will explain policy and procedure and will provide confidential guidance throughout the process and respect confidentiality. Compassionate Advocates will be available for the complainant, the accused, and the church.

We urge all related institutions/agencies in the Greater New Jersey Annual Conference to identify and train Compassionate Advocates to serve within their organization.

X. **Process**

The Greater New Jersey Annual Conference will adhere to the following steps when an accusation of sexual misconduct, harassment or abuse is brought to the attention of a District Superintendent:

1. A letter shall be provided to both the complainant and the accused at the time they first contact or are contacted by the District Superintendent. These letters are included in this policy as *Appendix A*.
2. Limit all media responses on behalf of the Church/Conference to the Bishop or the Bishop's designate.
3. If the complainant chooses to file a written complaint, the process will proceed as indicated in the 1996 *Book of Discipline*, section XIV ¶1358, 2008 *Book of Discipline* section XV ¶ 361.
4. A complainant has the option of following church policy and discipline when bringing a complaint of sexual misconduct against a pastor. They also have the option of seeking legal advice and filing charges.

MISCELLANEOUS

5. Any incidence of sexual abuse in which the victim is a minor is a crime and must be handled appropriately. Anyone within the church who becomes aware of a child abuse issue is morally—for clergy, legally required—obligated to take steps necessary in the attempt to prevent further harm to the child. If an incident of child abuse occurs involving a church employee or volunteer within the church building or at any church activity, or if a minor brings forth a complaint of sexual abuse it must be reported to the local authorities.

The Greater New Jersey Annual Conference recognizes that accusations of misconduct of a sexual nature can be harmful to the whole congregation. The Greater New Jersey Annual Conference will provide support to the church affected by these accusations by providing guidance from the Leadership Advocacy Team and counsel in the form of a response team.

Rules of Order: Adoption of Rule 26

Adoption of Rule 26

On July 18, 2020, Bishop Schol received a proposal from the Rules Committee that the Greater New Jersey Rules of Order be modified to add Rule 26:

Remote Participation Annual Conference - In a situation which a state of emergency has been declared by the Governor of New Jersey or other applicable governmental authority, or in extraordinary circumstances as declared by the Bishop, Cabinet, Conference Trustees and CFA, the regular Annual Conference session, or a Special Annual Conference session, or parts of either, can be held by means of remote participation. Notice of such a session and all such means of remote participation shall meet all requirements of the Discipline, applicable state law, and the Rules of Order, including without limitation:

- a) authorization and prior notice of the meeting and means of participation;
- b) verification of membership and voting credentials;
- c) reasonable opportunity to concurrently see, read or hear, participate and vote; and
- d) record and maintain a record of any votes or other actions.

The Conference Trustees authorized the use of Rule 25 for the approval of Rule 26. Clergy and Laity members of the Annual Conference were notified and provided voting instructions. Following the guidelines of Rule 25, mail-in ballots were validated and counted at the Mission Resource Center on August 6, 2020 guided by a conference teller and in the presence of the conference secretary. The resolution passed.

Shelley S. Smith, Conference Secretary

The submitted Resolution:

Introduction and Recommendations Regarding Rules Committee Proposal for a New Conference Rule 26:

In anticipation of a possible need for remote participation in Annual Conference sessions, in light of conditions associated with the COVID-19 pandemic, Conference Chancellor Lynn Caterson and I prepared a proposed new Conference Rule 26 to explicitly authorize such participation under very limited conditions. That proposal was circulated to the members of the Rules Committee for consideration, by July 1, 2020. Because of the impending holiday, the deadline for responding was extended by a few days, and additional efforts were made to contact the members who had not responded. The proposal received four favorable votes and one negative vote.

BACKGROUND.

On April 14, 2020, the New Jersey statutory provisions governing nonprofit corporations, Sections 15A:5-1 and 15A:5-4, were modified to permit nonprofit corporations to hold member meetings by remote communications during a state of emergency declared by the Governor. The board of trustees must approve remote participation and the guidelines and procedures for such remote participation. Other legal requirements and the requirements of the corporation's governing documents still apply.

It is important, then, in case such a conference using remote participation is needed, that the Conference Rules clearly authorize such a process. We do not need to establish the specific conferencing technology or all the other details of such a meeting yet, but we should make clear in the Rules that such a meeting will be permissible.

The Rules Committee now proposes the following Resolution:

RESOLVED, The Rules of Order shall be modified to add a new Rule 26, as follows:

“Rule 26 - REMOTE PARTICIPATION ANNUAL CONFERENCE - In a situation which a state emergency has been declared by the Governor of New Jersey or other applicable governmental authority, or in extraordinary circumstances as declared by the Bishop, Cabinet, Conference Trustees and CFA, the regular Annual Conference session, or a Special Annual Conference session, or parts of either, can be held by means of remote participation. Notice of such a session and all such means of remote participation shall meet all requirements of the Discipline, applicable state law, and the Rules of Order, including without limitation:

- a. authorization and prior notice of the meeting and means of participation;
- b. verification of membership and voting credentials;
- c. reasonable opportunity to concurrently see, read or hear, participate and vote; and

MISCELLANEOUS

d. record and maintain a record of any votes or other actions.”

RATIONALE.

There are a variety of reasons why it may be necessary and appropriate for the Conference to hold a meeting at least some time during the course of a calendar year. The Nonprofit Corporation Act, Section 15A5-2, requires each nonprofit corporation to meet annually (or biennially if specifically called for in the by-laws), at least to elect trustees. The Discipline also calls for the annual conference to take a variety of actions, such as adopting a budget for the next year (Paragraph 614), voting in clergy session on clergy membership decisions, such as ordination and discipline (Paragraph 602), and setting apportionment methods and disbursements (Paragraph 621). Each year there are a variety of enabling resolutions the Conference needs to adopt to delegate ongoing operating authority to the Cabinet, the Trustees, and various other bodies. The Conference also annually votes to set rules for governing pensions, healthcare, and equitable compensation. Many provisions of the Discipline seem to *assume* that there will be an annual conference meeting every year, but it is not always clear in the Discipline what might happen if a conference just failed to conduct a meeting of any kind. Still, a lot of things in the regular working of the Greater New Jersey Conference seem to run under one year delegations of authority. The mere possibility that something might come up requiring an action that had NOT already been authorized by an annual conference may have been the original reason for adopting the existing Rule 25, to allow for a special written ballot by mail.

There is also the question of conference petitions to the General Conference. Although the General Conference has been postponed for a time, whenever it eventually goes forward, some members of the Greater New Jersey Conference may want an opportunity to submit resolutions for our annual conference to offer to the General Conference. If there were no reasonably safe way to do so in an in-person annual conference, it would be important to have some way to consider such legislation remotely.

The proposed new Rule 26 would allow for remote participation in Greater New Jersey Conference sessions, under very limited circumstances associated with a declared emergency or other extraordinary circumstances.

PROPOSED METHOD OF RATIFICATION.

Rule 25 already authorizes the Conference to act through a mail ballot, where called for by the Conference Trustees. The Rules Committee proposes that the Conference Trustees authorize a such procedure now, to seek a vote approving the addition of a new Conference Rule 26, to explicitly cover remote participation Conference sessions. Although Rule 25 does not explicitly address the issue of debate, it is recommended that a reasonable opportunity for questions and comments be allowed, assuming that time and logistics will permit. Such questions and comments might be submitted to the Conference and responded to before a final vote by mail is requested.

If the resolution passes, adding the new rule, the new Rule 26 may be invoked any time after that, as needed. It is possible, of course, that the new rule will never be needed.

There are, of course, disadvantages to the conduct of a conference by remote means. It is difficult to allow for effective discussion and debate. It may be difficult to control for voting credentials and vote-counting. Some people will have difficulty participating by computer, either because they lack necessary equipment and skills, or because they may not have ready access to reliable high-speed internet connections. Accordingly, some regular phone connection may well be necessary to accommodate such participants.

Because circumstances may make a normal, face-to-face gathering impractical or unduly dangerous, though, it seems desirable to take at least the first step of formally authorizing the possibility of conferencing by remote participation.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the unconsolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the unconsolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the unconsolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the unconsolidated financial statements referred to above present fairly, in all material respects, the financial position of the Greater New Jersey Annual Conference of the United Methodist Church as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

GREATER NEW JERSEY ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2019

1. Organization:

Greater New Jersey Annual Conference of the United Methodist Church (the Conference) is an integral part of the General Conference of the United Methodist Church. Each member church in the Greater New Jersey Annual Conference supports the operating budget and, in addition, makes contributions or grants to the Conference's and General Conference's missions and programs. Investment revenue and program revenue also support the activities of the Conference.

The Conference is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code.

2. Summary of Significant Accounting Policies:

(a) *Basis of Accounting*

The financial statements of the Conference have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

(b) *Cash and Cash Equivalents*

For purposes of the Statement of Cash Flows, the Conference considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

(c) *Investments and Investment Income*

We record investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

(d) *Accounts Receivable*

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

(e) *Firm Pledges*

Firm pledges are recognized as income in the year for which the pledge is made. Pledges that are expected to be received within one year are recorded at net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of their estimated future

cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the year in which the pledges are received. Amortization of the discount is included in contribution revenue. The Conference uses the allowance method to determine uncollectible receivables. An allowance for uncollectible pledges is estimated based upon management's judgment and includes factors such as prior collection history.

(f) *Land, Buildings and Equipment*

Depreciable assets over \$5,000 are recorded at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is recorded on a straight-line basis over the estimated useful lives as follows:

Buildings	25 - 40 years
Equipment, furniture and fixtures	4 - 10 years

Property and equipment are reviewed each year for impairment or whenever events or changes in business circumstances indicate carrying value of the assets may not be recoverable. Impairment losses are recognized if expected future cash flows from the assets are less than their carrying values. No impairment losses were recognized during the year ended December 31, 2019.

(g) *Post-retirement Benefits*

The Conference has adopted FASB ASC 715, Compensation – Retirement Benefits which requires that the funded status of defined benefit pensions and other postretirement benefit plans be fully recognized in the statement of financial position.

(h) *Net Assets*

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

GREATER NEW JERSEY ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2019

2. Summary of Significant Accounting Policies: (continued)

(h) *Net Assets* (continued)

Net Assets With Donor Restrictions - We report contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

(i) *Revenue Recognition*

The Conference recognizes revenue from seminars and events during the year in which the seminars and events occur. The performance obligation is met at the point in time at which the customer attends the event or seminar. The Conference recognizes contributions when, cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

(j) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from these estimates.

(k) *Change in Accounting Principal*

The Conference has adopted Accounting Standard Update (ASU) No. 2014-09 - *Revenue from Contracts with Customers (Topic 606)* as amended. Analysis of various provisions of this standard resulted in no significant changes in the way the Conference recognized revenue, and therefore no changes to the previously audited financial statements were required on a retrospective basis. The Conference applied the initial application only to those contracts that were not complete at the limited date of application. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

The Conference has adopted Accounting Standard Update (ASU) No. 2018-08 *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The Conference's evaluation of the provisions of this standard on a modified prospective basis resulted in no significant change in the way the Conference recognized contributions .

3. **Summary of Significant Accounting Policies:** (continued)

(k) *Change in Accounting Principal* (continued)

The Conference has adopted Accounting Standard Update (ASU) No. 2017-07 *Compensation – Retirement Benefits (Topic 715)*. The ASU requires that an employer report the service cost component in the same line or items as other compensation costs arising from services rendered by the pertinent employees during the period. The other components of net benefit cost are required to be presented in the Statement of Activities separately from the service cost component and outside an intermediary measure of operations. In 2019, \$1,243,453 of service cost was included in pension expense in the Statement of Functional Expense, \$2,671,415 of interest costs were required to be included in the Statement of Functional Expenses for 2019, and the net actuarial gain of \$6,281,899 was reported in the Statement of Activities.

(l) *Functional Expenses*

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are charged to programs and supporting services on the basis of periodic time and expense studies

Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization

3. **Investments:**

Investments at December 31, 2019 and 2018 consisted of the following:

	<u>Cost</u>	<u>Fair Value</u>
Certificate of Deposit	\$ 77,632	\$ 77,632
Wespath mutual fund (fund of funds)*	11,009,924	12,489,171
Wespath mutual fund (short term investments)**	29,338	30,886
Total	<u>\$ 11,116,894</u>	<u>\$ 12,597,689</u>

*The Conference invests in the Multiple Asset Fund, a mutual fund managed by Wespath, that has as its objective to attain current income and capital appreciation by investing in a broad mix of different types of investments. The strategy of the mutual fund is to invest in four other Wespath mutual funds to maintain an investment allocation of approximately 40% U.S. equity, 25% international equity, 25% fixed income, and 10% inflation protection. The asset allocation will be rebalanced periodically when holding falls outside of a 3% tolerance

3. **Investments:** (continued)

**The Conference invests in the Short-Term Investment Fund, a mutual fund (short-term investments) managed by Wespath. The fund's objective is to preserve capital while earning current income higher than that of money market funds. The mutual fund seeks to achieve its investment objective by exclusively holding cash and cash equivalents in the form of units of the sweep account. The sweep account holds primarily a broad range of investment grade securities, which include U.S. government bonds, agency bonds, corporate bonds, securitized products, commercial paper, certificates of deposit, and other similar types of investments.

The following schedule summarizes the investment return and its classification in the statement of activities for the year ended December 31, 2019:

	<u>Without</u> <u>Restriction</u>	<u>With</u> <u>Restriction</u>	<u>Total</u>

Total investment return	<u>\$2,284,983</u>	<u>\$46,280</u>	<u>\$2,331,263</u>

Investments as of December 31, 2019 are summarized below based on when they may be redeemed or sold:

	<u>Fair Values</u>
Daily	<u>\$ 12,597,689</u>

4. **Fair Value Measurements:**

The Conference reports its fair value measurements using a fair value hierarchy defined by generally accepted accounting principles (GAAP) that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels as of the fair value hierarchy under GAAP are:

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Continued

GREATER NEW JERSEY ANNUAL CONFERENCE
OF THE UNITED METHODIST CHURCH

NOTES TO THE UNCONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2019

4. Fair Value Measurements: (continued)

Level 2 – Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;

Level 3 – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (that is, inputs supported by little or no market activity)

Fair values of assets measured at December 31, 2019 are as follows:

	Totals	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>Recurring fair value measurements:</u>				
Mutual fund (fund of funds)	\$ 12,489,171	\$ -	\$ -	\$ 12,489,171
Wespath mutual fund (short-term investments)	30,866			30,866
Certificates of deposit	<u>77,632</u>		<u>77,632</u>	
Total investments	<u>12,597,669</u>	<u>-</u>	<u>77,632</u>	<u>12,520,037</u>
Beneficial interest in perpetual trust	<u>375,227</u>			<u>375,227</u>
Total fair value measurements	<u>\$ 12,972,896</u>	<u>\$ -</u>	<u>\$ 77,632</u>	<u>\$ 12,895,264</u>

Mutual fund (fund of funds) and (short-term investments) value is based upon estimated fair value, per the net asset value, as reported by the third party fund manager. The fund manager utilizes the quoted prices for the underlying holdings as its basis for fair value measurement.

The certificates of deposit are valued at cost plus accrued interest, which approximates fair value due to the short-term nature of these investments.

Beneficial interest in perpetual trusts: the Conference considers the measurement of its beneficial interest in the trusts to be a Level 3 measurement within the fair value hierarchy because even though that measurement is based on the unadjusted fair values of the trust assets reported by the trustee, the Conference will never receive those assets or have the ability to direct the trustee to redeem them (Level 3).

4. Fair Value Measurements: (continued)

Assets measured at fair value using significant unobservable inputs (Level 3 input) are as follows:

Balance of Level 3 investments as of January 1, 2019	\$ 14,161,966
Purchases	23,227,147
Sales	(27,011,368)
Realized gain	1,711,402
Unrealized gain	693,622
New perpetual trust held by third party	71,763
Change in value	<u>40,732</u>
Balance of Level 3 investments as of December 31, 2019	<u>\$ 12,895,264</u>

5. Loan Receivable

Impaired Loans

A loan is considered impaired when, based on currently available information, it is probable that the Conference will not collect all of the principal and interest contractually required by the loan agreement. Impaired loans include loans that have been modified in a troubled debt restructuring and loans placed on nonaccrual status. All impaired loans are evaluated for an asset-specific allowance for credit losses. An allowance for credit losses on impaired loans is recognized when the recorded investment in the loan exceeds the estimated cash flows expected to be received from the borrower, discounted using the original effective interest rate of the loan.

Troubled debt restructurings generally result from the Organization's loss mitigation activities and occur when a concession is granted to a borrower that is experiencing financial difficulty in order to minimize the financial loss and avoid foreclosure or repossession of collateral. Once modified in a troubled debt restructuring, a loan is generally considered impaired until its contractual maturity, regardless of borrower performance under the modified terms. While the modified loan may return to accrual status if it meets the Organization's criteria to do so, nevertheless, the loan will continue to be evaluated for an asset-specific allowance for credit losses and the loan will continue to be reported as being impaired in the accompanying financial statements.

Impaired loans have been placed on nonaccrual status. When a loan is placed on nonaccrual status, accrued interest income is reversed. Interest income on impaired loans is only recognized when actually received from the borrower. Partial payments of contractual amounts due on impaired loans are treated as interest income on a cash basis until such time as the loan is restored to performing status.

The following table provides informative data at December 31, 2019, for the years then ended separately presented based on whether or not management has recognized an allowance for credit losses with respect to the impaired loans:

5. **Loan Receivable:** (continued)

	<u>Unpaid Principal Balance of Impaired Loans</u>	<u>Allowance for Credit Losses on Impaired Loans</u>
Impaired loans for which no allowance for credit loss		
Loans receivable	\$ 317,021	
Impaired loans for which an allowance for credit losses is recognized		
Loans receivable	535,034	\$ 535,034

Loans are stated at unpaid principal balances, less an allowance. The allowance for loan losses is maintained at a level that, in management's judgment, is adequate to absorb credit losses inherent in the loan portfolio. The amount of the allowance is based on management's evaluation of the collectibility of the loan portfolio, including the nature of the portfolio, credit concentrations, trends in historical loss experience, specific impaired loans, economic conditions, and other risks inherent in the portfolio. Allowances for impaired loans are generally determined based on collateral values or the present value of estimated cash flows. The allowance is increased by a provision for loan losses, which is charged to expense, and reduced by charge-offs, net of recoveries.

The Conference's practice is to charge off any loan or portion of a loan when the loan is determined by management to be uncollectible due to the borrower's failure to meet repayment terms, the borrower's deteriorating or deteriorated financial condition, the depreciation of the underlying collateral, or for other reasons.

There were no changes in the Conference's accounting policies for financing receivables during the period. There have been no purchases, sales, or reclassifications of financing receivables.

9. Conference Board of Pensions:

Effective January 1, 2007, the Conference adopted the Clergy Retirement Security Program which had been established by the General Conference of the United Methodist Church. This plan supersedes and replaces the provisions of the prior plans. The church contribution rate under the Clergy Retirement Security Program is 12.50% of the active participant's plan compensation for a plan year. The 2019 church contribution rates under the Comprehensive Protection Plan are 3% for full-time clergy, 3.4% for less-than-full-time (3/4 and 1/2 time), and 4.4% for optional coverage (1/4 time or leave status.)

Under the provisions of the plans, the Conference is required to maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

10. Defined Contribution Plan:

Effective January 1, 1975, the Conference adopted a contributory pension plan for lay employees, covering all full-time employees electing to participate. Under this plan the Conference will contribute 6% of each participant's annual salary, and the participants will contribute an additional 3% of all past earnings of eligible employees.

11. Multiemployer Defined Pension Plan:

The Conference contributes to three multiemployer defined benefit pension plans - the Pre-82 Plan, the Clergy Retirement Security Program (CRSP), and the Ministerial Pension Plan (MPP). The Conference does not directly manage these multiemployer plans, which are managed by The General Board of Pensions and Health Benefits of The United Methodist Church. A majority of the Conference's employees are participants in one of these multiemployer plans as of December 31, 2019, subject to eligibility requirements.

Each of these plans is organized as a nonselecting, noncontributory multiemployer church retirement plan, and therefore the plans are not subject to certain reporting requirements of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plans' certified zone statuses are not available since the plans are not subject to ERISA reporting requirements.

The risks of participating in a multiemployer plan are different from a single employer plan in the following aspects: (1) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers; (2) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers; (3) if an employer chooses to stop participating in a multiemployer plan, the company may be required to pay the plan an amount based on the underfunded status of the plan, referred to as a withdrawal liability. If a plan were to terminate, if participants voluntarily withdrew or there was a mass withdrawal, the Conference may also be required to make additional payments to the plan for its proportionate share of underfunded liabilities.

The following table presents information on the plans and the Conference's participation in the plans:

Plan	Plan Employer Identification and Plan No.	Plan Funded Status as of 12/31/19		Annual Conference Contributions for the Year Ended 12/31/2019	Total Plan Contribution for the Year Ended 12/31/2019	Contribution Greater than 5% of Total

12. Post-Retirement Benefit Obligation:

The Conference's post-retirement health care benefit plan provides health insurance coverage to employees with 20 years of service who retire directly from active service at or after the age of 62. Married employees eligible for the plan will also have coverage for their spouse. Upon an eligible retiree's death, spousal coverage continues for the spouse's lifetime.

Effective July 1, 2002 a person becoming an annuitant after July 1, 2002 with less than 20 years of annuity credit in the United Methodist Church at retirement shall share in the cost of the premium. The annuitant's share shall be 5% times the number of full years by which the annuity credit is less than 20.

Effective July 1, 2003 for an annuitant under the age of 65 commencing benefits after July 1, 2003, the Conference shall contribute an amount equal to the coverage cost of a Medicare-eligible annuitant, prorated for service years less than 20.

Alternative Amortization Method

As permitted under ASC 715-60-35-18, the amortization of any prior service costs is determined using a straight-line amortization of the costs over the average remaining service period of employees expected to receive benefits under the plan

13. Concentration of Credit Risk:

The Conference maintains cash balance at TD Bank in excess of the \$250,000 FDIC insured limits. The Conference's uninsured cash balances totaled \$1,150,664 as of December 31, 2019.

14. Reimbursed Expenditures:

The Conference administers a comprehensive insurance plan, a health insurance plan and a pension and disability fund for all United Methodist churches affiliated with the Conference. The Conference invoices the churches to obtain reimbursement for the cost of insurance, pension, and disability plan payments made on behalf of the churches

For the year ended December 31, 2019 the following amounts were collected and disbursed by the Conference for each respective benefit plan:

	Pension and Disability <u>Plan</u>	Health <u>Insurance</u>	Comprehensive Insurance <u>Plan</u>	<u>Total</u>
Collected	\$ 3,482,683	\$ 6,001,053	\$ 4,038,740	\$ 13,522,476

Net Activity	<u>\$ 329,461</u>	<u>\$ (1,389,857)</u>	<u>\$ 57,289</u>	<u>\$ (1,003,107)</u>

In addition to the amount in the above table, the Conference expended \$2,075,305 in plan contributions for the retiree health insurance plan described in Note 12. As a result, the Conference expended \$3,078,412 more than it was reimbursed for all of its employee benefit plans for 2019.

15. Endowment:

The Conference's endowment consists of approximately 14 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Council on Finance and Administration to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Council on Finance and Administration to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

15. **Endowment:** (continued)

Relevant Law

The Council on Finance and Administration of the Conference has interpreted the New Jersey State's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Conference classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Conference considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization.

As of December 31, 2019, the Conference has the following endowment net asset composition by type of fund:

	<u>With Donor Restriction</u>
Donor-restricted endowment funds	
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ 600,811
Accumulated investment gains	213,291
	<u>\$ 814,102</u>

Return Objectives and Risk Parameters

The Conference has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of

donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period as well as board-designated funds. Under this policy, as approved by the Council on Finance and Administration, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Conference expects its endowment funds, over time, to provide an average rate of return of approximately 6.5 percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Conference relies on a total return strategy in which investments returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Conference targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Conference has a policy of appropriating for expenditure 5% of the average fair value of each respective endowment. The Organization expects the current spending policy to allow its endowment funds to grow at a minimal average rate of 5% annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Change in endowment net assets for the year ended December 31, 2019 are as follows:

	<u>With Donor Restriction</u>

16. Income Taxes:

The Conference is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and application state law.

The accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Conference may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Conference and various position related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from a tax position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for year 2019.

The Conference is not required to file a federal form 990 because it is an integrated auxiliary of a church. Therefore, the Conference has voluntarily elected not to file a federal form 990 since its inception and for that reason; the statute of limitations has not started to expire for IRS examination of income tax issues.

17. Related Parties:

The Conference provides administrative services to various related organizations. The payments received and in-kind services provided in 2019 are as follows:

	<u>Admin Fees</u>	<u>Reimbursement of Expenses</u>	<u>Total</u>
A Future With Hope	\$ 33,186	\$ (50,977)	\$ (17,791)
The Centenary Fund and Preachers' Aid Society	12,583		12,583

Total administrative fees	<u>\$ 268,732</u>	<u>\$ (50,977)</u>	<u>\$ 217,755</u>

Due to the reorganization of the Next Generation Ministries of Greater New Jersey, Inc. the Conference waived its administrative fees from that program for 2019.

The Centenary Fund provides annual support to a Conference's program which serves the needs of retired clergy, widows and dependent children of deceased clergy. The amount received in 2019 is \$635,000.

The Conference subsidizes a part of The Episcopal Office's administrative expenses. In 2019, the Episcopal Office received an allotment from the Conference of \$141,678.

At December 31, 2019, the Conference had a receivable from The Episcopal Office amounting to \$119,053.

18. **Beneficial Interest in Trust:**

Under the terms of the perpetual trust, the Conference has the irrevocable right to receive the income earned on the trust asset in perpetuity, but never receive the asset held in trust. The Conference has recorded the asset at the estimated fair value of the Conference's share of the beneficial interest in trust assets. Distributions from the trust assets are recorded as unrestricted investment income in the accompanying statement of activities unless restricted by the donor. The Conference did not receive any distributions in 2019 from the trusts. Change in value of the beneficial interest in the trust assets are recorded as unrealized gains or losses in the permanently restricted net assets

21. **Liquidity and Availability:**

The Conference strives to maintain liquid financial assets sufficient to cover 8% of its operating expense budget which for 2019 is approximately an \$880,000 operating reserve. 23. Subsequent Events:

In preparing these financial statements, the Conference has evaluated events and transactions for potential recognition or disclosure through March 16, 2021, the date the financial statements were available to be issued.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of multiple churches. While this disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings. Therefore, the Company expects this matter to negatively impact its operating results. However, the related financial impact and duration cannot be reasonably estimated at this time.

On May 4, 2020 the Conference obtained a Paycheck Protection Program loan from TD Bank for 979,452, with an interest rate of 1%. It is the Conference's expectation that the loan will be forgiven in 2021 in accordance with the provisions of the Paycheck Protection Program.
